RE: *APPROVAL OF CALIFORNIA QUITCLAIM DEED FOR A.P.N. 3008-011-011, ROBERT L TAYLOR TRUST. (NO BUDGET IMPACT - ENGINEERING MANAGER ROGERS)*

Recommendation:

Staff recommends that the Board approve the California Quitclaim Deed for APN No. 3008-011-011, Robert L Taylor Trust, and authorize General Manager LaMoreaux to execute said California Quitclaim Deed.

BOARD MEMORANDUM

DATE: May 13, 2024
TO: BOARD OF DIRECTORS
FROM: Mr. Jim Stanton, Information Technology Manager
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: ***APPROVAL OF AUTHORIZATION TO PURCHASE CISCO FIREWALL EQUIPMENT. (\$65,515.61 – NON-BUDGETED – INFORMATION TECHNOLOGY MANAGER STANTON)***

Recommendation:

Staff recommends returning to Cisco Firewalls after the recently discovered exploit in all Palo Alto Firewalls currently used by the District.

Alternative Options:

The Board can choose for the District to remain at risk and keep the existing Palo Alto Firewalls.

Impact of Taking No Action:

Additional unknown exploits could place the District network in jeopardy.

Background:

On April 15, 2024, staff was made aware of a Zero-Day exploit affecting Palo Alto firewalls. On April 17th, we observed unusual traffic by our Palo Alto Firewall at the Main Office. Investigation revealed the device was vulnerable to the exploit. By working with multiple vendors, we were able to remedy the issue. However, during the event, the “support” we received was frustrating and limited. We were handed off and ignored by multiple Palo Alto experts and engineers, even spending over 5 hours on hold. The devices were patched at 3 a.m. on April 18th and fully remediated on April 19th. Staff spent over 40 hours dealing with this event. At no time did we see any evidence of data loss nor penetration into our network. The layered defense we have protected us and alerted us to the unusual activity.

Staff is requesting to replace the Palo Alto Firewalls with Cisco Firepower Firewalls. The District explored this option when we evaluated the Palo Alto Firewalls but the cost at that time was over \$125,000.00. This cost difference was the primary factor in selecting Palo Alto. The District can now purchase the same protection with proven support with the Cisco Firepower Firewalls at a reduced cost.

Strategic Plan Initiative/Mission Statement:

This item is under Strategic Initiative No. 3 – Systems Efficiency.

This item directly relates to the District's Mission Statement.

Budget:

This item non-budgeted and has a one-time cost of approximately \$65,515.61.

RE: *CONSIDERATION AND POSSIBLE ACTION ON SERGEANT STEVE OWEN SCHOLARSHIP DONATION IN APPRECIATION OF LOCAL LAW ENFORCEMENT. (\$1,000.00 – NON-BUDGETED – PRESIDENT MAC LAREN-GOMEZ)*

Recommendation:

Staff has no recommendation on this item.

Alternative Options:

The Board can choose not to approve the scholarship donation.

Impact of Taking No Action:

There is no impact to the District from taking no action.

Background:

Antelope Valley Law Day is an annual event that celebrates the rule of law and honors outstanding law enforcement officers and distinguished members of the Greater Antelope Valley legal community. This special day recognizes the dedication and service of law enforcement officers who uphold justice and protect the community, including water districts. The law enforcement task force was able to shut down many of the illegal grow operations and preserve our water supply. This day also pays tribute to legal professionals who play a vital role in ensuring justice is served.

Friends of the Antelope Valley Fair hosted the Law Appreciation Day luncheon on May 3, 2024. This event also featured a speech contest and art competition by local high school student on the subject “Voices of Democracy.” Due to the timing of the received sponsorship request, staff was not able to present this item for the Board’s consideration until today’s meeting. Although the luncheon has already taken place, there is still an opportunity for the District to provide a donation towards the Sergeant Steve Owen Scholarship Fund in appreciation of local law enforcement.

RE: *CONSIDERATION AND POSSIBLE ACTION ON RESOLUTION NO. 24-3 SUPPORTING THE LOS ANGELES COUNTY WATER PLAN. (NO BUDGET IMPACT – GENERAL MANAGER LaMOREAUX)*

Recommendation:

Staff recommends adopting Resolution No. 24-3 in support of the Los Angeles County Water Plan (Plan).

Alternative Options:

There is no alternate action for this item.

Impact of Taking No Action:

There is no impact to the District for not taking action on this item.

Background:

Los Angeles County Department of Public Works started a process several years ago to develop a county-wide water plan. The District participated in the process on two specific workgroups. One dealt with Groundwater Management and Quality. The other focused on Infrastructure Resilience and Drinking Water Equity which included discussion about at-risk small water systems.

The District's input did help shape some aspects of the Plan. However, it remains largely focused on the County's area south of the Antelope Valley. An example of this is in "Appendix B – Targets; Section O – Maintain a minimum of 75% Average Available Capacity in Deris Basins and 80% Average Capacity in Reservoirs; Table 27 – Reservoir and Dam Capacity" shown below. The information for Littlerock Dam and Reservoir was submitted and disregarded.

LA COUNTY WATER PLAN EXECUTIVE SUMMARY

OUR ROUTE TO RESILIENCE, TOGETHER

Climate change is establishing a “new normal” of more frequent and intense droughts, as well as less frequent and more torrential rains. Recognizing a new climate reality and the need to be thoughtful stewards of future water supplies, the Los Angeles County Board of Supervisors envisioned the development of a countywide water plan focused on collaborative management of Los Angeles County’s water resources. Los Angeles County Public Works (Public Works) developed this Los Angeles County Water Plan (CWP), together with water resources organizations, and an array of diverse stakeholders, to secure Los Angeles County’s water future and achieve our collective vision of equitable and sustainable water resources for everyone. The CWP builds upon the 2019 OurCounty Sustainability Plan, establishing the path to realizing our vision that is rooted in cross-sector collaboration and coalition building.

VISION

The CWP articulates a shared, inclusive, regional path forward to sustainably and equitably achieve safe, clean, and reliable water resources for Los Angeles County.

SHARED OPPORTUNITIES FOR WATER RESILIENCE

THE CWP FOCUSES ON ACHIEVING REGIONAL WATER RESILIENCE THROUGH COLLABORATIVE STRATEGIES. Over 200 agencies in Los Angeles County manage a complex network of water systems to meet the needs of our communities and environment. To achieve sustainability, resilience, and equity, cross-sector teamwork and a holistic approach to best leverage natural systems and infrastructure are essential. This plan is a living document. The targets, strategies, and actions are a starting point in this effort.

The CWP is not intended to address every water-related issue in Los Angeles County. Instead, it builds upon and complements the many existing local and regional water planning efforts by focusing on four key focal areas where new or additional regional collaboration can add value. These four key focal areas were established through a gaps analysis, which included a review of local and regional planning documents, along with initial stakeholder discussions encompassing a variety of perspectives. For each of the four key focal areas, the CWP describes shared desired outcomes, identified by Public Works through discussions with numerous groups and individuals. During our gaps analysis, Public Works evaluated disparities in water resilience throughout the County and specifically selected a focal area to address a pressing need. The CWP provides an approach for achieving these desired outcomes through collaboration and a platform for measuring progress.

CWP Four Key Focal Areas

REGIONAL WATER SUPPLY RELIABILITY

Improving regional water supply reliability by better leveraging our collective local and imported water resources and infrastructure.

GROUNDWATER MANAGEMENT AND QUALITY

Realizing our shared groundwater management opportunities by sharing expertise and resources to overcome challenges.

SMALL, AT-RISK SYSTEM RESILIENCE AND DRINKING WATER EQUITY

Ensuring a consistently high standard of water service for everyone in Los Angeles County by providing regional support for small systems, with focused attention to under-resourced communities.

WATERSHED SEDIMENT MANAGEMENT

Mitigating the impacts of wildfire on our water supplies through coordinated efforts between land and water managers.

REGIONAL STRATEGIES, REGIONAL BENEFITS

The CWP is organized around a framework of targets and strategies, which are supported by specific actions. Targets measure collective progress toward the shared desired outcomes for the key focal areas of the CWP. These targets are intended to help Los Angeles County achieve regional water resilience by 2045. See Chapter 2 for more on targets. Public Works will publish an interactive dashboard to track progress toward these targets. Strategies provide the overarching approaches to achieving the targets. Actions support the strategies and include specific steps to drive results, along with timing, responsible agencies, and potential participants.

VALUES GUIDING FUTURE ACTION

At the onset of CWP development, Public Works proactively reached out to a diverse group of stakeholders to understand what matters to them. We identified several broad, overarching values for the CWP through these conversations. Some of these values provided core tenets to our overall process for preparing the CWP. Others guided us in establishing targets, strategies, and actions. Other values, while not directly addressed through the actions in the CWP, will continue to inform how water resource management is approached to achieve sustainable and equitable outcomes. Each of these values will guide future iterations of the plan, as well as steps taken throughout CWP implementation.

These values are aligned with LA County's Anti-Racism, Diversity, and Inclusion (ARDI) Initiative, which aims to guide the County by offering training and capacity building; technical assistance and planning; policy analysis and development; data collection; analysis and reporting; community, tribal, and other stakeholder engagement; and equity-infused resourcing and programming to help reach its goals.

CWP VALUES

- Strive for equitable benefits and impacts of water resource management decisions
- Ensure inclusive, diverse, multigenerational, and sustained tribal and community engagement
- Use data to inform policies, priorities, and practices
- Encourage multi-benefit projects and green infrastructure
- Promote capacity building of a local, skilled workforce
- Incorporate tribal knowledge into water management
- Integrate the knowledge and experiences of local communities in water planning
- Ensure CWP is actionable and adaptable
- Address climate resiliency
- Establish clear communications (outline priorities, listen, incorporate feedback, maintain dialogue)
- Implement vegetated/nature-based solutions

The CWP outlines a path to achieve a resilient water future for all Los Angeles County residents. Everyone has a role in successfully realizing the CWP. By working across County departments and with other partners, actively engaging Tribes and other stakeholders, seeking funding to support CWP implementation, and tracking and reporting on progress, we are committed to facilitating the ongoing collaboration that is core to making the CWP successful.

CENTRAL THEMES FOR A PATH AHEAD

To lead the way on regional initiatives, the CWP was developed with resilience, equity, sustainability, and engagement as central themes. These themes will guide CWP implementation and its future iterations to create reliable water resources for all communities in Los Angeles County.

RESILIENCE

Water resilience refers to the capacity of communities and the environment to adapt to changes in the availability of water resources resulting from extreme and shifting weather patterns, as well as other stressors.

EQUITY

Water equity entails ensuring that all people and communities can depend on water management institutions and infrastructure to provide equal access to clean, safe, high-quality, and affordable water.

SUSTAINABILITY

Sustainable water management involves using water resources in a manner that fulfills current ecological, social, and economic needs without compromising the ability to meet those needs in the future.

ENGAGEMENT

Engagement means actively reaching out to and collaborating with a diverse and representative range of stakeholders to develop and implement water management policies and programs.

A FORWARD-LOOKING LIVING DOCUMENT

THE CWP IS A LIVING DOCUMENT. This inaugural 2023 Edition of the CWP marks the first iteration for this regional planning effort and focuses on water supply resilience. As a living document, future iterations of the CWP are intended to evolve and adapt to meet Los Angeles County's changing water resources needs.

WHAT IS IT? The CWP is a forward-looking strategic plan that crafts a vision for the region's water resources management. The CWP articulates strategies to align efforts both small and large in order to launch Los Angeles County on a successful path towards water supply resilience.

