

WANTED:

Water Super Heroes for 2021 Earth Day Poster Contest

PALMDALE WATER DISTRICT IS HOSTING A "BE A WATER HERO" POSTER CONTEST FOR GRADES K-8!

In celebration of Earth Day, we want young water super heroes to submit posters that show how they are water heroes by conserving water for the future.

The poster must be at least 8 ½ x 11 inches in size and include the artist's name, grade, teacher and school. The artwork also should include a creative title, ways you conserve water, how you are a water hero, and a brief message about the importance of Earth Day. Be creative!

One entry per student is allowed. All entries are due at the Palmdale Water District no later than 4 p.m. on April 19, 2021. Entries will be judged on creativity, completeness, and neatness. First, 2nd and 3rd place prizes will be awarded to individual students and teachers in each grade group (K-2, 3-4, 5-6 and 7-8).

Submit entries online to water_conservation@palmdalewater.org. Please include the teacher's name, school, grade level, and school phone number in the email.

Note: Only schools within PWD's service boundaries are eligible to participate. Notification letters of winning entries will be mailed to schools by April 22, 2021. All entries become the property of PWD.

Distribution of this flyer is for information purposes only and does not necessarily constitute or imply endorsement, recommendation or favoring by the Palmdale School District. Participation in any event or activity sponsored by this organization is strictly voluntary and is not in any way a school-sponsored activity of the Palmdale School District. Parents and guardians are solely responsible for determining suitability for their child. If you have any questions, please contact the organization on the flyer.
