BOARD MEMORANDUM**

DATE: May 4, 2020 **May 11, 2020**

RE: ***AGENDA ITEM NO. 6.3 –APPROVAL OF SALARY RANGES FOR JUNIOR ENGINEER, ASSISTANT ENGINEER, ASSOCIATE ENGINEER, AND SENIOR ENGINEER POSITIONS IN THE ENGINEERING DEPARTMENT. (NO BUDGET IMPACT – HUMAN RESOURCES DIRECTOR EMERY/PERSONNEL COMMITTEE)***

Recommendation:

Staff and the Personnel Committee recommend that the Board of Directors approve the following salary ranges for positions within the Engineering Department:

Junior Engineer	Salary Range 31
Assistant Engineer	Salary Range 32
Associate Engineer	Salary Range 35
Senior Engineer	Salary Range 38

Alternative Options:

The alternative is to choose different salary ranges than what are being recommended.

Impact of Taking No Action:

If we do not approve the salary ranges, we will have positions without established salaries.

Background:

History:

Historically, the District has twelve similar water districts which are utilized to establish the salary ranges for Palmdale Water District positions. These Districts were chosen due to their similarity in facilities, size, or location. All are without the Southern California region. The attached salary survey utilized these District’s currently available information.

PERSONNEL COMMITTEE
PALMDALE WATER DISTRICT

VIA: Mr. Dennis D. LaMoreaux, General Manager

May 4, 2020

We will be recruiting for the Associate Engineer position. The Associate Engineer position will be taking the place of a retirement in another position and, as such, will fall under our succession budget.

The Palmdale Water District will be completing a significant number of projects in the upcoming years. As such, we have a need for another licensed Engineer. This position is also a successor position for the Engineering/Grant Manager position. Currently many of our projects have been on hold, but we will be pushing to complete them as soon as it is feasible to do so without risking community health. We would like to have this position filled and ready to go when we are able to start our projects.

Bringing IT and SCADA in sync:

Historically, there has been some industry friction in bringing these two very different cultures together. At the top level, the IT Department generally looks at its systems as dynamic and having a focus on communicating with everyone through managed cybersecurity process. The focus of the SCADA system is to deliver extremely high reliability and safety in managing system operations. Due to the critical nature of real-time data, even short-term disruptions can impact the distribution system. In today's technology environment, it is critical to get real time information into our Operators' hand in the safest way. For this reason, combining the needs of IT and SCADA into a uniform cybersecurity policy will help mitigate the security risk.

SCADA Success in IT:

In addition to keeping the system safe, benefits of moving SCADA to IT include increased transparency of technology, heightened cybersecurity, and improvements in system reliability like reducing the recovery time of a system if a disaster occurs.

America's Water Infrastructure Act (AWIA) and American Waterworks Association (AWWA) Assessments:

This move will help the District meet many of the deficiencies outlined in the current AWIA and AWWA assessments. Moving SCADA to IT will create a cohesive group that can better meet the mitigation requirements outlined in the AWIA and AWWA assessments as well as meet the cyber challenges of the future.

Succession Planning:

Moving SCADA to IT will expand District personnel's career development paths. Personnel will have the chance to be exposed to six uniquely different jobs and career paths; GIS Coordinator, IT Specialist, Network Administrator, IT Manager, SCADA Instrumentation Tech II and SCADA Instrumentation Tech III. The culture of the IT Department is to share knowledge. In this culture, an IT Specialist could be mentored by a SCADA Instrumentation Tech to gain a working knowledge of SCADA, and vice versa the SCADA Instrumentation Tech can be mentored by the IT Specialist to gain a working knowledge of networking. The paths and skillsets available are only limited by the individual's incentive to learn.

PROPOSED APR. 23, 2020

**PALMDALE WATER DISTRICT
BOARD MEMORANDUM**

DATE: May 5, 2020 **May 11, 2020**
TO: BOARD OF DIRECTORS **Board Meeting**
FROM: Mr. Michael Williams, Finance Manager/CFO
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: ***AGENDA ITEM NO. 7.1 – CONSIDERATION AND POSSIBLE ACTION ON RESOLUTION NO. 20-7 BEING A RESOLUTION OF THE BOARD OF DIRECTORS OF THE PALMDALE WATER DISTRICT, APPROVING AN INSTALLMENT PURCHASE AGREEMENT TO REFUND A PORTION OF THE PALMDALE WATER DISTRICT PUBLIC FINANCING AUTHORITY’S WATER REVENUE BONDS, SERIES 2013A, AND AUTHORIZING THE EXECUTION AND DELIVERY OF SAID INSTALLMENT PURCHASE AGREEMENT AND RELATED DOCUMENTS. (\$8.81 MILLION – NON-BUDGETED – FINANCE MANAGER WILLIAMS, MARK NORTHCROSS OF NHA ADVISORS/FINANCE COMMITTEE)***

Recommendation:

Staff and the Finance Committee recommend that the Board of Directors approve Resolution No. 20-7 Being a Resolution of the Board of Directors of the Palmdale Water District, Approving an Installment Purchase Agreement to Refund a Portion of the Palmdale Water District Public Financing Authority’s Water Revenue Bonds, Series 2013A, and Authorizing the Execution and Delivery of Said Installment Purchase Agreement and Related Documents.

Alternative Options:

The Board can choose to not approve Resolution No. 20-7.

Impact of Taking No Action:

The District will not benefit from the savings of refinancing the bonds.

Background:

The District’s bond advisor, Mark Northcross from NHA Advisors, advised the District of the opportunity for the District to refinance its outstanding 2013A Water Revenue term bonds maturing 2038 and 2043 through private placement. Interest rates are very low at this time, and this refinancing will result in an annual savings of approximately \$47,000.00.

The options for refinancing, as well as the bid results for private placement, have been presented to the Finance Committee, and they have recommended the full Board consider and approve Resolution No. 20-7. Resolution No. 20-7 and the legal financing documents are attached.

PALMDALE WATER DISTRICT

A SUMMARY OF THE BID RESULTS FOR THE DISTRICT'S POTENTIAL REFINANCING

NHA | ADVISORS
Financial & Policy Strategies.
Delivered.