WHO IS IT FOR? Water knows no city or county boundaries. The CWP is a plan for the County region as a whole, not a single locality or governing body. The CWP was developed to serve – collaboratively with local agencies and stakeholders – the people and communities of Los Angeles County.

THE CWP FILLS CURRENT GAPS TO ENHANCE THE REGION'S WATER RESILIENCE. Recognizing that there are so many ambitious efforts already underway in Los Angeles County, the CWP takes a bird's-eye view on what else can be done to optimize, leverage, and align programs and processes. While the CWP does not attempt to reinvent the wheel or address every water-related issue, it complements existing efforts and fills in the gaps for matters not currently being addressed at a regional level. The CWP does not address activities best managed at the Federal, State, or local levels, nor does it recommend specific projects subject to environmental analysis or duplicate other ongoing efforts. As a strategic plan, the CWP does not supersede land use plans that have been adopted by the Board of Supervisors.

BOARD MEMORANDUM

DATE: May 13, 2024
TO: BOARD OF DIRECTORS
FROM: Mr. Scott Rogers, Engineering Manager
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: ***CONSIDERATION AND POSSIBLE ACTION ON RESOLUTION NO. 24-4 ADOPTING AN AMENDMENT TO APPENDIX I, MAIN EXTENSION REIMBURSEMENT RATES, OF THE PALMDALE WATER DISTRICT'S RULES AND REGULATIONS. (NO BUDGET IMPACT – ENGINEERING MANAGER ROGERS)***

Recommendation:

Staff recommends that the Board approve Resolution 24-4 Adopting an Amendment to Appendix I, Main Extension Reimbursement Rates, of the District's Rules and Regulations.

Alternative Options:

The alternative is to not amend Appendix I.

Impact of Taking No Action:

Failure to achieve strategic objectives set by the Board.

Background:

The District's main extension reimbursement rates (Appendix I) were last updated and adopted by the Board in 2008. Based on the current Appendix I, the reimbursement rate is \$8 per inch diameter per frontage foot of water main where only one side of the street subsequent connections can be made and \$4 per inch diameter of the frontage foot of the water main for both sides where subsequent connections can be made.

Staff analyzed a possible increase to these rates by using the Construction Cost Index (CCI) from the Engineering News Record (ENR) from July 2008 and April 2024, where the indexes were 9335.69 and 15219.84, respectively. The percentage difference is roughly a 63-percent increase. Based on the difference in the index, the rate should be \$13.04 per inch diameter per frontage foot of water main and \$6.52 for the conditions identified above.

Additionally, staff looked at the historical development total project costs per inch diameter per frontage footage of water main to determine if a 50-percent reimbursement target is achieved with the rates from the increase from CCI change. It was determined that the rate should be increased to \$14.00 per inch diameter and \$7.00 per inch diameter to achieve the 50 percent overall project cost target.

May 13, 2024

Staff is proposing an increase to the District's main extension reimbursement rates based on the findings above.

BOARD MEMORANDUM

DATE: May 13, 2024
TO: BOARD OF DIRECTORS
FROM: Mr. Scott Rogers, Engineering Manager
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: *CONSIDERATION AND POSSIBLE ACTION ON AWARD OF CONTRACT TO CALIAGUA, INC. FOR THE CONSTRUCTION OF WELL 36 EQUIPPING. (\$4,258,230.00 – BUDGETED – PROJECT NO. 20-622 – ENGINEERING MANAGER ROGERS)*

Recommendation:

Staff recommends that the Board award a contract to Caliagua, Inc. in the amount of \$4,258,230.00 for the construction of Well 36 Equipping under Project Number 20-622.

Alternative Options:

Reject all bids, re-design, and rebid the project later in the year.

Impact of Taking No Action:

The potential impact from taking no action would result in not being able to put the newly drilled Well 36 into production.

Background:

Staff solicited bids from qualified contractors to construct and furnish, but not limited to, all materials, equipment, tools, labor, and incidentals to equip a new 600-horsepower motor and pump on the recently constructed well. Completion of this project would increase the reliability of the District's water supply and allow flexibility to produce and meet our groundwater rights.

The total bid price in the bid proposal submitted by Caliagua, Inc. was \$4,258,230.00. A bidder's bond of 10 percent of the total bid price was submitted with the bid proposal. Travelers Casualty and Surety Company of America is the surety company providing the bid bond.

The criterion for responsibility pertains to whether the bidder is regularly engaged in this type of work and whether they can perform the work satisfactorily as promised. The contractor must provide payment and performance bonds to protect the District's interest.

Caliagua, Inc., as the lowest responsive, responsible bidder, holds a valid worker's compensation insurance policy (Policy number UB2X358459 with Travelers Property Casualty Company of America, effective October 1, 2023, through October 1, 2024).

The contractor's past performance record has been utilized to evaluate the general competency of the contractor for the work. To demonstrate the bidder's capability and experience of successfully completing similar projects, the bid documents require that the contractor submit a

list of all projects completed by the contractor during the last three years involving work of similar type and complexity and comparable value.

The bid's responsiveness pertaining to compliance with the material terms of the bid documents has been reviewed and deemed acceptable.

Caliagua, Inc. as the lowest responsible bidder, has met the criterion of providing the lowest bid price of qualified firms at \$4,258,230.00. The difference to the next lowest bidder is \$127,870.00, or 2.92 percent.

Strategic Plan Initiative/Mission Statement:

This item is under Strategic Initiative No. 1 – Water Resource Reliability, and No. 3 – Systems Efficiency.

This item directly relates to the District's Mission Statement.

Budget:

This work is budgeted under Project Number 20-622.

BOARD MEMORANDUM

DATE: May 13, 2024
TO: BOARD OF DIRECTORS
FROM: Mr. Scott Rogers, Engineering Manager
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: ***CONSIDERATION AND POSSIBLE ACTION ON AWARD OF CONTRACT TO AMERICAN PIPELINE SERVICES FOR THE AVENUE Q RECYCLED WATER PIPELINE. (\$2,094,670.00 – BUDGETED – PROJECT NO. 22-605 AND 22-656 – ENGINEERING MANAGER ROGERS)***

Recommendation:

Staff recommends that the Board award American Pipeline Services a contract for the Avenue Q Recycled Water Pipeline in the amount of \$2,094,670.00.

Alternative Options:

The alternative is to reject all bids and rebid the project.

Impact of Taking No Action:

The potential impact of taking no action would result in being unable to convey recycled water from the existing recycled water pipeline on 30th Street East to the Pure Water AV Demonstration Facility and not utilizing the Proposition 1 grant funding awarded by the State.

Background:

Staff solicited bids from qualified contractors to construct 4,900 linear feet of 12-inch and 110 feet of 4-inch PVC recycled water pipelines along East Avenue Q from 30th Street East to 20th Street East including a new recycled bulk water station with associated site work, plumbing, and electrical work. The project also includes water improvements, sanitary sewer work, and street improvements associated with the Pure Water AV Demonstration Facility in the amount of \$617,483.00.

The total bid price in the bid proposal submitted by American Pipeline Services was \$2,094,670.00. A bidder's bond in the amount of 10 percent of the total bid price was submitted with the bid proposal. The surety company providing the bid bond is American Contractors Indemnity Company.

The contractor's past performance record has been utilized to evaluate the general competency of the contractor for the performance of the work. To demonstrate the bidder's capability and experience of having completed similar projects successfully, the bid documents require that the contractor submit a list of all projects completed by the contractor during the last three years involving work of similar type and complexity and comparable value.

Responsiveness of the bid pertaining to compliance with the material terms of the bid documents has been reviewed and deemed acceptable.

American Pipeline Services as the lowest responsible bidder, has met the criterion of providing the lowest bid price of qualified firms at \$2,094,670.00. The lowest qualified bid price is \$79,107.00, or 3.6 percent lower than the next lowest bidder.

Strategic Plan Initiative/Mission Statement:

This item is under Strategic Initiative No. 1 – Water Resource Reliability, and No. 3 – Systems Efficiency.

This item directly relates to the District’s Mission Statement.

Budget:

This item is budgeted under Project No. 22-605 in the amount of \$1,477,187.00 and under Project No. 22-656 in the amount of \$617,483.00.

This letter represents that American Pipeline Services will provide the items listed on the material source sheets submitted May 1, 2024.

The reason APS submitted (2) sets of material source provider sheets was that the suppliers quotes, and certain line items were not timely or consistent at the time of bid submission. APS has clarified these errors and corrected the material source sheets to reflect the changes.

BOARD MEMORANDUM

DATE: May 13, 2024
TO: BOARD OF DIRECTORS
FROM: Mr. Dennis Hoffmeyer, Finance Manager/CFO
VIA: Mr. Dennis D. LaMoreaux, General Manager
RE: ***CONSIDERATION AND POSSIBLE ACTION ON APPROVAL OF RESOLUTION NO. 24-5 BEING A RESOLUTION OF THE BOARD OF DIRECTORS OF THE PALMDALE WATER DISTRICT AUTHORIZING THE EXECUTION AND DELIVERY OF A WIFIA MASTER AGREEMENT AND CERTAIN OTHER DOCUMENTS AND AUTHORIZING CERTAIN ACTIONS IN CONNECTION THEREWITH. (FINANCE MANAGER HOFFMEYER)***

Recommendation:

Staff recommends that the Board adopt Resolution No. 24-5 being a Resolution of the Board of Directors of the Palmdale Water District Authorizing the Execution and Delivery of a WIFIA Master Agreement, and Certain Other Documents, and Authorizing Certain Actions in Connection Therewith.

Alternative Options:

The Board can choose not to adopt these Resolutions and instruct staff to seek alternative financing methods to pay for the capital projects it would like to complete.

Impact of Taking No Action:

The impact from no action would result in the District's inability to enter into the WIFIA loans for financing the construction of the capital projects it intends to complete.

Background:

Currently the total Pure Water Antelope Valley ("AV") capital, financing, and debt service reserve fund costs are estimated at \$297 million (including construction contingency). The District is pursuing multiple financing sources for the Pure Water AV project, including cash, grants, bond financing, and loans through the Water Infrastructure Finance and Innovation Act ("WIFIA") program.

The District plans to enter into a WIFIA Master Agreement with the United States Environmental Protection Agency ("EPA") to provide funding for up to 49% of the current estimates for the total project costs. Accordingly, the District staff are requesting authorization to enter into a WIFIA Master Agreement for up to \$145,555,000. Entering into the WIFIA Master Agreement sets up a framework for future WIFIA loans but does not obligate the District to enter into any subsequent WIFIA loans.

Once the WIFIA Master Agreement is adopted, the District can enter into multiple WIFIA loans over the next five years under the WIFIA Master Agreement, so long as the combined total of the loans does not exceed the \$145,555,000 maximum. Each WIFIA Loan under the WIFIA Master Agreement will have its own WIFIA Loan Agreement and will have its own interest rate, dates, and repayment structure set when the District enters into each respective WIFIA Loan.

Following Board approval of the WIFIA Master Agreement, District staff will seek approval to enter into a 2024 WIFIA Loan to provide up to \$14,805,000 in funding for the Pure Water AV Project (to be considered as a separate Board agenda item from this WIFIA Master Agreement). Staff also plan to enter into a second, larger WIFIA loan in 2026 to secure the remaining capacity under the WIFIA Master Agreement to fund the construction of the Advanced Water Purification Facility.

Each loan under the WIFIA Master Agreement will comply with the terms and conditions outlined in the master (e.g., security, lien status, rate covenant, additional bonds test, etc.). The District has closed its senior lien which means all debt (with the exception of refunding senior debt) will be issued on a subordinate lien basis and debt service on all subordinate obligations will be paid after the senior lien debt service is paid. Similar to the District's other outstanding debt, the WIFIA Master Agreement requires that the District maintain net revenues equal to 110% of debt service in any given year. Additionally, in order for the District to enter into future debt, the District must comply with the subordinate lien additional bonds test (which is the same as the additional bonds test on the 2024A Bonds).

