PALMDALE WATER DISTRICT

CELEBRATING A CENTURY OF SERVICE

Wellness 2018 marks an important milestone for Palmdale's Water District. We are celebrating our 100-year anniversary! We are excited about this major accomplishment and are looking forward to what the future has in store for our community and our most precious resource—water.

This community has been an integral part in developing our foundation and expansion over the last century. Throughout the year's celebration, the District will highlight the leaders and members of the community who have played a key role in this shared success.

Join us every month for a new set of displays in our District's main lobby and at the Palmdale City Library. Additionally, the District will be offering exclusive tours to and from the Littlerock Dam and Reservoir.

As we embark on our upcoming celebration, we want to invite you to join us for our new, all Open House in August, customer appreciation days and our main centennial event in July 2018.

We continue to reflect on our past and build for our future. Together, we accomplished a century of service and look forward to 100 more.

Littlerock Dam and Reservoir Tour

Tours are being offered throughout the year on and from the Reservoir. Space is limited. Please contact PWD for tour schedules and to sign up by calling 661-415-5541.