April 29, 2020

Executive Summary

- ▶ We received one “hard” bid from Western Alliance Bank
 - ▶ Their bid was a fixed rate of 3.21%
- ▶ We received two “soft” bids from First Foundation and Sunflower Bank
 - ▶ Because the soft bids would have been significantly higher than what we thought would be acceptable to the District, placement agent advised banks not to bid
- ▶ The Western Alliance Bank interest rate is not locked until two weeks prior to closing
 - ▶ We have a tentative agreement with the bank to close as early as May 19th
- ▶ Western Alliance Bank won the bid on the 2012 refinancing of District bonds
 - ▶ Bank of Nevada, a subsidiary of Western Alliance Bank, is the District’s counter party on that loan

A Summary of the Winning Bid

Bidder	Western Alliance Bank	Same winning bidder as on 2012 refinancing. (Bank of Nevada is a subsidiary)
Interest Rate	3.21%	Interest rate is calculated by formula prior to lock: 77% of the sum of the 20 year LIBOR swap rate plus 3.4%
Rate lock now	No	The rate lock is 2 weeks prior to closing.
Closing expenses	\$10,000	Squire Patton Boggs is bank counsel. We do not want to incur these expenses until after rate lock
Call feature	October 1, 2030@100%	

- ▶ The interest rate will fluctuate until the rate is locked (following Board approval of the refinancing)
- ▶ Given recent market volatility in the 20-year LIBOR swap rate (shown below), locking the interest rate as soon as possible will reduce interest rate risk

A Comparison of Bid Results

Bank Contacted	Bid	Bid Interest Rate	Reason for not bidding
Western Alliance Bank	Yes	3.21%	
Bank of the West	No	none	Final maturity too long
BCI Capital	No	none	Bank not bidding any muni transactions now
BBVA	No	none	Final maturity too long
California Bank	No	none	Final maturity too long
Capital One	No	none	Final maturity too long
Chase/JP Morgan	No	none	Final maturity too long
First Foundation	No	none	Cannot go below 3.5%
Flagstar Bank	No	none	Bank not bidding any muni transactions now
Municipal Finance	No	none	Final maturity too long
Pinnacle Public Finance	No	none	Final maturity too long
Signature Bank	No	none	Final maturity too long
Sterling Bank	No	none	Final maturity too long
Sunflower Bank	No	none	Would be higher than 3.5%
Umpqua Bank	No	none	Bank only bids for current municipal clients

- ▶ Bank demand for municipal bonds has been significantly reduced because of the need to process the record volume from SBA Payroll Protection Program loans

Comparative Savings Cash Flows – Three Scenarios

Annual Cash Flow Savings by Scenario

2041	76,948	28,262	46,832
2042	76,948	30,812	46,832
2043	76,948	27,737	46,832
2044	76,948	29,200	46,832
Total	\$ 1,846,206	\$ 900,642	\$ 1,123,968
Net Present Value at 3% Discount Rate	\$ 1,302,627	\$ 661,564	\$ 793,125
Net Present Value as a % of Current Outstanding Par	14.8%	7.5%	9.0%

- ▶ While bid results are significantly less than what was estimated in March, the savings are still strong
- ▶ A public offering under current market conditions would result in the lowest level of savings to the District
- ▶ Net present value savings is the value in today's dollars of all the future savings from the refinancing

Should the District Accept the Bid?

- ▶ A rule of thumb for municipal bond refinancings:
 - ▶ If the net present value savings are less than 3% of outstanding principal, the public agency should only do the refinancing for legal or political reasons
 - ▶ If the net present value savings are greater than 5% of outstanding principal, the public agency should do the refinancing unless there are legal or political reasons not to do it
 - ▶ Net present value savings between 3% and 5% is a “gray area”
 - ▶ There may be legal, political, or other reasons to undertake a refinancing
- ▶ With net present value savings of 9%, the District should accept the bid and do the refinancing unless there are legal or political reasons to not do it
 - ▶ We are not aware of any legal or political reasons to not do the refinancing

Next Steps

- ▶ Finance Committee gives direction at its May 5th meeting
- ▶ If the Finance Committee supports the refinancing, Board approves legal documents at its May 11th meeting
- ▶ Rate is locked by bank on May 12th
- ▶ Refinancing is closed before the end of May, and hopefully by May 19th

(c) The Corporation will not take or permit any action to be taken which results in the Interest Components being included in the gross income of the Corporation for purposes of federal income taxation or State of California personal income taxation.

In addition, the Corporation shall pay \$_____ to the District, or to such other party or parties as an Authorized Officer of the District may direct, for the purpose of paying costs of issuance in connection with the execution of this Agreement.

Section 302. Refinancing of the 2013 Project. Under the 2013 Installment Purchase Agreement, the Authority sold the 2013 Project to the District in consideration of the District’s promise to pay the installment purchase payments due thereunder. The District acknowledges that its obligation to pay the installment purchase payments due under the 2013 Installment Purchase Agreement in connection with the 2013 Project is being refinanced hereunder and is reducing the amount required to be paid by the District to acquire the 2013 Project. In consideration of the Corporation’s entering into this Agreement, the District agrees to refinance its acquisition of the 2013 Project by paying the Installment Payments to the Corporation.

Section 303. Ownership of the 2013 Project; Term.

(a) Ownership of the 2013 Project. The District and the Corporation hereby acknowledge that, pursuant to the 2013 Installment Purchase Agreement, title to the 2013 Project is vested in the District. However, the parties hereby further acknowledge that certain installment payments owed under the 2013 Installment Purchase Agreement remain outstanding and that the District and the Corporation are entering into this Agreement for the purpose of refinancing those payments.

(b) Disclaimer of Warranties. The Corporation does not make any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for any particular purpose or fitness for the use contemplated by the District of the 2013 Project or any portion thereof, or any other representation or warranty with respect to the 2013 Project or any portion thereof. (c) Term of Agreement. The term of this Agreement shall commence on the Closing Date and shall terminate upon the payment in full of the Installment Payments and any other amounts due and owing hereunder by the District to the Corporation.

Section 304. Pledge of Net Revenues; Installment Payments. All Net Revenues are hereby pledged to the payment of the Installment Payments and Debt Service on Bonds and other Contracts. So long as any Installment Payments remain unpaid, the Net Revenues shall not be used for any other purpose except as expressly permitted in this Agreement. This pledge shall constitute a first lien on the Net Revenues for the payment of Installment Payments and all Bonds and other Contracts. For the refinancing of the 2013 Project, the District shall pay to the Corporation, the purchase price by payment of the Installment Payments set forth in Exhibit "C" attached hereto and by this reference incorporated herein from Net Revenues.

The Installment Payments shall be payment for the refinancing of the 2013 Project. For each such annual period commencing with the period beginning on the date hereof, the District shall make Installment Payments on the Installment Payment Dates during said annual period as more particularly set forth in Exhibit "C".

Installment Payments for each annual payment period during the term of this Agreement shall constitute the total amount due for said payment period, and shall be paid by the District for and in consideration of the refinancing of the 2013 Project to the District.