By adopting the attached Resolution, in combination, the District and Authority are taking the following steps:

1. Approval of the WIFIA Master Agreement, wherein the District enters into a broad agreement with the EPA regarding the structure of all WIFIA Loans issued under the WIFIA Master Agreement. The WIFIA Master Agreement builds out the structure of all subsequent WIFIA Loans.
2. Authorizing and directing the specified District staff to do any and all things and deliver any and all documents which they may deem necessary in order to carry out the terms of the resolutions.

Strategic Plan Initiative/Mission Statement:

This item is under Strategic Initiative No. 1 – Water Resource Reliability and Strategic Initiative No. 4 – Financial Health and Stability.

This item directly relates to the District's Mission Statement.

RESOLUTION NO. 24-5

RESOLUTION OF THE BOARD OF DIRECTORS OF THE PALMDALE WATER DISTRICT AUTHORIZING THE EXECUTION AND DELIVERY OF A WIFIA MASTER AGREEMENT AND CERTAIN OTHER DOCUMENTS AND AUTHORIZING CERTAIN ACTS IN CONNECTION THEREWITH

WHEREAS, the Palmdale Water District (the “District”), an irrigation district duly organized and existing under and pursuant to the Constitution and laws of the State of California, is a member of the Palmdale Water District Public Financing Authority (the “Authority”) and proposes to undertake the acquisition of certain improvements to the District’s water system (as more particularly described in the WIFIA Master Agreement referred to below, the “WIFIA Project”); and

WHEREAS, the District has determined that it would be in the best interests of the District and citizens of the community to authorize the entry into one or more installment purchase agreements (each such installment purchase agreement a “WIFIA Installment Purchase Agreement”) with the Authority and the United States Environmental Protection Agency (the “WIFIA Lender”) to acquire the WIFIA Project; and

WHEREAS, in order to fulfill its obligation to the District under the WIFIA Installment Purchase Agreements, the Authority proposes to obtain one or more loans under the authority of the Water Infrastructure Finance and Innovation Act (the “WIFIA Loans”) from the WIFIA Lender pursuant to a master agreement among the Authority, the WIFIA Lender and the District (the “WIFIA Master Agreement”), and one or more loan agreements (each a “WIFIA Loan Agreement”) among the Authority, the WIFIA Lender and the District pursuant to one or more term sheets (each a “WIFIA Term Sheet”); and

Master Agreement. The WIFIA Master Agreement shall not constitute a contract between the District and the WIFIA Lender by which the District incurs an indebtedness.

SECTION 3. Each Authorized Officer is hereby authorized to execute future WIFIA Loan Agreements, WIFIA Term Sheets and WIFIA Installment Purchase Agreements in accordance with the WIFIA Master Agreement (including any amendments or supplements to the WIFIA Master Agreement and documents and certifications necessary or advisable to effectuate WIFIA Loans under such agreements) so long as the total principal amount of all WIFIA Loans does not exceed \$145,555,000.

SECTION 4. The Authorized Officers, District general counsel and bond counsel and such other officers and staff of the District are authorized and directed, acting singly, to do any and all things and to execute, deliver and implement any and all documents which such officers may deem necessary or advisable in order to consummate the execution and delivery of the WIFIA Master Agreement, and otherwise effectuate the purposes of this Resolution and the WIFIA Master Agreement, and such actions in connection therewith previously taken by such officers and staff are hereby ratified and confirmed.

SECTION 5. The Authorized Officers, District general counsel and bond counsel and such other officers and staff of the District are authorized and directed, acting singly, to do any and all things and to execute, deliver and implement any and all documents which such officers may deem necessary or advisable in order to consummate the execution and delivery of future WIFIA Loan Agreements, WIFIA Term Sheets, and WIFIA Installment Purchase Agreements and otherwise effectuate the purposes of this Resolution, and such actions in connection therewith previously taken by such officers and staff are hereby ratified and confirmed.

SECTION 6. Unless otherwise defined herein, all terms used herein and not otherwise defined shall have the meanings given to such terms in the WIFIA Master Agreement, unless the context otherwise clearly requires.

SECTION 7. This Resolution shall take effect immediately.

The WIFIA Debt Service Account shall be free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the Liens with respect to the WIFIA Installment Payments under each WIFIA IPA.

(d) The District shall not use any Pledged Collateral to make any payments or satisfy any obligations other than in accordance with the Flow of Funds, the provisions of this Section 7 and the Related Documents and shall not apply any portion of the Pledged Collateral in contravention of this Agreement or the other Related Documents. The District shall not use any amounts on deposit in the WIFIA Debt Service Account to make any payments or satisfy any obligations other than the payment of WIFIA Debt Service on the Borrower's behalf; provided that, the last Business Day of each District Fiscal Year, the District may transfer to the Water Revenue Fund any amounts on deposit in the WIFIA Debt Service Account that are not needed for such purpose; provided further that any amounts that are transferred from the WIFIA Debt Service Account to the Water Revenue Fund pursuant to this Section 7(d) shall not be double-counted for purposes of calculating any coverage requirement.

(e) The Borrower shall not use any Borrower Revenues to make any payments or satisfy any obligations other than the payment of WIFIA Debt Service and other amounts payable to the WIFIA Lender under this Agreement, the relevant WIFIA Loan Agreement and the relevant WIFIA Note.

(f) All Water Revenues shall, immediately upon receipt thereof, be deposited by the District into the Water Revenue Fund. Amounts deposited in the Water Revenue Fund shall be applied in the order of priority described in, and in accordance with, the Flow of Funds, which includes payment of WIFIA Debt Service in accordance with Section 5.2 (*Allocation of Water Revenues*) of the relevant WIFIA IPA.

(g) Following the acceleration of amounts payable by the Borrower under this Agreement and the relevant WIFIA Loan Agreement or payable by the District under the relevant WIFIA IPA pursuant to Section 21(c) (*Events of Default and Remedies*) or Section 21(d)(vii) (*Events of Default and Remedies*) hereof or Section 21(c) (*Events of Default and Remedies*) of such WIFIA Loan Agreement, amounts deposited in the Water Revenue Fund shall be applied in the order of priority described in, and in accordance with, the Flow of Funds Following Acceleration.

Section 8. Payment of Principal and Interest.

(a) Payment of WIFIA Debt Service.

(i) Pursuant to the applicable WIFIA IPA, not later than each Installment Payment Date occurring on or after the applicable Debt Service Payment Commencement Date, the District shall, from moneys in the Water Revenue Fund, transfer to the WIFIA Debt Service

Account for the benefit of the WIFIA Lender the WIFIA Installment Payment under such WIFIA IPA due and payable on the relevant Payment Date. All WIFIA Installment Payments under the applicable WIFIA IPA and any other amounts deposited into the WIFIA Debt Service Account shall be held by the District, as agent of the Borrower pursuant to such WIFIA IPA, in trust for the benefit of the WIFIA Lender until the immediately succeeding Payment Date, whereupon such money shall be applied to the payment of WIFIA Debt Service.

(ii) No WIFIA Debt Service under the applicable WIFIA Loan Agreement shall be due or payable prior to the applicable Debt Service Payment Commencement Date. The Borrower shall pay, or the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, shall transfer from the WIFIA Debt Service Account on the Borrower's behalf, (A) WIFIA Debt Service in the amounts and manner and on the Payment Dates as set forth in the applicable WIFIA Loan Amortization Schedule, as the same may be revised pursuant to Section 8(f) (*Payment of Principal and Interest – Adjustments to WIFIA Loan Amortization Schedule*) and (B) payments of any other amounts on each other date on which payment thereof is required to be made hereunder or under the applicable WIFIA Loan Agreement (including the applicable Final Maturity Date and any date on which payment is due hereunder or thereunder or under the applicable WIFIA Note by reason of the mandatory redemption or prepayment or the acceleration of the maturity of the applicable WIFIA Loan or otherwise); provided that, if any such date is not a Business Day, then payment shall be made on the next Business Day following such date. WIFIA Loan proceeds borrowed and repaid may not be reborrowed.

(iii) Notwithstanding anything herein to the contrary, each Outstanding WIFIA Loan Balance and any accrued interest thereon shall be due and payable in full on the Final Maturity Date of the related WIFIA Loan (or on any earlier date on which the related WIFIA Loan and WIFIA Note are subject to mandatory redemption or prepayment prior to the maturity thereof).

(iv) Any defeasance of the applicable WIFIA Loan in accordance with applicable law shall not be deemed a repayment or prepayment of such WIFIA Loan in full, and each of the Borrower and the District shall comply with all of its respective obligations hereunder and under the other WIFIA Loan Documents (other than with respect to payments of WIFIA Debt Service, which payments shall continue to be made in accordance with the applicable WIFIA Loan Amortization Schedule by the succeeding entity assuming the Borrower's payment obligations), unless otherwise agreed by the WIFIA Lender, until the irrevocable payment in full in immediately available funds by the Borrower of the Outstanding WIFIA Loan Balance with respect to such WIFIA Loan, together with all accrued interest, fees and expenses with respect thereto.

(b) Capitalized Interest. No payment of the principal of or interest on any WIFIA Loan is required to be made during an applicable Capitalized Interest Period. On each applicable Payment Date occurring during an applicable Capitalized Interest Period, and on the day immediately following the end of such Capitalized Interest Period, interest accrued on the applicable WIFIA Loan in the six (6) month period ending immediately prior to such date (or such shorter period if such Capitalized Interest Period ends on a date other than the date immediately prior to an Interest Payment Date) shall be capitalized and added to the relevant Outstanding WIFIA Loan Balance. The accrual of interest on amounts capitalized during an applicable Capitalized Interest Period pursuant to this Section 8(b) shall commence on the date such amounts are added to the relevant Outstanding WIFIA Loan Balance. Within thirty (30) days after the end

of an applicable Capitalized Interest Period, the WIFIA Lender shall give written notice to the Borrower and the District stating the Outstanding WIFIA Loan Balance of the related WIFIA Loan as of the close of business on the last day of such Capitalized Interest Period, which statement thereof shall be deemed conclusive absent manifest error; provided that no failure to give or delay in giving such notice shall affect any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under the applicable WIFIA IPA or any other obligation of the District under this Agreement or under any other WIFIA Loan Document to which the District is a party. Notwithstanding the foregoing, an applicable Capitalized Interest Period shall end immediately upon written notification to the Borrower or the District by the WIFIA Lender that an Event of Default under the relevant WIFIA Loan Agreement has occurred, in which case the provisions of this Section 8(b) shall no longer apply and payments of principal and interest shall be currently due and payable in accordance with the terms hereof and of such WIFIA Loan Agreement and interest shall no longer be capitalized. For purposes of this Section 8(b), an Event of Default under Section 21(b)(v) (*Events of Default and Remedies – Cross Default with Obligation Documents*) shall be deemed to have occurred upon the occurrence of any nonpayment of principal of, interest on or redemption price of any Parity Obligations (other than the WIFIA Loan) or Senior Obligations (as applicable) when due, regardless of whether any holder of the applicable Parity Obligations or Senior Obligations (as applicable), or any legal order, has waived or permitted deferral of any such payment. To the extent that any prepayment of any WIFIA Loan is made during an applicable Capitalized Interest Period, such prepayment shall be applied to the relevant Outstanding WIFIA Loan Balance as provided in Section 9(d) (*Prepayment – General Prepayment Instructions*) and reflected in a revised **Exhibit A** (*WIFIA Loan Amortization Schedule*) to the relevant WIFIA Loan Agreement.

