PALMDALE WATER DISTRICT
A CENTURY OF SERVICE

New
Water Ambassadors Academy
Fall 2018
Now accepting applications!

Palmdale Water District (PWD) is launching a Water Ambassadors Academy to give interested community members the opportunity to learn in-depth about PWD's history, infrastructure, facilities, water sources, and future projects.

The goal of this new program is to engage and educate a diverse network of individuals in the PWD service area who will become water ambassadors in their communities so that more people become familiar with PWD. Ambassadors will also be encouraged to refer and nominate others to future academy sessions.

Fall 2018 Water Ambassadors Academy Details:
The academy is structured into four (4) separate sessions, each covering a different topic. Three (3) weekday sessions and one (1) weekend session.

- **Session 1: PWD History and Water Supply Sources**
  Wednesday, September 19, 2018
  5:30 p.m.- 7:30 p.m.
  PWD Board Room
- **Session 2: Infrastructure/Organization/Operation**
  Wednesday, September 26, 2018
  5:30 p.m.- 7:30 p.m.
  PWD Board Room
- **Session 3: Planning for the Future**
  Wednesday, October 3, 2018
  5:30 p.m.- 7:30 p.m.
  PWD Board Room
- **Session 4: Littlerock Dam and Reservoir & Water Treatment Plant Tour/Graduation**
  Saturday, October 6, 2018
  9 a.m.- 1 p.m.
  PWD Board Room

Applicants selected for the program must commit to all four scheduled sessions. There are no fees, tuition or charges to participate in the Water Ambassadors Academy. Space is limited.

If you would like more information, please contact Public Affairs Director Judy Shay at jshay@palmdalewater.org or 661-456-1041.

To submit your applications, please go to *palmdalewater.org/waterambassadors*. The deadline to submit is August 31, 2018.

*Dinner will be provided before each evening session begins.