An amount equal to the next succeeding Installment Purchase Payment shall be due from and payable by the District on each of the Installment Payment Dates specified in said Exhibit "C".

As additional consideration for the refinancing of the 2013 Project, the District agrees to pay such additional amounts due and owing hereunder.

Section 305. Interest Component. A portion of each Installment Purchase Payment is paid as, and represents the payment of a portion of the unpaid purchase price and interest on the unpaid purchase price and constitutes an Interest Component. The Interest Component of each Installment Purchase Payment is set forth in Exhibit "C".

Section 306. Payment in Lawful Money; No Set Off. Each Installment Payment shall be paid or caused to be paid by the District on each Installment Payment Date in lawful money of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, to or upon the order of the Corporation at such place as the Corporation shall designate, in writing, to the District.

Notwithstanding any dispute between the District and the Corporation, the District shall make each and all Installment Payments when due and shall not withhold any Installment Payments pending the final resolution of such dispute nor shall the District assert any right of set off or counterclaim against its obligation to make Installment Payments as set forth herein.

The obligation of the District to pay the Installment Payments from the Net Revenues as herein provided is absolute and unconditional, and until such time as all of the Installment Payments have been fully paid, the District will not discontinue or suspend any Installment Payments required to be made by it under this section when due, whether or not the 2013 Project or any part thereof is operating or operable, or its use is suspended, interfered with, reduced or curtailed or terminated in whole or in part, and such payments shall not be subject to abatement because of any damage to, destruction or condemnation of the 2013 Project, and such payments shall not be subject to reduction whether by offset or otherwise and shall not be conditional upon the performance or nonperformance by any party of any agreement for any cause whatsoever.

Section 307. Title. From and after the Closing Date, title to the 2013 Project, and each and every portion thereof, shall vest in the District, provided, however, that title to the 2013 Project and each and every portion thereof remaining in the District shall be subject to the subsequent payment of Installment Payments as described in Section 304 hereof.

Section 308. Prepayment of Installment Payments.

(a) The District may or shall, as the case may be, prepay from the Net Proceeds as provided in Sections 409 and 415 herein on any date, all or any part of the unpaid Installment Payments at a prepayment price equal to the sum of the Principal Components prepaid plus accrued interest thereon to the date of prepayment.

(b) The District, at its option, may prepay the Installment Payments in whole or in part on any date on and after _____. This option shall be exercised by the District by giving written notice to the Corporation, of the exercise of such option at least fifteen (15) days prior to the date of prepayment.

In the event of prepayment in part, the partial prepayment shall be applied by the Corporation against Installment Payments in the manner directed by the District, and the District shall cause to be provided to the Corporation a revised schedule of Installment Payments reflecting said partial prepayment.

Section 309. Rate Stabilization Fund. In order to avoid fluctuations in its water rates, the District has previously established a fund entitled the "Rate Stabilization Fund" to be held by the District or in an account of the District at an institution approved by the District, which the District hereby agrees and covenants to maintain so long as this Installment Purchase Agreement is in effect. The District may deposit in the Rate Stabilization Fund from time to time Revenues which the District, in its discretion, deems available for deposit in the Rate Stabilization Fund. From time to time, the amounts deposited in the Rate Stabilization Fund may be transferred by the District to pay any lawful expenses of the District, including but not limited to Debt Service and Maintenance and Operation Expenses. The Rate Stabilization Fund will not be held by the trustee for the benefit of other Bonds or Contracts but may be expressly pledged to the repayment of any Bonds or Contracts. Amounts in the Rate Stabilization Fund are hereby irrevocably pledged to the payment of the Installment Payments, the 2012 Installment Payments the 2013 Installment Payments and the 2018 Installment Payments on a parity basis.

Section 310. Closing Conditions. The District acknowledges that the Corporation's obligation to makes the payment pursuant to Section 301 is expressly conditioned upon the delivery to the Corporation of the following documents, in form and content satisfactory to the Corporation, duly executed (and acknowledged where necessary) by the appropriate parties thereto:

(a) This Agreement;

(b) A closing certificate of the District acceptable to the Corporation, including a copy of the resolution authorizing the execution and delivery of this Agreement, in a form acceptable to the Corporation;

(c) A legal opinion from special counsel to the District, acceptable to the Corporation, addressing the authorization and validity of the District's documents and the parity nature of this Agreement; and

(d) Such other documents and certificates as the Corporation may reasonably require.

ARTICLE IV

COVENANTS

Section 401. Compliance with Installment Purchase Agreement and Ancillary Agreements. The District will punctually pay the Installment Payments in strict conformity with the terms hereof, and will faithfully observe and perform all the agreements, conditions, covenants and terms contained herein required to be observed and performed by it, and will not terminate this Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2013 Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State of California or any political subdivision of either or any failure of the Corporation to observe or perform any agreement, condition, covenant or term contained herein required to be observed and performed by it, whether express or implied, or any duty, liability or obligation arising out of or connected herewith or the insolvency, or deemed insolvency, or bankruptcy or liquidation of the Corporation or any force majeure, including acts of God, tempest, storm, earthquake, war, rebellion, riot, civil disorder, acts of public enemies, blockade or embargo, strikes, industrial disputes, lock outs, lack of transportation facilities, fire, explosion, or acts or regulations of governmental authorities.

It is expressly understood and agreed by and among the parties to this Agreement that, subject to Section 606 hereof, each of the agreements, conditions, covenants and terms contained in this Agreement is an essential and material term of the purchase of and payment for the 2013 Project by the District.

The District will faithfully observe and perform all the agreements, conditions, covenants and terms required to be observed and performed by it pursuant to all outstanding Contracts and Bonds as such may from time to time be executed or issued, as the case may be.

Section 402. Against Encumbrances. The District will not make any pledge of or place any lien on Revenues or the moneys in the Rate Stabilization Fund except as provided herein. The District may at any time, or from time to time, (i) execute Contracts or issue Bonds as permitted herein or (ii) incur evidences of indebtedness or incur other obligations for any lawful purpose which are payable from and secured by a pledge of and lien on Revenues and on any moneys in the Rate Stabilization Fund as may from time to time be deposited therein, provided that such pledge and lien shall be subordinate in all respects to the pledge of and lien thereon provided herein.

Section 403. Against Sale or Other Disposition of Property. The District will not enter into any agreement or lease which impairs the operation of the Water System or any part thereof necessary to secure adequate Revenues for the payment of the Installment Payments, or which would otherwise impair the rights of the Corporation hereunder or the operation of the Water System. Any real or personal property which has become nonoperative or which is not needed for the efficient and

proper operation of the Water System, or any material or equipment which has become worn out, may be sold if such sale will not impair the ability of the District to pay the Installment Payments provided that the proceeds of such sale shall constitute and be treated as Revenues.