(c) Interest Payments and Interest Only Period.

(i) Interest shall accrue on each WIFIA Loan commencing on the date of the first disbursement of such WIFIA Loan and shall be payable commencing on the applicable Debt Service Payment Commencement Date.

(ii) During an applicable Interest Only Period, the WIFIA Debt Service payable by the Borrower shall consist of one hundred percent (100%) of the amount of interest then due and payable on the relevant Outstanding WIFIA Loan Balance, and no payment of principal will be due and payable.

(d) WIFIA Notes. As evidence of the Borrower's obligation to repay each WIFIA Loan, the Borrower shall issue and deliver to the WIFIA Lender, on or prior to the applicable WIFIA Loan Agreement Effective Date, a WIFIA Note substantially in the form of **Exhibit A** (*Form of WIFIA Note*), having the maximum principal amount (excluding any interest to be capitalized in accordance with the terms hereof and thereof) specified in the WIFIA Loan Agreement for such WIFIA Loan, bearing interest at the applicable WIFIA Interest Rate and having principal and interest payable on the same dates as those set forth in such WIFIA Loan Agreement. Any payment in respect of any WIFIA Note shall be treated as a payment in respect of the corresponding WIFIA Loan and any prepayment of principal in respect of any WIFIA Loan shall be treated as a redemption in respect of the corresponding WIFIA Note.

(e) Manner of Payment. The Borrower hereby assigns all its right and interest in and to the WIFIA Installment Payments under each WIFIA IPA to the WIFIA Lender and directs the District to transfer, on the Borrower's behalf, all amounts on deposit in the WIFIA Debt Service Account to the WIFIA Lender by wire transfer on or before each applicable Payment Date in Dollars and in immediately available funds (without counterclaim, offset or deduction) in accordance with the payment instructions provided by the WIFIA Lender prior to the relevant payment, as may be modified in writing from time to time by the WIFIA Lender; provided that neither the assignment of such rights by the Borrower nor such direction by the Borrower to the District with respect to payments hereunder or under the applicable WIFIA Loan Agreement shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under such WIFIA IPA or other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party.

(f) Adjustments to WIFIA Loan Amortization Schedule.

(i) Each Outstanding WIFIA Loan Balance will be (A) increased on each occasion on which the WIFIA Lender disburses proceeds of the applicable WIFIA Loan under the applicable WIFIA Loan Agreement by the amount of such disbursement of loan proceeds; (B) increased on each occasion on which interest on a WIFIA Loan is capitalized pursuant to the provisions of Section 8(b) (*Payment of Principal and Interest – Capitalized Interest*), by the amount of interest so capitalized; and (C) decreased upon each payment or prepayment of the Outstanding WIFIA Loan Balance for the applicable WIFIA Loan by the amount of principal so paid. The WIFIA Lender may in its discretion at any time and from time to time, or when so requested by the Borrower or the District, advise the Borrower or the District by written notice of the amount of such Outstanding WIFIA Loan Balance as of the date of such notice, and its determination of such amount in any such notice shall be deemed conclusive absent manifest error.

(ii) The WIFIA Lender is hereby authorized to modify any WIFIA Loan Amortization Schedule from time to time, in accordance with the principles set forth below in this Section 8(f), to reflect (A) any change to the Outstanding WIFIA Loan Balance for the applicable WIFIA Loan, (B) any change to the date and amount of any principal or interest due and payable or to become due and payable by the Borrower under this Agreement or the corresponding WIFIA Loan Agreement, (C) any mathematical corrections as the WIFIA Lender may determine are necessary and (D) with the consent of the Borrower (not to be unreasonably withheld), such other information as the WIFIA Lender may determine is necessary for administering such WIFIA Loan or such WIFIA Loan Agreement. Any calculations described above shall be rounded up to the nearest whole cent. Any adjustments or revisions to such WIFIA Loan Amortization Schedule as a result of changes in such Outstanding WIFIA Loan Balance shall be applied to reduce future payments due with respect to such WIFIA Loan in inverse order of maturity, other than prepayments which shall be applied in accordance with Section 9(d) (*Prepayment – General Prepayment Instructions*). Absent manifest error, the WIFIA Lender's determination of such matters as set forth on **Exhibit A** (*WIFIA Loan Amortization Schedule*) attached to each WIFIA Loan Agreement shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under each

WIFIA IPA or other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party. The WIFIA Lender shall provide the Borrower and the District with a copy of such **Exhibit A** (*WIFIA Loan Amortization Schedule*) as revised pursuant to this Section 8(f)(ii), but no failure to provide or delay in providing the Borrower or the District with such copy shall affect any of the obligations of the Borrower or the District under this Agreement or the other WIFIA Loan Documents.

(g) WIFIA Loan Not District Indebtedness. Each WIFIA Loan and each WIFIA Note are limited obligations of the Borrower, payable solely from the Borrower Revenues, and do not constitute a debt of the State or any of its political subdivisions (including the District), except the Borrower. Notwithstanding anything to the contrary set forth in this Agreement, the District is not a borrower with respect to each WIFIA Loan, each WIFIA Note, or this Agreement and the District has no obligation to make any payment or provision for payment of such WIFIA Loan or such WIFIA Note. This Agreement does not constitute a contract between the District and the WIFIA Lender by which the District has incurred an indebtedness.

Section 9. Prepayment.

(a) Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds.

(i) The Borrower, or the District as agent of the Borrower, shall prepay each WIFIA Loan, without prepayment premium, from and in the amount of any prepayments of the WIFIA Installment Payments received from the District pursuant to Section 6.8 (*Insurance*) and Section 6.14 (*Eminent Domain Proceeds*) of the WIFIA IPA for such WIFIA Loan and Section 17(f) (*Affirmative Covenants of the District – Insurance; Eminent Domain; Net Proceeds*). The amount of any such prepayment shall be equal to the portion of the Outstanding WIFIA Loan Balance for such WIFIA Loan required to be prepaid hereunder plus accrued interest thereon to the date of prepayment. All such prepayments shall be paid to the WIFIA Lender by the District as agent of the Borrower substantially concurrently with the receipt of such amount by the Borrower and applied against such Outstanding WIFIA Loan Balance in accordance with Section 9(d) (*Prepayment – General Prepayment Instructions*).

(ii) Mandatory Prepayment Upon or Prior to Issuance or Existence of Senior Project Obligations. The Borrower shall prepay one hundred percent (100%) of any Outstanding WIFIA Loan Balance in full in immediately available funds upon the incurrence or existence of any Senior Project Obligations. Such prepayment shall be made prior to or concurrently with the incurrence, application or existence of such Senior Project Obligations and shall include all accrued and unpaid interest on the amount to be prepaid to the date of prepayment, without prepayment premium, and shall further include payment of all other Obligations in respect of the related WIFIA Loan, including fees and expenses, then due and payable. The Borrower shall provide written notice to the WIFIA Lender not less than thirty (30) days prior to the date on which the Borrower expects to issue any such Senior Project Obligations, and the anticipated date of the proposed mandatory prepayment; provided that the Borrower's failure to deliver such notice shall not diminish, impair or otherwise affect the Borrower's obligation to make such mandatory prepayment as and when the circumstances requiring such mandatory prepayment have occurred.

(b) Optional Prepayments. After the Final Disbursement Date for a WIFIA Loan, the Borrower (or the District as agent of the Borrower) may prepay such WIFIA Loan in whole or in part (and, if in part, the amounts thereof to be prepaid shall be determined by the Borrower; provided that such prepayments shall be in principal amounts of two hundred fifty thousand Dollars \$(250,000) or any integral multiple of one Dollar (\$1.00) in excess thereof), from time to time, but not more than annually, without penalty or premium, by paying to the WIFIA Lender such principal amount of such WIFIA Loan to be prepaid, together with the unpaid interest accrued on the amount of principal so prepaid to the date of such prepayment, which shall be a Payment Date under the applicable WIFIA Loan Agreement unless otherwise agreed by the WIFIA Lender. Each prepayment of a WIFIA Loan pursuant to this Section 9(b) shall be made on such Payment Date and in such principal amount as shall be specified by the Borrower in a written notice delivered to the WIFIA Lender not less than ten (10) days or more than thirty (30) days prior to the date set for prepayment, unless otherwise agreed by the WIFIA Lender. At any time between delivery of such written notice and the applicable optional prepayment, the Borrower may, without penalty or premium, rescind its announced optional prepayment by further written notice to the WIFIA Lender. Anything in this Section 9(b) to the contrary notwithstanding, the failure by the Borrower to make any optional prepayment shall not constitute a breach or default under this Agreement or the applicable WIFIA Loan Agreement.

(c) Borrower's Certificate. Each prepayment pursuant to this Section 9 shall be accompanied by a certificate signed by the Borrower's Authorized Representative identifying the provision of this Agreement pursuant to which such prepayment is being made and containing a calculation in reasonable detail of the amount of such prepayment.

(d) General Prepayment Instructions. Upon the WIFIA Lender's receipt of confirmation that payment in full in immediately available funds of the entire Outstanding WIFIA Loan Balance with respect to any WIFIA Loan and any unpaid interest, fees and expenses with respect thereto has occurred as a result of a mandatory or optional prepayment, the WIFIA Lender shall surrender the corresponding WIFIA Note to the Borrower or its representative by mail in accordance with Section 36 (*Notices*) or as otherwise agreed between the parties hereto. If the Borrower prepays only part of the unpaid balance of principal of any WIFIA Loan, the WIFIA Lender may make a notation on **Exhibit A** (*WIFIA Loan Amortization Schedule*) attached to the applicable WIFIA Loan Agreement, indicating the amount of principal of and interest on such WIFIA Loan then being prepaid. Absent manifest error, the WIFIA Lender's determination of such matters as set forth on such **Exhibit A** (*WIFIA Loan Amortization Schedule*) shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under the WIFIA IPA with respect to such WIFIA Loan or any other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party. All partial prepayments of principal shall be applied to reduce future payments due on the applicable WIFIA Loan on a pro rata basis. If such funds have not been so paid on the prepayment date, such principal amount of such WIFIA Loan shall continue to bear interest until payment thereof at the rate provided in the applicable WIFIA Loan Agreement.

Section 10. Fees and Expenses.

(a) Fees. The District shall pay, on behalf of the Borrower, to the WIFIA Lender for each WIFIA Loan:

(i) a servicing set-up fee equal to the amount specified in clause (a) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Servicing Set-Up Fee**”), which shall be due and payable within thirty (30) days after receipt of an invoice from the WIFIA Lender with respect thereto (or, if earlier, the first disbursement date of the related WIFIA Loan);

(ii) an annual construction period servicing fee equal to the amount specified in clause (b) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Construction Period Servicing Fee**”), which shall accrue on the first Business Day of the then-current Federal Fiscal Year and shall be due and payable on or prior to each November 15 during the Construction Period under the applicable WIFIA Loan Agreement (including the Federal Fiscal Year during which the applicable Substantial Completion Date occurs); provided that the initial Construction Period Servicing Fee shall be due and payable within thirty (30) days after receipt of an invoice from the WIFIA Lender with respect thereto (or, if earlier, on the first disbursement date of the WIFIA Loan), in an amount pro-rated from the applicable WIFIA Loan Agreement Effective Date through the last day of the then-applicable Federal Fiscal Year; and

(iii) an annual operating period servicing fee equal to the amount specified in clause (c) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Operating Period Servicing Fee**”), which shall accrue on the first Business Day of the then-current Federal Fiscal Year and shall be due and payable on or prior to each November 15, beginning with the first November 15 following the end of the Federal Fiscal Year during which the applicable Substantial Completion Date occurs, until (and including) the applicable Final Maturity Date; provided that any Operating Period Servicing Fee due and payable with respect to any Federal Fiscal Year during which such Final Maturity Date occurs shall be equal to the pro-rata monthly portion of the then applicable Operating Period Servicing Fee multiplied by the number of partial or whole months remaining between October 1 and such Final Maturity Date.

