## **JOIN DIRECTOR ROBERT E. ALVARADO FOR COFFEE ON MARCH 14**

*Palmdale, CA* – Palmdale Water District (PWD) Board Director

Robert E. Alvarado will meet with constituents and answer questions at Coffee with a PWD Director from 9:30-11:30 a.m. Saturday, March 14, at Pedro's Mexican and Seafood Restaurant, 2260 E. Palmdale Blvd., Suite A, in Palmdale.

Coffee with a PWD Director events give customers the opportunity to meet their representatives and ask water-related questions in a casual environment. All Board directors will be holding coffee events throughout the year. PWD will buy the first cup of coffee for community members who attend.

“Being active in my community and engaging with people means a lot to me, and these coffee events have been a great way to have meaningful conversations with the people we represent,” Director Alvarado said.

“Anyone who is interested in becoming better informed about PWD and what the Board does should come and have a cup of coffee with me.”

The Director moved to the Antelope Valley in 1986 and has lived in Palmdale since 1997. He has served in leadership positions at local, regional and state levels. For more than 30 years, he has been educating English-language learners in the Lancaster School District and was its Classified Employee of the Year in 2002. He was first elected to the Board in November 2011. His current term expires in November 2020.

Director Alvarado represents Division 1, which roughly borders Avenue P to the north, Avenue R to the south, 35th Street to the east and Highway 14 to the west.

Since 1918, the Palmdale Water District has provided high-quality water at a reasonable cost. We pride ourselves on providing great customer care; advocating for local water issues that help our residents; educating the community on water-use efficiency; and leading our region in researching and implementing emerging technologies that increase operational efficiency.