Nothing herein shall restrict the ability of the District to sell any portion of the Water System if such portion is immediately repurchased by the District and if such arrangement cannot by its terms result in the purchaser of such portion of the Water System exercising any remedy which would deprive the District of or otherwise interfere with its right to own and operate such portion of the Water System.

Section 404. Against Competitive Facilities. To the extent permitted by law, the District covenants that it will not acquire, construct, maintain or operate and will not, to the extent permitted by law and within the scope of its powers, permit any other public or private agency, corporation, district or political subdivision or any person whomsoever to acquire, construct, maintain or operate within the District any potable water system competitive with the Water System. The foregoing does not limit the ability of the District to construct, acquire, maintain or operate a recycled water system.

Section 405. Tax Covenants. Notwithstanding any other provision of this Agreement, absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of the Interest Components will not be adversely affected, the District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(a) Private Activity. The District will not take or omit to take any action or make any use of the monies paid to the District by the Corporation or of any other moneys or property which would cause the District's obligations hereunder to be "private activity bonds" within the meaning of Section 141 of the Code.

(b) Arbitrage. The District will make no use of the monies paid by the Corporation or of any other amounts or property, regardless of the source, or take or omit to take any action which would cause the District's obligations hereunder to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(c) Federal Guarantee. The District will make no use of the monies paid by the Corporation or take or omit to take any action that would cause the District's obligations hereunder to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

(d) Information Reporting. The District will take or cause to be taken all necessary action to comply with the informational reporting requirements of Section 149(e) of the Code.

(e) Hedge Bonds. The District will make no use of the monies paid by the Corporation or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the District's obligations hereunder to be considered "hedge bonds" within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of the Interest Components for federal income tax purposes.

(f) Miscellaneous. The District will take no action, or omit to take any action, inconsistent with the expectations stated in the Tax Certificate and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Section 406. Maintenance and Operation of the Water System. The District will maintain and preserve the Water System in good repair and working order at all times and will operate the Water System in an efficient and economical manner and will pay all Maintenance and Operation Expenses as they become due and payable.

Section 407. Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien on the Revenues or the funds or accounts created hereunder or on any funds in the hands of the District pledged to pay the Installment Payments prior or superior to the lien of the Installment Payments or which might impair the security of the Installment Payments.

Section 408. Compliance with Contracts. The District will neither take nor omit to take any action under any contract if the effect of such act or failure to act would in any manner impair or adversely affect the ability of the District to pay Installment Payments; and the District will comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all other contracts affecting or involving the Water System, to the extent that the District is a party thereto.

Section 409. Insurance.

(a) The District will procure and maintain or cause to be procured and maintained insurance on the Water System with responsible insurers in such amounts and against such risks (including damage to or destruction of the Water System) as are usually covered in connection with a water system similar to the Water System so long as such insurance is available from reputable insurance companies on commercially reasonable terms.

In the event of any damage to or destruction of the Water System caused by the perils covered by such insurance, the Net Proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the Water System. The District shall begin such reconstruction, repair or replacement promptly after such damage or destruction shall occur, and shall continue and properly complete such reconstruction, repair or replacement as expeditiously as possible, and shall pay out of such Net Proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the Water System shall be free and clear of all claims and liens.

If such Net Proceeds exceed the costs of such reconstruction, repair or replacement portion of the Water System, and/or the cost of the construction of additions, betterments, extensions or improvements to the Water System, then the excess Net Proceeds may, at the option of the District, be applied in part to the prepayment of Installment Payments as provided in Section 308 and in part to such other fund or account as may be appropriate and used for the retirement of Bonds and Contracts in the same proportion which the aggregate unpaid principal balance of Installment Payments then bears to the aggregate unpaid principal amount of such Bonds and Contracts. If such Net Proceeds are sufficient to enable the District to retire the entire obligation evidenced hereby prior to the final due date of the Installment Payments as well as the entire obligations evidenced by Bonds and Contracts then remaining unpaid prior to their final respective due dates, the District may elect

not to reconstruct, repair or replace the damaged or destroyed portion of the Water System, and/or not to construct other additions, betterments, extensions or improvements to the Water System; and thereupon such Net Proceeds shall be applied to the prepayment of Installment Payments as provided in Section 308 and to the retirement of such Bonds and Contracts.

(b) The District will procure and maintain such other insurance as it shall deem advisable or necessary to protect its interests and the interests of the Corporation, which insurance shall afford protection in such amounts and against such risks as are usually covered in connection with a water system similar to the Water System.

(c) Any insurance required to be maintained by paragraph (a) above and, if the District determines to procure and maintain insurance pursuant to paragraph (b) above, such insurance, may be maintained under a self-insurance program so long as such self-insurance is maintained in the amounts and manner usually maintained in connection with a water system similar to the Water System and is, in the opinion of an accredited actuary, actuarially sound.

Section 410. Accounting Records; Financial Statements and Other Reports.

(a) The District will keep appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the District, which records shall be available for inspection by the Corporation at reasonable hours and under reasonable conditions.

(b) The District will prepare and file with the Corporation annually within two hundred seventy (270) days after the close of each Fiscal Year (commencing with the Fiscal Year ending December 31, 2020) financial statements of the District for the preceding Fiscal Year prepared in accordance with generally accepted accounting principles, together with an Accountant's Report thereon.

(c) During each Fiscal Year, the District will deliver a copy of its operating budget, or evidence of the District's appropriation of moneys sufficient to pay the Installment Payments due in such Fiscal Year, to the Corporation annually within thirty (30) days after the commencement of such Fiscal Year.

(d) The District shall furnish at the Corporation's request such additional information that the Corporation may from time to time reasonably request.

Section 411. Protection of Security and Rights of the Corporation. The District will preserve and protect the security hereof and the rights of the Corporation to the Installment Payments hereunder and will warrant and defend such rights against all claims and demands of all persons.

Section 412. Payment of Taxes and Compliance with Governmental Regulations. The District will pay and discharge all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Water System, or any part thereof or upon the Revenues when the same shall become due. The District will duly observe and conform with all valid regulations and requirements of any governmental authority relative to the operation of the Water System, or any part thereof, but the District shall not be required to comply with any regulations or requirements so long as the validity or application thereof shall be contested in good faith.