(b) The amount of each Servicing Fee (other than any initial pro-rated Servicing Fee, as applicable) shall be adjusted in proportion to the percentage change in CPI for the calendar year immediately preceding the calendar year during which such fee is due. The WIFIA Lender shall notify the District of the amount of each such fee at least thirty (30) days before payment is due, which determination shall be conclusive absent manifest error.

(c) Expenses. The District, on behalf of the Borrower, agrees, whether or not the transactions hereby contemplated shall be consummated, to reimburse the WIFIA Lender on demand from time to time, within thirty (30) days after receipt of any invoice from the WIFIA Lender, for any and all fees, costs, charges, and expenses incurred by it (including the fees, costs, and expenses of its legal counsel, financial advisors, auditors and other consultants and advisors) in connection with the negotiation, preparation, execution, delivery, and performance of this Agreement and the other WIFIA Loan Documents and the transactions hereby and thereby contemplated, including attorneys’ and engineers’ fees and professional costs, including all such fees, costs, and expenses incurred as a result of or in connection with:

(i) the review of each WIFIA Loan Request and the negotiation, preparation, execution, delivery, and performance of each Project Term Sheet, WIFIA Loan Agreement, and the other WIFIA Loan Documents related to the relevant Project;

(ii) the enforcement of or attempt to enforce, or the protection or preservation of any right or claim under, the Liens on the Pledged Collateral or any provision of this Agreement or any other WIFIA Loan Document or the rights of the WIFIA Lender thereunder;

(iii) any amendment, modification, waiver, or consent with respect to this Agreement or any other Related Document; and

(iv) any work-out, restructuring, or similar arrangement of the obligations of the Borrower or the District under this Agreement or the other WIFIA Loan Documents, including during the pendency of any Event of Default; provided that nothing in this Section 10(c) shall obligate the District to pay principal or interest on any WIFIA Loan or WIFIA Note.

(d) The obligations of the District under this Section 10 shall survive the payment or prepayment in full in accordance with Section 8 or Section 9, respectively, of any WIFIA Note, the enforcement of any provision of this Agreement or the other WIFIA Loan Documents, any such amendments, waivers or consents, any Event of Default, and any such workout, restructuring, or similar arrangement.

ARTICLE IV REPRESENTATIONS AND WARRANTIES

Section 12. Representations and Warranties of the Borrower. The Borrower hereby represents and warrants that, as of the Effective Date (other than with respect to the representations and warranties contained in Section 12(k) (*Representations and Warranties of the Borrower – Credit Rating*)) and as of each WIFIA Loan Agreement Effective Date (other than with respect to the representations and warranties contained in Section 12(u) (*Representations and Warranties of the Borrower – Existing Water System Indebtedness*)) and, as to each of the representations and warranties other than those (x) contained in Section 12(b) (*Representations and Warranties of the Borrower – Officers’ Authorization*), Section 12(k) (*Representations and Warranties of the Borrower – Credit Rating*), the first sentence of Section 12(f) (*Representations and Warranties of the Borrower – Litigation*) and Section 12(u) (*Representations and Warranties of the Borrower – Existing Water System Indebtedness*), or (y) which expressly relate only to the District, as of each date on which any disbursement of a WIFIA Loan is requested or made:

(a) Organization; Power and Authority. The Borrower is a joint exercise of powers agency duly organized and validly existing under its Organizational Documents and the relevant laws of the State, has full legal right, power and authority to do business in the State and to enter into the Related Documents then in existence to which it is a party, to execute and deliver this Agreement and the other Related Documents to which it is a party, and to carry out and consummate all transactions contemplated hereby and thereby, and has duly authorized the execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

(b) Officers’ Authorization. As of the Effective Date and as of each WIFIA Loan Agreement Effective Date, the officers of the Borrower executing (or that previously executed) the Related Documents (and any certifications or instruments related thereto) to which the Borrower is a party are (or were at the time of such execution) duly and properly in office and fully authorized to execute the same.

(c) Due Execution; Enforceability. Each of the Related Documents in effect as of any date on which this representation and warranty is made, and to which the Borrower is a party has been duly authorized, executed and delivered by the Borrower and constitutes the legal, valid and binding agreement of the Borrower enforceable against it in accordance with its terms, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or similar laws affecting the rights of creditors generally and (ii) is subject to general principles of equity, the exercise of judicial discretion and the limitation on legal remedies against governmental entities imposed by the laws of the State (regardless of whether enforceability is considered in equity or at law).

(d) Non-Contravention. The execution and delivery of the Related Documents to which the Borrower is a party, the consummation of the transactions contemplated by the Related Documents to which the Borrower is a party, and the fulfillment of or compliance with the terms and conditions of the Related Documents to which the Borrower is a party, will not (i) conflict with the Borrower’s Organizational Documents, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time or both) by the Borrower of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by

which it or its properties or assets are otherwise subject or bound, or (iii) result in the creation or imposition of any Lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, other than Permitted Liens.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the Borrower, or of any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the Borrower of the Related Documents to which it is a party, except as have been obtained or made and as are in full force and effect, or (ii) (A) the consummation of any transaction contemplated by any of the Related Documents to which the Borrower is a party, or (B) the fulfillment of or compliance by the Borrower with the terms and conditions of any of the Related Documents to which the Borrower is a party, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. Except as set forth in **Schedule 12(f)** (*Litigation*), there is no action, suit, proceeding or, to the knowledge of the Borrower, any inquiry or investigation, in any case before or by any court or other Governmental Authority pending or, to the knowledge of the Borrower, threatened against or affecting (i) the Water System or the ability of the Borrower to execute, deliver and perform its obligations under the Related Documents to which the Borrower is a party or (ii) the Borrower or the assets, properties or operations of the Borrower, that in any case could reasonably be expected to result in a Borrower Material Adverse Effect.

(g) Security Interests. (i) This Agreement and Section 5451 of the California Government Code establish, and (ii) the Borrower has taken all necessary action to pledge, assign, and grant, in each case in favor of the WIFIA Lender, legal, valid, binding and enforceable Liens on the Borrower Revenues and the Borrower's rights with respect to the WIFIA Debt Service Account purported to be created, pledged, assigned, and granted pursuant to and in accordance with this Agreement, irrespective of whether any Person has notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. Such Liens are in full force and effect and are the only Liens in respect of the Borrower Revenues or the Borrower's rights with respect to the WIFIA Debt Service Account. The Borrower has taken all necessary action to assign to the WIFIA Lender all of its rights (A) to receive the Borrower Revenues, (B) with respect to the WIFIA Debt Service Account and (C) to enforce each WIFIA IPA upon an event of default under such WIFIA IPA without the need for any further act. The Borrower is not in breach of any covenant set forth in Section 15(a) (*Affirmative Covenants of the Borrower – Securing Liens*) or in any other WIFIA Loan Document to which the Borrower is a party with respect to the matters described in Section 15(a) (*Affirmative Covenants of the Borrower – Securing Liens*). All documents and instruments have been recorded or filed for record in such manner and in such places as are required and all other action as is necessary or desirable has been taken to establish a legal, valid, binding, and enforceable Lien on the Borrower Revenues for the benefit of the WIFIA Lender, and all taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of any WIFIA Loan Document or any instruments, certificates or financing statements in connection with the foregoing, have been paid. Neither the attachment, validity, enforceability, priority or perfection of the security interest in the Borrower Revenues or

the Borrower's rights with respect to the WIFIA Debt Service Account is governed by Article 9 of the UCC.

(h) No Debarment. The Borrower has fully complied with its verification obligations under 2 C.F.R. § 180.320 and confirms, based on such verification, that, to its knowledge, neither the Borrower nor any of its principals (as defined in 2 C.F.R. § 180.995 and supplemented by 2 C.F.R. § 1532.995) (i) is debarred, suspended or voluntarily excluded from participation in Government contracts, procurement or non-procurement matters; (ii) is presently indicted for or otherwise criminally or civilly charged by a Governmental Authority with commission of any of the offenses listed in 2 C.F.R. § 180 or 2 C.F.R. § 1532; or (iii) has, within the three (3) year period preceding the Effective Date, (x) been convicted for or had a civil judgment rendered against the Borrower for any of the offenses within such period or (y) had any public transactions (federal, state or local) terminated for cause or default.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the Borrower set forth in this Agreement and the other Related Documents to which the Borrower is a party are true, correct, and complete, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true, correct, and complete as of such earlier date).

(j) Compliance with Laws. The Borrower has complied with all applicable laws, rules, regulations and requirements.

(k) Credit Rating. As of any WIFIA Loan Agreement Effective Date, the corresponding WIFIA Loan has received a public Investment Grade Rating from at least one (1) Nationally Recognized Rating Agency, written evidence of such rating has been provided to the WIFIA Lender, and no such rating has been reduced, withdrawn or suspended.

(l) No Defaults. No Default or Event of Default, and no default or event of default by the Borrower under any other Related Document to which the Borrower is a party, has occurred and is continuing.

(m) Information. Neither the WIFIA Loan Documents to which the Borrower is a party, nor any documents, certificates or statements provided to the WIFIA Lender by representatives of the Borrower in connection with the transactions contemplated thereby, which for purposes of this Section 12(m) shall consist of all documents or statements related to the Application or the Master Program, cash flow schematics, responses to due diligence interrogatories or requests from the WIFIA Lender or its advisors, and documents uploaded to the online WIFIA SharePoint data room made accessible to the Borrower by the WIFIA Lender, to the extent such documents, certificates, statements or other materials relate to the Borrower (including its finances or operations) or the Master Program, contains any untrue statement of any material fact or omits to state any material fact necessary so as to make such WIFIA Loan Documents, documents, certificates, statements or other materials so provided to the WIFIA Lender, in light of the circumstances under which they were made, not misleading.

(n) Insurance. The Borrower is in compliance with all insurance obligations applicable to the Borrower required under each Related Document to which the Borrower is a party as of the

date on which this representation and warranty is made. To the extent the Borrower self-insures, the Borrower's self-insurance program is actuarially sound.

(o) No Prohibited Liens. Except for Permitted Liens, the Borrower has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien on the Borrower Revenues or its rights with respect to the WIFIA Debt Service Account. The Borrower Revenues and the Borrower's rights with respect to the WIFIA Debt Service Account are free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the pledge and Lien thereon for the benefit of the WIFIA Lender.

(p) Borrower Financial Statements. Commencing with the Borrower Financial Statements for the Borrower Fiscal Year ended December 31, 2023, each Borrower Financial Statement delivered to the WIFIA Lender by the Borrower pursuant to Section 19(a) (*Reporting Requirements of the Borrower – Annual Financial Statements*) has been, as of such delivery date, prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the Borrower as of the respective dates of the balance sheets included therein and the results of operations of the Borrower for the respective periods covered by the statements of income included therein. Except as reflected in such Borrower Financial Statements, there are no liabilities or obligations of the Borrower of any nature whatsoever for the periods to which such Borrower Financial Statements relate that are required to be disclosed in accordance with GAAP.

(q) Securities Laws. Under existing law, each WIFIA Note may be issued and sold without registration under the Securities Act of 1933, as amended, and any State blue sky laws.

