Rate Assistance Program

The Palmdale Water District is excited to be introducing a new Rate Assistance Program. Beginning in January 2015, this program will offer rate assistance to low-income households by covering up to 50% of monthly charges.

Key factors and eligibility requirements of the program:

- Will cover up to 50% of monthly service charges
- Program is offered on a first-come, first-serve basis
- All low income property owners and renters are encouraged to apply
- Priority is provided to customers who are low-income seniors aged 62 and older
- Must qualify for SoCal Edison's or Southern California Gas' CARE program
- Must qualify by income levels set by the Public Utilities Commission Alternative Rates for Energy
- Must be a District residential customer with a 5/8" or 3/4" water meter
- Must provide verification of age and household income
- May not be claimed as a dependent on another person's federal or state income tax return
- May be required to provide proof of ownership and other supporting documents by means requested by the District
- Must reapply annually and/or each time you move
- Must notify the District within thirty (30) days if you become ineligible
- Assistance is not transferable with property or applicant