Section 413. Amount of Rates and Charges. The District, to the fullest extent permitted by law, shall fix, prescribe and collect Revenues for Water Service which will be at least sufficient to yield during each Fiscal Year Net Revenues equal to one hundred ten percent (110%) of Debt Service and one hundred percent (100%) of Policy Costs. The District may make adjustments from time to time in such Revenues and may make such classification thereof as it deems necessary, but shall not reduce the Revenues then in effect unless the Net Revenues from such reduced Revenues will at all times be sufficient to meet the requirements of this section.

Section 414. Collection of Rates and Charges. The District will have in effect at all times by-laws, rules and regulations requiring each customer to pay the rates and charges applicable to the Water Service and providing for the billing thereof and for a due date and a delinquency date for each bill.

Section 415. Eminent Domain Proceeds. If all or any part of the Water System shall be taken by eminent domain proceedings, the Net Proceeds thereof shall be applied as follows:

(a) If (1) the District files with the Corporation a certificate showing (i) the estimated loss of annual Net Revenues, if any, suffered or to be suffered by the District by reason of such eminent domain proceedings, (ii) a general description of the additions, betterments, extensions or improvements to the Water System proposed to be acquired and constructed by the District from such Net Proceeds, and (iii) an estimate of the additional annual Net Revenues to be derived from such additions, betterments, extensions or improvements, and (2) the District, on the basis of such certificate filed with the Corporation, determines that the estimated additional annual Net Revenues will sufficiently offset the estimated loss of annual Net Revenues resulting from such eminent domain proceedings so that the ability of the District to meet its obligations hereunder will not be substantially impaired (which determination shall be final and conclusive), then the District shall promptly proceed with the acquisition and construction of such additions, betterments, extensions or improvements substantially in accordance with such certificate and such Net Proceeds shall be applied for the payment of the costs of such acquisition and construction, and any balance of such Net Proceeds not required by the District for such purpose shall be held by the District and shall be treated as Revenues.

(b) If the foregoing conditions are not met, then such Net Proceeds shall be applied by the District in part to the prepayment of Installment Payments as provided in Section 308 and in part to such other fund or account as may be appropriate and used for the retirement of Bonds and Contracts in the same proportion which the aggregate unpaid Principal Components of the Installment Payments then bears to the aggregate unpaid principal amount of such Bonds and Contracts.

Section 416. Further Assurances. The District will adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and for the better assuring and confirming unto the Corporation of the rights and benefits provided to it herein.

Section 417. Enforcement of Contracts. The District will not voluntarily consent to or permit any rescission of, nor will it consent to any amendment to or otherwise take any action under or in connection with any contracts previously or hereafter entered into if such rescission or amendment would in any manner impair or adversely affect the ability of the District to pay Installment Payments.

Section 418. Additional Contracts and Bonds.

(a) The District may at any time execute any Contract or issue any Bonds, as the case may be, in accordance herewith; provided there shall be on file with the District either:

(i) A Certificate of the District demonstrating that, during the last audited Fiscal Year or any consecutive twelve (12) calendar month period during the immediately preceding eighteen (18) calendar month period, the Net Revenues were at least equal to 110% of Maximum Annual Debt Service and one hundred percent (100%) of any Policy Costs, including for purposes of said calculation the Contracts proposed to be executed or the Bonds proposed to be issued and excluding any Contracts or Bonds to be defeased with the proceeds of the Contracts or Bonds to be executed; provided, that for the purpose of providing this Certificate, the District may adjust the foregoing Net Revenues to reflect:

(A) An allowance for Net Revenues that would have been derived from each new connection to the Water System that, during all or any part of such Fiscal Year or twelve (12) calendar month period, was not in existence, in an amount equal to the estimated additional Net Revenues that would have been derived from each such connection if it had been made prior to the beginning of such Fiscal Year or twelve (12) calendar month period, and

(B) An allowance for Net Revenues that would have been derived from any increase in the rates, fees and charges fixed and prescribed for Water Service which, during all or any part of such Fiscal Year or twelve (12) calendar month period, was not in effect, in an amount equal to the estimated additional Net Revenues that would have been derived from such increase in rates, fees and charges if it had been in effect prior to the beginning of such Fiscal Year or twelve (12) calendar month period; or

(ii) A Certificate of the District or an Engineer's Report demonstrating that the estimated Net Revenues for each of the five (5) Fiscal Years next following the earlier of (i) the end of the period during which interest on the Contracts proposed to be executed, or the Bonds proposed to be issued (i) is to be capitalized or, if no interest is capitalized, the Fiscal Year in which the Contracts proposed to be executed, or the Bonds proposed to be issued, is executed or issued, or (ii) the date on which substantially all projects (including the 2013 Project) financed with the Contracts proposed to be executed, or the Bonds proposed to be issued, plus all projects (including the 2013 Project) financed with all existing Contracts and Bonds are expected to commence operations, will be at least equal to 110% of the Maximum Annual Debt Service and one hundred percent (100%) of any Policy Costs for such period; provided, that for the purpose of this section the foregoing estimated Net Revenues may be adjusted to reflect:

(A) An allowance for Net Revenues that are estimated to be derived from any increase in the rates, fees and charges for Water Service in effect and being charged or from any increase in the rates, fees and charges for Water Service that are expected to be charged; and

(B) An allowance for Net Revenues that are estimated to be derived from customers of the Water System anticipated to be served by the additions, betterments or improvements to the Water System to be financed by the Contracts proposed to be executed, or the Bonds proposed to be issued, together with any additional Contracts and Bonds expected to be executed or issued during such five (5) year period.

(iii) No event of default, or event which with the passage of time would constitute an event of default, shall exist hereunder.

Notwithstanding the foregoing provisions, the District may issue bonds and contracts the payment of which are subordinate to Bonds and Contracts and which are subordinate to the payment by the District of the Installment Payments without meeting the test provided in this Section 418.

Notwithstanding the foregoing provisions, the District may issue refunding Bonds and Contracts for the purpose of refunding any Bond or Contract without complying with the parity requirements set forth in (a)(i) and (a)(ii); provided that the Debt Service payable by the District for each Fiscal Year with respect to such refunding Contracts or Bonds is less than or equal to 105% of the Debt Service for each corresponding Fiscal Year for such Contracts or Bonds being refunded.

The District shall provide written notice to the Corporation upon the issuance of any additional Contracts and Bonds.

Section 419. Payments in Connection with the State Water Supply Contract. The District shall apply to the payments due for any Fiscal Year under that certain Water Supply Contract, by and between the District and the State of California Department of Water Resources, as amended, all amounts the District collects through the *ad valorem* assessment levied to pay such amounts.

ARTICLE V

(c) A court having jurisdiction shall enter a decree or order for relief in respect of the District in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the District or for any substantial part of its property, or ordering the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of sixty (60) days; or

Section 502. Remedies on Default; Suits at Law or in Equity and Mandamus; Payment of Interest at Default Rate.