(r) Sovereign Immunity. The Borrower either has no immunity from the jurisdiction of any court of competent jurisdiction or from any legal process therein which could be asserted in any action to enforce the obligations of the Borrower under any of the Related Documents to which the Borrower is a party or the transactions contemplated hereby or thereby, including the obligations of the Borrower hereunder and thereunder, or, to the extent that the Borrower has such immunity, the Borrower has waived such immunity pursuant to Section 15(h) (*Affirmative Covenants of the Borrower – Immunity*).

(s) Taxes; No Federal Debt. The Borrower has paid all applicable taxes and other material taxes and assessments payable by it that have become due (other than those taxes or assessments that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP). The Borrower has no delinquent federal debt (including tax liabilities but excluding any delinquencies that have been resolved with the appropriate federal agency in accordance with the standards of the Debt Collection Improvement Act of 1996).

(t) No Lobbying. Pursuant to 31 U.S.C. § 1352, to the best of the Borrower's knowledge and belief, (i) no Federal appropriated funds have been paid or will be paid, by or on behalf of the Borrower, to any Person for influencing or attempting to influence an officer or employee of an agency, a member (or employee of a member), officer, or employee of the Congress, in connection with the making of any WIFIA Loan, execution (including amendments or modifications) of any WIFIA Loan Document, or any other federal action under 31 U.S.C. §

1352(a)(2); and (ii) if any funds other than Federal appropriated funds have been paid or will be paid to any Person for influencing or attempting to influence an officer or employee of any agency, a member (or employee of a member), officer, or employee of the Congress in connection with any WIFIA Loan, the Borrower has completed and submitted to the WIFIA Lender Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(u) Existing Water System Indebtedness. As of the Effective Date, except as set forth in **Schedule 12(u)** (*Existing Water System Indebtedness*), no indebtedness of the Borrower with respect to the Water System is outstanding.

(v) Senior Obligations. (i) The only Outstanding Obligations that are senior to the WIFIA Loan are the Senior Obligations and no other Obligations senior to the WIFIA Loan are permitted or will be incurred (except for Refunding Senior Obligations issued in accordance herewith) and (ii) no Senior Project Obligations exist and no proceeds from the Senior Obligations have been used to pay any Total Project Costs.

Section 13. Representations and Warranties of the District. The District hereby represents and warrants that, as of the Effective Date (other than with respect to the representations and warranties contained in the first sentence of Section 13(m) (*Representations and Warranties of the District – Construction Contracts*) and Section 13(o) (*Representations and Warranties of the District – Credit Rating*)) and as of each WIFIA Loan Agreement Effective Date (other than with respect to the representations and warranties contained in the first sentence of Section 13(w) (*Representations and Warranties of the District – Existing Obligations*)) and, as to each of the representations and warranties other than those (x) contained in Section 13(b) (*Representations and Warranties of the District – Officers' Authorization*), the first sentence of Section 13(f) (*Representations and Warranties of the District – Litigation*), the first sentence of Section 13(m) (*Representations and Warranties of the District – Construction Contracts*), Section 13(o) (*Representations and Warranties of the District – Credit Rating*) and the first sentence of Section 13(w) (*Representations and Warranties of the District – Existing Obligations*) or (y) which expressly relate only to the Borrower, as of each date on which any disbursement of a WIFIA Loan is requested or made:

(a) Organization; Power and Authority. The District (i) is an irrigation district duly organized and validly existing under the laws of the State, (ii) has full legal right, power and authority (A) to do business in the State and to enter into the Related Documents then in existence to which it is a party, (B) to execute and deliver this Agreement and the other Related Documents to which it is a party, and (C) to carry out and consummate all transactions contemplated hereby and thereby, and (iii) has duly authorized the execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

(b) Officers' Authorization. As of the Effective Date and as of each WIFIA Loan Agreement Effective Date, the officers of the District executing (or that previously executed) the Related Documents (and any certifications or instruments related thereto) to which the District is a party are (or were at the time of such execution) duly and properly in office and fully authorized to execute the same.

(c) Due Execution; Enforceability. Each of the Related Documents in effect as of any date on which this representation and warranty is made, and to which the District is a party has been duly authorized, executed and delivered by the District and constitutes the legal, valid and binding agreement of the District enforceable against it in accordance with its terms, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or similar laws affecting the rights of creditors generally and (ii) is subject to general principles of equity, the exercise of judicial discretion and the limitation on legal remedies against governmental entities imposed by the laws of the State (regardless of whether enforceability is considered in equity or at law).

(d) Non-Contravention. The execution and delivery of the Related Documents to which the District is a party, the consummation of the transactions contemplated by the Related Documents to which the District is a party, and the fulfillment of or compliance with the terms and conditions of the Related Documents to which the District is a party, will not (i) conflict with the District's Organizational Documents, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time or both) by the District of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the District is a party or by which it or its properties or assets are otherwise subject or bound, or (iii) result in the creation or imposition of any Lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the District, other than Permitted Liens.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the District or of any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the District of the Related Documents to which it is a party, except as have been obtained or made and as are in full force and effect, or (ii) (A) the consummation of any transaction contemplated by any of the Related Documents to which the District is a party, or (B) the fulfillment of or compliance by the District with the terms and conditions of any of the Related Documents to which the District is a party, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. Except as set forth in **Schedule 12(f) (Litigation)**, there is no action, suit, proceeding or, to the knowledge of the District, any inquiry or investigation, in any case before or by any court or other Governmental Authority pending or, to the knowledge of the District, threatened against or affecting (i) the Water System (including the Master Program) or the ability of the District to execute, deliver and perform its obligations under the Related Documents to which the District is a party or (ii) the District or the assets, properties or operations of the District, that in any case could reasonably be expected to result in a District Material Adverse Effect.

(g) Security Interests. (i) Each WIFIA IPA and Section 5451 of the California Government Code establish, and (ii) the District has taken all necessary action to pledge, assign, and grant, in each case in favor of the Borrower, legal, valid, binding and enforceable Liens on the

Pledged Collateral purported to be created, pledged, assigned, and granted pursuant to and in accordance with such WIFIA IPA, irrespective of whether any Person has notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. The Liens on the Pledged Collateral in favor of the Borrower are in full force and effect and are (A) not senior to any other Liens in respect of the Pledged Collateral for the benefit of the Senior Obligations and (B) not *pari passu* with any Liens in respect of the Pledged Collateral other than the Liens on the Pledged Collateral for the benefit of the Parity Obligations. The Lien on the WIFIA Debt Service Account in favor of the Borrower is the only Lien with respect to the WIFIA Debt Service Account. The District is not in breach of any covenant set forth in Section 17(b) (*Affirmative Covenants of the District – Securing Liens*) or in any WIFIA Loan Document to which the District is a party with respect to the matters described in Section 17(b) (*Affirmative Covenants of the District – Securing Liens*). All documents and instruments have been recorded or filed for record in such manner and in such places as are required and all other action as is necessary or desirable has been taken to establish a legal, valid, binding, and enforceable Lien on the Pledged Collateral for the benefit of the Borrower, and all taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of any WIFIA Loan Document or any instruments, certificates or financing statements in connection with the foregoing, have been paid. Neither the attachment, validity, enforceability, priority or perfection of the security interest in the Pledged Collateral granted pursuant to any WIFIA IPA is governed by Article 9 of the UCC.

(h) No Debarment. The District has fully complied with its verification obligations under 2 C.F.R. § 180.320 and confirms, based on such verification, that, to its knowledge, neither the District nor any of its principals (as defined in 2 C.F.R. § 180.995 and supplemented by 2 C.F.R. § 1532.995) is (i) debarred, suspended or voluntarily excluded from participation in Government contracts, procurement or non-procurement matters, (ii) is presently indicted for or otherwise criminally or civilly charged by a Governmental Authority with commission of any of the offenses listed in 2 C.F.R. § 180 or 2 C.F.R. § 1532; or (iii) has, within the three (3) year period preceding the Effective Date, (x) been convicted for or had a civil judgment rendered against the District for any of the offenses within such period or (y) had any public transactions (federal, state or local) terminated for cause or default.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the District set forth in this Agreement and the other Related Documents to which the District is a party are true, correct, and complete, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true, correct, and complete as of such earlier date).

(j) Compliance with Laws.

(i) The District has complied, and has required its contractors and subcontractors at all tiers with respect to the Master Program to comply, with all applicable laws, rules, regulations and requirements, including 40 U.S.C. §§ 3141-3144, 3146, and 3147 (relating to Davis-Bacon Act requirements) (and regulations relating thereto), 33 U.S.C. § 3914 (relating to American iron and steel products), 20 C.F.R. § 180.320 and 20 C.F.R. §1532 (relating to non-debarment), 31 U.S.C. §1352 (relating to non-lobbying), and any applicable Sanctions Laws.

(ii) To ensure such compliance, the District has included in all contracts with respect to the Master Program (A) the contract clauses relating to the Davis-Bacon Act requirements that are set forth in the Code of Federal Regulations, Title 29 Part 5.5 and (B) requirements that its contractors shall (1) comply with all applicable laws, rules, regulations, and requirements set forth in this Section 13(j) and follow applicable federal guidance and (2) incorporate in all subcontracts (and cause all subcontractors to include in lower tier subcontracts) such terms and conditions as are required to be incorporated therein by any applicable laws, rules, regulations and requirements set forth in this Section 13(j) (including with respect to the Davis-Bacon Act requirements).

(iii) The District is in compliance with all laws applicable to the Water System (including the Master Program) relating to environmental, health or safety matters (collectively, the “**Environmental Laws**”).

(k) No Defaults. No Default or Event of Default, and no default or event of default by the District under any other Related Document to which the District is a party, has occurred and is continuing.

(l) Governmental Approvals. All Governmental Approvals required as of the Effective Date and required as of any subsequent date on which this representation is made (or deemed made) for the undertaking and completion by the District, as agent of the Borrower pursuant to each WIFIA IPA, of the Master Program, and for the operation and management thereof, have been obtained or effected and are in full force and effect and there is no basis for, nor proceeding that is pending or threatened that could reasonably be expected to result in, the revocation of or a default under any such Governmental Approval.

(m) Construction Contracts. As of any WIFIA Loan Agreement Effective Date, attached as Schedule 13(m) (*Existing Construction Contracts*) to the applicable WIFIA Loan Agreement is a list of the Existing Construction Contracts. With respect to each Construction Contract executed as of any date on which this representation and warranty is made, such Construction Contract is in full force and effect.

(n) Information. Neither the WIFIA Loan Documents to which the District is a party, nor any documents, certificates or statements provided to the WIFIA Lender by representatives of the District in connection with the transactions contemplated thereby, which for purposes of this Section 13(n) shall consist of all financial models, project budgets, documents or statements related to the Application or the Master Program, cash flow schematics, responses to due diligence interrogatories or requests from the WIFIA Lender or its advisors, and documents uploaded to any data room made accessible to the District by the WIFIA Lender (or its advisors) or provided to the WIFIA Lender in an electronic written communication, to the extent such documents, certificates, statements or other materials relate to the District (including its finances or operations) or the Master Program, contains any untrue statement of any material fact or omits to state any material fact necessary so as to make such WIFIA Loan Documents, documents, certificates, statements or other materials so provided to the WIFIA Lender, in light of the circumstances under which they were made, not misleading.

(o) Credit Rating. As of any WIFIA Loan Agreement Effective Date, the corresponding WIFIA Loan has received a public Investment Grade Rating from at least one (1) Nationally Recognized Rating Agency, written evidence of such rating has been provided to the WIFIA Lender, and no such rating has been reduced, withdrawn or suspended.

(p) Insurance. The District is in compliance with all insurance obligations required under each Related Document to which the District is a party as of the date on which this representation and warranty is made. To the extent the District self-insures, the District's self-insurance program is actuarially sound.

