Palmdale Water District
Water Awareness Program
2012-2013

Rules & Regulations

Grades 7 - 12

Water Science Project

1. Students participating in this contest will conduct a science project based around water in front a panel of judges composed of PWD Directors or appointed judges by PWD. The experiment should be no more than 15 minutes long and student should be organized with project/presentation notes. The experiment will be judged on presentation, originality, organization and neatness.

2. Participation shall be completely voluntary. All students interested in participating in this contest must complete a Presentation Request Entry Form available at the District office at 2029 East Avenue Q, Palmdale *beginning October 1, 2012.*

3. All materials used in the science project will be provided by the student.

4. Presentation Request Entry Form must be submitted no later than January 11, 2013 for scheduling purposes. Student will be notified of assigned presentation date no later than January 31, 2013.

5. Contest entries shall be limited to 7th, 8th, 9th, 10th, 11th and 12th grade students only. Participating schools must be within Palmdale School District boundaries. Home schools, private schools and charter schools within Palmdale School District boundaries may enter.

6. Winning student will be notified by mail and phone no later than February 28, 2013 and invited to award presentation *(date to be determined)*.

7. Pictures or videos of presentation become the property of the Palmdale Water District and may be displayed or used at Palmdale Water District events and Palmdale Water media. Student's name and photo will be posted on the District's website and other media sources the District feels is appropriate.

8. Cash prizes will be awarded for 1st, 2nd and 3rd places.