(a) In case one or more of the events of default shall happen, then and in every such case, the Corporation may proceed to protect and enforce the rights vested in the Corporation by this Agreement by such appropriate judicial proceeding as the Corporation shall deem most effectual to protect and enforce any such right, either by suit in equity or by action at law, whether for the specific performance of any covenant or agreement contained in this Agreement or by law. The provisions of this Agreement and the duties of the District and of the officers, agents and employees thereof shall be enforceable by the Corporation by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

(b) Without limiting the generality of the foregoing, the Corporation shall have the right:

(i) Accounting. By action or suit in equity to require the District and its officers, agents and employees to account as the trustee of an express trust.

(c) Following an event of default under Section 501(a), in addition to the Interest Components, the District shall pay additional interest on the unpaid Principal Components at the rate of _____ percent (_____%) per annum so that the Corporation until such event of default is cured.

EXHIBIT “A”

DEFINITIONS

Agreement or the Installment Purchase Agreement. The term “Agreement” or “Installment Purchase Agreement” means the Installment Purchase Agreement, dated as of June 1, 2020, by and between the District and the Corporation, as supplemented or amended from time to time.

Assumed Interest Rate. The term “Assumed Interest Rate” means the amount of interest calculated in accordance with the following provisions:

(A) Generally. Except as otherwise provided in subparagraph (B) below with respect to Variable Interest Rate Contracts, in subparagraph (C) below with respect to Contracts or Bonds with respect to which a Payment Agreement is in force, and in subparagraph (D) below with respect to Balloon Contracts, interest on any Contracts or Bonds shall be calculated based on the actual amount of interest that is payable under such Contracts or Bonds;

(B) Interest on Variable Interest Rate Contracts. Interest deemed to be payable on any Variable Interest Rate Contract for periods when the actual interest rate can be determined shall be the actual Variable Interest Rates and for periods when the actual interest rate cannot yet be determined shall be calculated on the assumption that the interest rate on such Variable Interest Rate Contract would be equal to (i) the average rate that accrued on such Variable Interest Rate Contract over the preceding 12 months, or (ii) if the Variable Interest Rate Contract has not been accruing interest at a variable rate for 12 months, the average interest rate that accrued on an outstanding Variable Interest Rate Contract of the District for which interest is computed on substantially the same basis during the preceding twelve month period, or (iii) if no such comparable Variable Interest Rate Contract was outstanding during the 12 months preceding the date of calculation, then (x) if the interest on such Variable Interest Rate Contract is excluded from gross income for purposes of Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding 12 months, or, if that index is no longer published, a similar index selected by the District and acceptable to each credit enhancer providing credit enhancement for an outstanding Contracts or Bonds, or, if the District fails to select a replacement index, an interest rate equal to 80% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Variable Rate Interest Contract, or if there are no such Treasury Bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if interest on such Variable Interest Rate Contract is not excluded from gross income for purposes of Federal income taxation, 110% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Variable Rate Interest Contract, or if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

(C) Interest on Obligations with respect to which a Payment Agreement is in Force. Interest deemed to be payable on any Contracts or Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the District expected to be produced by the terms of such Contracts or Bonds and such Payment Agreement, including but not limited to the effects that (i) such Contracts or Bonds would, but for such Payment Agreement, be treated as an obligation bearing interest at a Variable Interest Rate instead shall be treated as an

obligation bearing interest at a fixed interest rate, and (ii) such Contracts or Bonds would, but for such Payment Agreement, be treated as an obligation bearing interest at a fixed interest rate instead shall be treated as an obligation bearing interest at a Variable Interest Rate; and accordingly, the amount of interest deemed to be payable on any Contracts or Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in such Contracts or Bonds plus the Payment Agreement Payments minus the Payment Agreement Receipts, and for the purpose of calculating as nearly as practicable the Payment Agreement Receipts and the Payment Agreement Payments under such Contracts or Bonds, the following assumptions shall be made:

(1) District Obligated to Pay Net Variable Payments. If a Payment Agreement has been entered into by the District with respect to Contracts or Bonds resulting in the payment of a net variable interest rate with respect to such Contracts or Bonds and Payment Agreement by the District, the interest rate on such Contracts or Bonds for future periods when the actual interest rate cannot yet be determined shall be assumed (but only during the period the Payment Agreement is in effect) to be equal to the sum of (i) the fixed rate or rates stated in such Contracts or Bonds, minus (ii) the fixed rate paid by the Qualified Counterparty to the District, plus (iii) the lesser of (A) the interest rate cap, if any, provided by a Qualified Counterparty with respect to such Payment Agreement (but only during the period that such interest rate cap is in effect) and (B) the applicable Variable Interest Rate calculated in accordance with paragraph (B) above; and

(2) District Obligated to Pay Net Fixed Payments. If a Payment Agreement has been entered into by the District with respect to Contracts or Bonds resulting in the payment of a net fixed interest rate with respect to such Contracts or Bonds and Payment Agreement by the District, the interest on such Contracts or Bonds shall be included in the calculation of Payments (but only during the period the Payment Agreement is in effect) by including for each Fiscal Year or twelve (12) calendar month period an amount equal to the amount of interest payable at the fixed interest rate pursuant to such Payment Agreement;

(D) Interest on Balloon Contracts. If any outstanding Contracts or Bonds constitute Balloon Contracts (and such Contracts or Bonds do not constitute Short-Term Obligations excluded from the calculation of the Payments pursuant to clause (E), below) or if Contracts or Bonds proposed to be incurred would constitute Balloon Contracts (and such Contracts or Bonds would not constitute Short-Term Obligations excluded from the calculation of the Payments pursuant to clause (E), below), then such Balloon Contracts shall be treated as if the principal amount of such Contracts or Bonds were amortized from the date originally incurred in substantially equal installments of principal and interest over a term of 30 years (provided, however, that the full principal amount of such Balloon Contract shall be included in making such calculation if such principal amount is due within 90 days of the date such calculation is being made); and, if interest accrues under such Balloon Contract at other than a fixed rate, the interest rate used for such computation shall be (x) if the interest on such Contracts or Bonds is excluded from gross income for purposes of Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding 12 months, or if that index is no longer published, a similar index selected by the District and acceptable to each credit enhancer providing credit enhancement for outstanding Contracts or Bonds, or if the District fails to select a replacement index, an interest rate equal to 80% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Contracts or Bonds on the date incurred, or if there are no such United States Treasury bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if the interest on such

Contracts or Bonds is not excluded from gross income for purposes of Federal income taxation, the rate equal to 110% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Balloon Contract, or, if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

(E) Exclusion of Certain Short-Term Obligations. If any outstanding Contracts or Bonds constitute Short-Term Obligations or if Contracts or Bonds proposed to be incurred would constitute Short-Term Obligations, and such Short-Term Obligations are or will be payable only out of Revenues of the Fiscal Year in which such Short-Term Obligations are incurred, then such Short-Term Obligations shall be disregarded and not included in calculating Payments;

ESCROW AGREEMENT

THIS ESCROW AGREEMENT is dated as of June 1, 2020, by and among the PALMDALE WATER DISTRICT (the “District”), the PALMDALE WATER DISTRICT PUBLIC FINANCING AUTHORITY (the “Authority”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, acting in its capacity as Escrow Bank (the “Escrow Bank”) pursuant to this Escrow Agreement (the “Agreement”).