(q) No Prohibited Liens. Except for Permitted Liens, the District has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien on the Pledged Collateral, the Water System, the Master Program or the properties or assets in relation to the Master Program.

(r) District Financial Statements. Each District Financial Statement delivered to the WIFIA Lender by the District pursuant to Section 20(b) (*Reporting Requirements of the District – Annual Financial Statements*) has been prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the District as of the respective dates of the balance sheets included therein and the results of operations of the District for the respective periods covered by the statements of income included therein. Except as reflected in such District Financial Statements, there are no liabilities or obligations of the District of any nature whatsoever for the periods to which such District Financial Statements relate that are required to be disclosed in accordance with GAAP.

(s) Sufficient Funds. The amount of the WIFIA Loans, when combined with all other funds committed for the design/planning, development, completion and construction of the Projects as set forth under the various sources of funds in the Project Budgets and identified in the Base Case Financial Model, will be sufficient to carry out the Master Program, pay all Total Project Costs anticipated for the design/planning, development, completion and construction of the Projects and achieve Substantial Completion with respect to each Project by the Projected Substantial Completion Date with respect to such Project. The total federal assistance provided to each Project, including the maximum principal amount of the WIFIA Loan for such Project (excluding any interest that is capitalized in accordance with the terms hereof), does not exceed eighty percent (80%) of Total Project Costs for such Project. The Updated Financial Model/Plan most recently delivered to the WIFIA Lender pursuant to Section 20(a) (*Reporting Requirements of the District – Updated Financial Model/Plan*) demonstrates that the projected Water Revenues and Borrower Revenues are sufficient to meet the WIFIA Loan Amortization Schedule for each Project. The District has developed, and identified adequate revenues to implement, a plan for operating, maintaining, and repairing each Project over the useful life of such Project.

(t) Sovereign Immunity. The District either has no immunity from the jurisdiction of any court of competent jurisdiction or from any legal process therein which could be asserted in any action to enforce the obligations of the District under any of the Related Documents to which the District is a party or the transactions contemplated hereby or thereby, including the obligations of the District hereunder and thereunder, or, to the extent that the District has such immunity, the

District has waived such immunity pursuant to Section 17(n) (*Affirmative Covenants of the District – Immunity*).

(u) Taxes; No Federal Debt. The District has paid all applicable taxes and other material taxes and assessments payable by it that have become due (other than those taxes or assessments that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP). The District has no delinquent federal debt (including tax liabilities but excluding any delinquencies that have been resolved with the appropriate federal agency in accordance with the standards of the Debt Collection Improvement Act of 1996).

(v) No Lobbying. Pursuant to 31 U.S.C. § 1352, to the best of the District’s knowledge and belief, (i) no Federal appropriated funds have been paid or will be paid, by or on behalf of the District, to any Person for influencing or attempting to influence an officer or employee of an agency, a member (or employee of a member), officer, or employee of the Congress, in connection with the making of any WIFIA Loan, execution (including amendments or modifications) of any WIFIA Loan Document, or any other federal action under 31 U.S.C. § 1352(a)(2); and (ii) if any funds other than Federal appropriated funds have been paid or will be paid to any Person for influencing or attempting to influence an officer or employee of any agency, a member (or employee of a member), officer, or employee of the Congress in connection with any WIFIA Loan, the District has completed and submitted to the WIFIA Lender Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

(w) Existing Obligations. As of the Effective Date, except as set forth in **Schedule 12(u)** (*Existing Water System Indebtedness*), no Obligations of the District are Outstanding.

(x) Senior Obligations. (i) The only Outstanding Obligations that are senior to the WIFIA Loan are the Senior Obligations and no other Obligations senior to the WIFIA Loan are permitted or will be incurred (except for Refunding Senior Obligations issued in accordance herewith) and (ii) no Senior Project Obligations exist and no proceeds from the Senior Obligations have been used to pay any Total Project Costs.

Section 14. Representations and Warranties of WIFIA Lender.

The WIFIA Lender represents and warrants that:

(a) Power and Authority. The WIFIA Lender has all requisite power and authority to make each WIFIA Loan and to perform all transactions contemplated by the Related Documents to which it is a party.

(b) Due Execution; Enforceability. The Related Documents to which it is a party have been duly authorized, executed and delivered by the WIFIA Lender, and are legally valid and binding agreements of the WIFIA Lender, enforceable in accordance with their terms.

(c) Officers’ Authorization. The officers of the WIFIA Lender executing each of the Related Documents to which the WIFIA Lender is a party are duly and properly in office and fully authorized to execute the same on behalf of the WIFIA Lender.

ARTICLE V COVENANTS

Section 15. Affirmative Covenants of the Borrower. The Borrower covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower, unless the WIFIA Lender waives compliance in writing:

(a) Securing Liens. The Borrower shall at any and all times, to the extent permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable in connection with assuring, conveying, granting, assigning, securing and confirming the Liens on the Borrower Revenues (whether now existing or hereafter arising) and the Borrower's rights with respect to the WIFIA Debt Service Account granted to the WIFIA Lender for its benefit pursuant to the WIFIA Loan Documents to which the Borrower is a party, or intended so to be granted pursuant to the WIFIA Loan Documents to which the Borrower is a party, or which the Borrower may become bound to grant, and the Borrower shall at all times maintain the Borrower Revenues and its rights with respect to the WIFIA Debt Service Account free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the Liens with respect to the WIFIA Loans, and all organizational, regulatory or other necessary action on the part of the Borrower to that end shall be duly and validly taken at all times. The Borrower shall at all times, to the extent permitted by law, defend, preserve and protect the Liens on the Borrower Revenues granted pursuant to the WIFIA Loan Documents and for the benefit of the WIFIA Lender under the WIFIA Loan Documents against all claims and demands of all Persons whomsoever.

(b) Use of Proceeds. The Borrower shall use, and shall cause the District pursuant to the relevant WIFIA IPA to use, the proceeds of each WIFIA Loan solely for purposes permitted by this Agreement and the relevant WIFIA Loan Agreement.

(c) Verification Requirements. The Borrower shall comply with Subpart C of 2 C.F.R. Part 180, as supplemented by Subpart C of 2 C.F.R. Part 1532 (relating to debarment), including the verification requirements set forth in 2 C.F.R. §§ 180.300 and 180.320, and shall include in its contracts with respect to each Project similar terms or requirements for compliance.

(d) Operation of the Borrower. The Borrower shall at all times do or cause to be done all things necessary to obtain, preserve, renew, extend and keep in full force and effect the Governmental Approvals and any other rights, licenses, franchises, and authorizations material to the conduct of its business.

(e) Maintain Legal Structure. The Borrower shall maintain its existence as a joint exercise of powers agency organized and existing under its Organizational Documents and the relevant laws of the State.

(f) Compliance with Laws. The Borrower shall comply with all applicable laws, rules, regulations and requirements.

(g) Material Obligations; Payment of Claims.

(i) The Borrower shall pay its material obligations with respect to the Water System promptly and in accordance with their terms.

(ii) The Borrower shall pay and discharge promptly all taxes, assessments and governmental charges or levies imposed upon it or upon the Borrower Revenues, before the same shall become delinquent or in default; provided that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy, claim or Lien so long as the validity or amount thereof shall be contested by the Borrower in good faith by appropriate proceedings and so long as the Borrower shall have set aside adequate reserves with respect thereto in accordance with and to the extent required by GAAP, applied on a consistent basis.

(iii) The Borrower shall pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a Lien on the Borrower Revenues.

(h) Immunity. To the fullest extent permitted by applicable law, the Borrower agrees that it shall not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the Borrower under this Agreement or any other WIFIA Loan Document to which the Borrower is a party.

(i) Accounting and Audit Procedures.

(i) The Borrower shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for Borrower Revenues, debt issued and outstanding and debt payments. The Borrower shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the WIFIA Loans, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts Outstanding.

(ii) The Borrower (or the District on behalf of the Borrower) shall have a single or program-specific audit conducted in accordance with 2 C.F.R. Part 200 Subpart F and 31 U.S.C. § 7502 from (and including) the first Borrower Fiscal Year in which a disbursement is made under the initial WIFIA Loan Agreement and annually thereafter to the extent required by applicable law, except to the extent biennial audits are permitted for the Borrower pursuant to 2 C.F.R. § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the Borrower (or the District on behalf of the Borrower) shall cooperate fully in the conduct of any periodic or compliance audits conducted by the WIFIA Lender, or designees thereof, pursuant to 40 C.F.R. Part 35, 31 U.S.C. § 7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the WIFIA Loans, to the WIFIA Lender, or the designee thereof, for any such project or programmatic audit.

(j) Access; Records.

(i) So long as any WIFIA Loan or any portion thereof shall remain outstanding and until five (5) years after such WIFIA Loan shall have been paid in full, the WIFIA Lender shall have the right, upon reasonable prior notice, to examine books of account and records of the Borrower relating to the relevant Project, to make copies and extracts therefrom at the District's

expense, and to discuss the Borrower's affairs, finances and accounts relating to such WIFIA Loan with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the Borrower irrevocably authorizes its independent public accountants to discuss with the WIFIA Lender the affairs, finances and accounts of the Borrower, whether or not any representative of the Borrower is present, it being understood that nothing contained in this Section 15(j) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the WIFIA Lender may request.

(ii) The Borrower shall maintain and retain all pertinent files relating to the WIFIA Loans, as may be necessary for the WIFIA Lender to facilitate an effective and accurate audit and performance evaluation of the Master Program, until five (5) years after the later of the date on which (A) all rights and duties under this Agreement and under the WIFIA Loan Agreements and the corresponding WIFIA Notes (including payments) have been fulfilled and any required audits have been performed and (B) any litigation relating to the Master Program, the WIFIA Loans, this Agreement or the WIFIA Loan Agreements is finally resolved or, if the WIFIA Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the WIFIA Lender and the Borrower.

(k) Compliance with Contracts. The Borrower shall comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all contracts affecting or involving the Water System (including the Master Program), to the extent that the Borrower is a party thereto.

(l) Further Assurances. The Borrower shall adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and of the WIFIA Loan Agreements and for the better assuring and confirming unto the WIFIA Lender the rights and benefits provided to it herein and in the WIFIA Loan Agreements.

Section 16. Negative Covenants of the Borrower. The Borrower covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower, unless the WIFIA Lender waives compliance in writing:

(a) No Lien Extinguishment or Adverse Amendments. The Borrower shall not, and shall not permit any Person to, without the prior written consent of the WIFIA Lender, (i) extinguish or impair the Liens on the Borrower Revenues or the Borrower's rights with respect to the WIFIA Debt Service Account granted pursuant to this Agreement, (ii) amend, modify, terminate, assign, replace or supplement, or permit a waiver of any provision of, any WIFIA IPA, (iii) amend, modify, replace or supplement any Related Document to which the Borrower is a party (other than any WIFIA IPA) or permit a waiver of any provision thereof in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to result in a Borrower Material Adverse Effect, or (iv) terminate or assign any Related Document to which the Borrower is a party (other than any WIFIA IPA) in a manner that could adversely affect the WIFIA Lender

or could reasonably be expected to have a Borrower Material Adverse Effect. The Borrower shall not take or omit to take any action under any contract if the effect of such act or failure to act would in any manner impair or adversely affect the ability of the District to secure adequate Water Revenues to meet the requirements of the WIFIA Loan Documents.

(b) No Prohibited Liens. Except for the Liens with respect to the WIFIA Loans for the benefit of the WIFIA Lender, the Borrower shall not create, incur, assume or permit to exist any Lien on the Borrower Revenues or its rights with respect to the WIFIA Debt Service Account.

