Palmdale Water District

Sponsors Landscape Irrigation Fix a Leak Day

PALMDALE, CA Date, June 3, 2010- We may not realize that Water Conservation is an important aspect of our daily lives, but it is. With regulatory restrictions that have impacted our state's water supplies and the price of water rising, we need to conserve, to conserve is *not to waste*. The Palmdale Water District is focusing on helping the public know how to look for leaks and how to fix them. The District has asked landscape contractor, Glen Gunther, to demonstrate irrigation leak repairs and also to answer general landscape questions. Please join us.

The Public is invited

About Palmdale Water District

The Palmdale Water District has grown from an agency providing irrigation water for 60 customers, to an agency providing domestic water to the thriving community we know today. Founded as an irrigation district supplying water mainly to farms for agricultural use, the District's boundaries have expanded with Palmdale's rapid population growth and the District has shifted to providing predominantly municipal and industrial water. The

Palmdale Water District is currently divided into five divisions covering areas in East and South Palmdale. The Palmdale Water District remains dedicated to providing clean, pure water; state of the art facilities to meet current and future needs; attentive staff committed to customer satisfaction; treatment and testing to ensure high quality water; education on water conservation and safety; and reliable supply and resourceful planning insuring customer satisfaction and continued reasonable rates. The Palmdale Water District can be reached by calling (661) 947-4111. The Palmdale Water District is located at 2029 E Avenue Q in Palmdale, California.