WITNESSETH:

WHEREAS, the Authority issued its Water Revenue Bonds, Series 2013A (the “Prior Bonds”), pursuant to an Indenture of Trust (the “Prior Indenture”), dated as of May 1, 2013, by and between the Authority and the Escrow Bank, acting as trustee (the “Prior Trustee”); and

WHEREAS, the District and the Authority have determined that it is in its best interests and desirable that the outstanding Prior Bonds maturing on October 1, 2038 and October 1, 2043 (collectively, the “Defeased Bonds”), as more particularly described in Schedule A hereto, be defeased and redeemed on _____, 2020 at a redemption price equal to the principal amount thereof plus accrued interest to such date, without premium; and

WHEREAS, the District expects to provide funds necessary to defease the Defeased Bonds from a portion of the proceeds received by the District in connection with its execution and delivery of an Installment Purchase Agreement (the “Installment Purchase Agreement”), as described herein; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the District, the Authority and the Escrow Bank agree as follows.

SECTION 1. Creation of Escrow.

(a) The Escrow Bank agrees to establish and maintain the Escrow Fund until final payment of the Defeased Bonds has been paid in full and to hold the moneys therein at all times as a special and separate escrow fund (wholly segregated from all other moneys on deposit with the Escrow Bank). The District shall deposit with the Escrow Bank \$_____ of proceeds received under the Installment Purchase Agreement along with \$_____ held by the Prior Trustee in connection with the Defeased Bonds. All moneys in the Escrow Fund are hereby irrevocably pledged, subject to the provisions of Section 2 hereof, to secure the payment of the Defeased Bonds. The Escrow Bank shall hold the amounts in the Escrow Fund uninvested in cash.

(b) The Escrow Bank hereby acknowledges receipt of the verification report of [Causey Demgen & Moore, P.C.], dated _____, 2020 (the “Verification Report”) with respect to the District’s defeasance of the Defeased Bonds in the manner and to the extent provided by law and in Section 10.01 of the Prior Indenture.

SECTION 2. [Reserved].

SECTION 3. Payment of the Defeased Bonds. The District hereby requests and irrevocably instructs the Escrow Bank, and the Escrow Bank hereby agrees, from amounts on deposit in the Escrow Fund, to make the payment of the Defeased Bonds at the places and in the manner

stipulated in the Defeased Bonds and in the Prior Indenture. The Trustee previously provided a Notice of Redemption to the owners of the Defeased Bonds pursuant to Section 4.03 of the Prior Indenture with respect to the redemption of the Defeased Bonds on _____, 2020. In accordance with Sections 4.01 and 10.01 of the Prior Indenture, the Escrow Bank is irrevocably instructed to redeem the Defeased Bonds on _____, 2020 at a redemption price equal to the principal amount thereof, together with accrued interest thereon, without premium. Upon payment in full of the Defeased Bonds, the Escrow Bank shall transfer any moneys remaining in the Escrow Fund to the District and this Agreement shall terminate. The Escrow Fund cash flow is set forth in Schedule D attached hereto.

SECTION 4. Possible Deficiencies; Amounts in Excess of Required Cash Balance.

(a) If at any time the Escrow Bank has actual knowledge that the moneys in the Escrow Fund will not be sufficient to make all payments required by Section 3 hereof, the Escrow Bank shall notify the District in writing as soon as is reasonably practicable, of such fact, the amount of such deficiency and the reason therefor solely to the extent actually known to it.

(b) The Escrow Bank shall in no manner be responsible for any deficiency in the Escrow Fund.

SECTION 5. Fees and Costs.

(a) The District shall pay to the Escrow Bank from time to time reasonable compensation for all services rendered under this Agreement and shall reimburse the Escrow Bank for all out of pocket expenses (including reasonable legal fees and expenses) incurred hereunder.

(b) The fees of and the costs incurred by the Escrow Bank shall in no event be deducted or payable from, or constitute a lien against, the Escrow Fund.

SECTION 6. Merger or Consolidation. Any company into which the Escrow Bank may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Bank may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under this Agreement, shall be the successor to such Escrow Bank without the execution or filing of any paper or any further act, notwithstanding anything herein to the contrary.

SECTION 7. Indemnity. To the maximum extent permitted by law, the District hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated) to indemnify, protect, save and keep harmless the Escrow Bank and its respective successors, assigns, directors, officers, agents, employees and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, the Escrow Bank at any time (whether or not also indemnified against the same by the District or any other person under any other agreement or instrument, but without double indemnity) in any way relating to or arising out of the execution, delivery and performance of this Agreement, the establishment hereunder of the Escrow Fund, the acceptance of the funds deposited therein and any payment, transfer or other application of moneys by the Escrow Bank in accordance with the provisions of this Agreement; provided, however, that

the District shall not be required to indemnify the Escrow Bank against the Escrow Bank's own negligence or willful misconduct or the negligent or willful misconduct of the Escrow Bank's respective successors, assigns, agents and employees or the material breach by the Escrow Bank of the terms of this Agreement. In no event shall the District or the Escrow Bank be liable to any person by reason of the transactions contemplated hereby other than to each other as set forth in this section. The indemnities contained in this section shall survive the termination of this Agreement and the resignation or removal of the Escrow Bank.

