Palmdale Water District

Water-Wise Workshop: Healthy Trees/Plants in the Winter

Wednesday, November 9, 2022
5-6 p.m.
2029 East Ave. Q, Palmdale

Learn how to winterize your plants/trees during the cold winter season and discover different plants/trees that do well during the harsh climate. Also, Antelope Valley Resource and Conservation District will share information about its lawn rebate program.

Guest speaker: Derek Winkel, Nursery Manager, Antelope Valley Resource and Conservation District

Win a freeze protection plant cover!

The FREE event will be at PWD, 2029 East Avenue Q, Palmdale. Attendance will be limited, and registration is required.