SECTION 8. Responsibilities of the Escrow Bank. The Escrow Bank and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Agreement, the establishment of the Escrow Fund, the acceptance of the moneys deposited therein, the sufficiency of the amounts on deposit in the Escrow Fund to accomplish the defeasance of the Defeased Bonds or any payment, transfer or other application of moneys or obligations by the Escrow Bank in accordance with the provisions of this Agreement or by reason of any non-negligent act, non-negligent omission or non-negligent error of the Escrow Bank made in good faith in the conduct of its duties. The recitals of fact contained in the "Whereas" clauses herein shall be taken as the statements of the District and the Escrow Bank assumes no responsibility for the correctness thereof. The Escrow Bank makes no representation as to the sufficiency of the amounts on deposit in the Escrow Fund to accomplish the defeasance of the Defeased Bonds or to the validity of this Agreement as to the District and, except as otherwise provided herein, the Escrow Bank shall incur no liability with respect thereto. The Escrow Bank shall not be liable in connection with the performance of its duties under this Agreement except for its own negligence or willful misconduct, and the duties and obligations of the Escrow Bank shall be determined by the express provisions of this Agreement and no implied covenants or obligations shall be read against the Escrow Bank hereunder. The Escrow Bank may consult with counsel, who may or may not be counsel to the District, and in reliance upon the written opinion of such counsel shall have full and complete authorization and protection with respect to any action taken, suffered or omitted by it in good faith in accordance therewith. No provisions of this Agreement shall require the Escrow Bank to expend or risk its own funds or otherwise incur any financial liability by the performance or exercise of its rights or powers. Whenever the Escrow Bank shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Agreement, such matter may be deemed to be conclusively established by a certificate signed by an authorized officer of the District.

The Escrow Bank may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Escrow Bank may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Escrow Bank be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Bank has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Bank shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence

that is beyond the control of the Escrow Bank and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

The Escrow Bank shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Agreement and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Escrow Bank, or another method or system specified by the Escrow Bank as available for use in connection with its services hereunder); provided, however, that the District shall provide to the Escrow Bank an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the District whenever a person is to be added or deleted from the listing. If the District elects to give the Escrow Bank Instructions using Electronic Means and the Escrow Bank in its discretion elects to act upon such Instructions, the Escrow Bank’s understanding of such Instructions shall be deemed controlling. The District understands and agrees that the Escrow Bank cannot determine the identity of the actual sender of such Instructions and that the Escrow Bank shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Escrow Bank have been sent by such Authorized Officer. The District shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Escrow Bank and that the District and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the District. The Escrow Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Escrow Bank’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The District agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Escrow Bank, including without limitation the risk of the Escrow Bank acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Escrow Bank and that there may be more secure methods of transmitting Instructions than the method(s) selected by the District; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Escrow Bank immediately upon learning of any compromise or unauthorized use of the security procedures.

The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Escrow Bank will furnish the District periodic cash transaction statements which include detail for all investment transactions made by the Escrow Bank hereunder.

The Escrow Bank shall have no liability or responsibility for any loss resulting from any investment made in accordance with the provisions of this Agreement.

The Escrow Bank shall not be liable for the accuracy of any calculations provided as to the sufficiency of the moneys deposited with it to pay the principal, interest, or premiums, if any, on the Bonds.

SECTION 9. Amendments. This Agreement is made for the benefit of the District, the Authority and the owners from time to time of the Defeased Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such owners, the Escrow Bank and the District; provided, however, that if the District and the Escrow Bank receive an opinion of nationally recognized bond attorneys to the effect that the receipt of the Subsidy Payments with respect to the Prior Bonds, if any, will not be adversely affected thereby, they may, without the consent of, or notice to, such owners, amend this Agreement or enter into such agreements supplemental to this Agreement as shall not materially adversely affect the rights of such owners and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes: (i) to cure any ambiguity or formal defect or omission in this Agreement; (ii) to grant to, or confer upon, the Escrow Bank for the benefit of the owners of the Defeased Bonds any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such owners or the Escrow Bank; (iii) to include under this Agreement additional funds, securities or properties (but only if the sufficiency of the Escrow Fund for the purpose herein set forth is verified by a nationally recognized firm of independent certified public accountants) and shall hold funds received by it uninvested. The Escrow Bank shall be entitled to rely conclusively upon an unqualified opinion of nationally recognized municipal bond attorneys with respect to compliance with this Section 9, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the owners of the Defeased Bonds or that any instrument executed hereunder complies with the conditions and provisions of this Section 9.

SECTION 10. Resignation or Removal of Escrow Bank.

(a) The Escrow Bank may resign by giving not less than 30 days' notice in writing to the District, which notice shall be mailed to the owners of the Defeased Bonds remaining unpaid. The Escrow Bank may be removed upon 30 days' prior notice (1) by (i) filing with the District of an instrument or instruments executed by the owners of at least 51% in aggregate principal amount of the Defeased Bonds then remaining unpaid, and (ii) the delivery of a copy of the instruments filed with the District to the Escrow Bank, or (2) by a court of competent jurisdiction for failure to act in accordance with the provisions of this Agreement upon application by the District or the owners of 5% in aggregate principal amount of the Defeased Bonds then remaining unpaid.

(b) If the position of Escrow Bank becomes vacant due to resignation or removal of the Escrow Bank or any other reason, a successor Escrow Bank may be appointed by the District. Notice of such appointment shall be mailed by first class mail, postage prepaid, to the registered owners of the Defeased Bonds. Within one year after a vacancy, the owners of a majority in principal amount of the Defeased Bonds then remaining unpaid may, by an instrument or instruments filed with the District, appoint a successor Escrow Bank who shall supersede any Escrow Bank theretofore appointed by the District. If no successor Escrow Bank is appointed by the District or the owners of such Defeased Bonds then remaining unpaid, within 45 days after any such resignation or removal, the Escrow Bank may petition the appropriate court having jurisdiction for the appointment of a successor Escrow Bank. The responsibilities of the Escrow Bank under this Escrow Agreement will not be discharged until a new Escrow Bank is appointed and until the cash and investments held under this Escrow Agreement are transferred to the new Escrow Bank.

SECTION 11. Severability. If any section, paragraph, sentence, clause or provision of this Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, sentence, clause or provision shall not affect any of the remaining provisions of this Agreement.

SECTION 12. Execution of Counterparts. This Agreement may be executed in any number of counterparts, each of which shall for all purposes be deemed to be an original and all of which shall together constitute but one and the same instrument.

SECTION 13. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

SECTION 14. Definitions. Any capitalized term used but not otherwise defined in this Agreement shall have the meaning assigned to such term in the Prior Trust Agreement and the Indenture.

SECTION 15. Assignment. This Agreement shall not be assigned by the Escrow Bank or any successor thereto without the prior written consent of the District provided, however, that an assignment made pursuant to Section 6 hereof shall not require prior written consent.

SECTION 16. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Agreement, shall be a legal holiday or a day on which banking institutions in which the corporate trust office of the Escrow Bank is located are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Agreement; and no interest shall accrue for the period from and after such nominal date.