(c) Borrower Fiscal Year. The Borrower shall not at any time adopt any fiscal year other than the Borrower Fiscal Year, except with thirty (30) days' prior written notice to the WIFIA Lender.

(d) Hedging. The Borrower shall not enter into any swap or hedging transaction that is speculative or creates extraordinary leverage or risk, without the prior written consent of the WIFIA Lender.

Section 17. Affirmative Covenants of the District. The District covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower and the District under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower and the District in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower or the District, unless the WIFIA Lender waives compliance in writing:

(a) Rate Covenant.

(i) The District, to the fullest extent permitted by law, shall, at all times, fix, prescribe and collect Water Revenues for Water Service which shall be at least sufficient to yield during each District Fiscal Year Net Water Revenues equal to one hundred ten percent (110%) of Debt Service and one hundred percent (100%) of Policy Costs (the "**Rate Covenant**").

(ii) For the purpose of computing the amount of Net Water Revenues for any District Fiscal Year under the Rate Covenant described above, (i) amounts transferred from the Water Revenue Fund to the Rate Stabilization Fund during such District Fiscal Year shall be included and (ii) amounts transferred from the Rate Stabilization Fund to the Water Revenue Fund shall not exceed ten percent (10%) of Debt Service payable in the applicable District Fiscal Year; provided that no amounts transferred to or from the Rate Stabilization Funding during such District Fiscal Year shall be double-counted for purposes of such computation.

(iii) In accordance with Section 6.13 (*Collection of Rates and Charges*) of each WIFIA IPA, the District will have in effect at all times by-laws, rules and regulations requiring each customer to pay the rates and charges applicable to the Water Service and providing for the billing thereof and for a due date and a delinquency date for each bill.

(b) Securing Liens. The District shall at any and all times, to the extent permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable in connection with assuring, conveying, granting, assigning, securing and confirming the Liens on

the Pledged Collateral (whether now existing or hereafter arising) granted to the Borrower for its benefit pursuant to each WIFIA IPA, or intended so to be granted pursuant to each WIFIA IPA, or which the District may become bound to grant, and the District shall at all times maintain the Pledged Collateral free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto that has priority over, or equal rank with, the Liens created by such WIFIA IPA, other than as permitted by this Agreement, the relevant WIFIA Loan Agreement and such WIFIA IPA, and all organizational, regulatory or other necessary action on the part of the District to that end shall be duly and validly taken at all times. The District shall at all times, to the extent permitted by law, defend, preserve and protect the Liens on the Pledged Collateral granted for the benefit of the Borrower pursuant to each WIFIA IPA against all claims and demands of all Persons whomsoever, subject to Permitted Liens.

(c) Use of Proceeds. The District shall use the proceeds of each WIFIA Loan solely for purposes permitted by applicable law, the relevant WIFIA IPA and the other Related Documents to which the District is a party.

(d) Prosecution of Work; Verification Requirements.

(i) The District, as agent of the Borrower pursuant to each WIFIA IPA, shall diligently prosecute the work relating to, and complete, each Project in accordance with the Construction Schedule for such Project, the Governmental Approvals in connection with such Project, and the highest standards of the District's industry.

(ii) The District shall comply with Subpart C of 2 C.F.R. Part 180, as supplemented by Subpart C of 2 C.F.R. Part 1532 (relating to debarment), including the verification requirements set forth in 2 C.F.R. §§ 180.300 and 180.320, and shall include in its contracts with respect to each Project similar terms or requirements for compliance.

(e) Maintenance and Operation of the Water System. The District shall maintain and preserve the Projects and the Water System in good repair and working order at all times, operate the Project and the Water System in an efficient and economical manner and substantially in accordance with its maintenance and operation plan (that incorporates the Master Program) and pay all Operation and Maintenance Costs as they become due and payable. The District shall at all times do or cause to be done all things necessary to obtain, preserve, renew, extend and keep in full force and effect the Governmental Approvals and any other rights, licenses, franchises, and authorizations material to the conduct of its business.

(f) Insurance; Eminent Domain; Net Proceeds.

(i) Insurance; Net Proceeds.

(A) The District shall procure and maintain or cause to be procured and maintained insurance on the Water System with responsible insurers in such amounts and against such risks (including accident to or destruction of the Water System) as are usually covered in connection with facilities that are similar to the Water System so long as such insurance is available from reputable insurance companies at reasonable rates.

(B) The District shall procure and maintain such other insurance which it shall deem advisable or necessary to protect its interests and the interests of the Borrower, which insurance shall afford protection in such amounts and against such risks as are usually covered in connection with municipal facilities similar to the Water System.

(C) Any insurance required to be maintained by Section 17(f)(i)(A) and Section 17(f)(i)(B) above may be maintained under a self-insurance program so long as such self-insurance is maintained in the amounts and manner usually maintained in connection with facilities, properties, structures and works similar to the Water System and is, in the opinion of an accredited actuary, actuarially sound.

(D) Except for any self-insurance, the District shall cause (1) all liability insurance policies that it maintains (excluding property damage, automobile or workers' compensation insurance), to reflect the WIFIA Lender as an additional insured to the extent of its insurable interest and (2) all required insurance policies to provide that the Borrower shall be given thirty (30) days' written notice of any intended cancellation thereof or reduction of coverage provided thereby (and promptly upon receipt of such notice, the Borrower shall deliver to the WIFIA Lender a copy of such notice).

(E) Promptly upon request by the WIFIA Lender, the District shall deliver to the WIFIA Lender certificates of insurance and copies of any underlying insurance policies obtained by or on behalf of the Borrower or the District in respect of Master Program or, as applicable, a letter of self-insurance. All such insurance policies shall be available at all reasonable times for inspection by the WIFIA Lender, its agents and representatives.

(F) In the event of any damage to or destruction of the Water System caused by the perils covered by any insurance on the Water System, the Net Proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the Water System. The District shall begin such reconstruction, repair or replacement promptly after such damage or destruction shall occur, and shall continue and properly complete such reconstruction, repair or replacement as expeditiously as possible, and shall pay out of such Net Proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the Water System shall be free and clear of all claims and Liens.

(G) If such Net Proceeds exceed the costs of such reconstruction, repair or replacement portion of the Water System, and/or the cost of the construction of additions, betterments, extensions or improvements to the Water System, then the excess Net Proceeds shall be applied in part to the prepayment of each WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and in part to such other funds or accounts as may be appropriate and used for the retirement of the Obligations (other than the WIFIA Loans) in the same proportion which the Outstanding WIFIA Loan Balance for such WIFIA Loan then bears to the aggregate unpaid principal amount of the Obligations (other than the WIFIA Loans). If such Net Proceeds are sufficient to enable the District to retire the entire Outstanding WIFIA Loan Balance (and all interest accrued thereon) for each WIFIA Loan prior to the Final Maturity Date of such WIFIA Loan as well as all Obligations then remaining unpaid prior to their final respective due dates, the District may elect not to reconstruct, repair or

replace the damaged or destroyed portion of the Water System, and thereupon such Net Proceeds shall be applied to the prepayment in full of such WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and to the retirement in full of all Obligations.

(ii) Eminent Domain; Net Proceeds. If all or any part of the Water System shall be taken by eminent domain proceedings, the Net Proceeds thereof shall be applied as follows:

(A) If (1) the District files with the Borrower and the WIFIA Lender a certificate showing (x) the estimated loss of annual Net Water Revenues, if any, suffered or to be suffered by the District by reason of such eminent domain proceedings, (y) a general description of the additions, betterments, extensions or improvements to the Water System proposed to be acquired and constructed by the District from such Net Proceeds, and (z) an estimate of the additional annual Net Water Revenues to be derived from such additions, betterments, extensions or improvements, and (2) the District, on the basis of such certificate filed with the Borrower and the WIFIA Lender, determines that the estimated additional annual Net Water Revenues will sufficiently offset the estimated loss of annual Net Water Revenues resulting from such eminent domain proceedings so that the ability of the District to meet its obligations hereunder will not be substantially impaired (which determination shall be final and conclusive), then the District shall promptly proceed with the acquisition and construction of such additions, betterments, extensions or improvements substantially in accordance with such certificate and such Net Proceeds shall be applied for the payment of the costs of such acquisition and construction, and any balance of such Net Proceeds not required by the District for such purpose shall be deposited in the Water Revenue Fund.

(B) If any of the conditions set forth in Section 17(s)(i) above are not met, then such Net Proceeds shall be applied by the District in part to the prepayment of the WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and in part to such other funds or accounts as may be appropriate and used for the retirement of the Obligations (other than the WIFIA Loan) in the same proportion which the Outstanding WIFIA Loan Balance then bears to the aggregate unpaid principal amount of the Obligations (other than the WIFIA Loan).

(g) Maintain Legal Structure. The District shall maintain its existence as an irrigation district organized and existing under its Organizational Documents and the laws of the State.

(h) Water Revenue Fund; Permitted Investments.

(i) The District shall maintain the Water Revenue Fund in accordance with the terms hereof and the other WIFIA Loan Documents. All Water Revenues received shall be deposited in the Water Revenue Fund when and as received in trust for the benefit of the holders of the Obligations, subject to the application of Water Revenues in accordance with Section 5.2 (*Allocation of Water Revenues*) of each WIFIA IPA. The District shall maintain and hold separate and apart from other funds the Water Revenue Fund so long as any Obligations remain unpaid. Moneys in the Water Revenue Fund shall be used and applied by the District as provided in the Flow of Funds.

(ii) All moneys held by the District in the Water Revenue Fund shall be invested in Permitted Investments and the investment earnings thereon shall remain on deposit in such fund, except as otherwise provided herein.

(i) WIFIA Debt Service Account. The District, as agent of the Borrower pursuant to each WIFIA IPA, shall (i) establish the “WIFIA Debt Service Account” on or prior to the Effective Date and (ii) maintain the WIFIA Debt Service Account in accordance with such WIFIA IPA for the benefit of the Borrower. The WIFIA Debt Service Account shall be subject to a Lien and has been pledged by the District under such WIFIA IPA to the Borrower as security solely for the benefit of the Borrower and shall not be subject to any security interest in favor of any Person other than the Borrower. Amounts on deposit in the WIFIA Debt Service Account shall be applied by the District, as agent of the Borrower pursuant to such WIFIA IPA, solely to pay WIFIA Debt Service and other amounts due with respect to the applicable WIFIA Loan or WIFIA Note.

(j) Compliance with Laws.

(i) The District shall, and shall require the contractors and subcontractors at all tiers with respect to the Master Program to, comply with all applicable laws, rules, regulations and requirements, including 40 U.S.C. §§3141-3144, 3146, and 3147 (relating to Davis-Bacon Act requirements) (and regulations relating thereto), 33 U.S.C. §3914 (relating to American iron and steel products), 20 C.F.R. § 180.320 and 20 C.F.R. §1532 (relating to non-debarment), 31 U.S.C. §1352 (relating to non-lobbying), and any applicable Sanctions Laws.

(k) Material Obligations; Payment of Claims.

(i) The District shall pay its material obligations with respect to the Water System promptly and in accordance with their terms.

(ii) The District shall pay and discharge promptly all taxes, assessments and governmental charges or levies imposed upon it or upon the Pledged Collateral or other assets of the Water System (including the Master Program), before the same shall become delinquent or in default; provided that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy, claim or Lien so long as the validity or amount thereof shall be contested by the District in good faith by appropriate proceedings and so long as the District shall have set aside adequate reserves with respect thereto in accordance with and to the extent required by GAAP, applied on a consistent basis.

(iii) The District shall pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a Lien on the Water System (or any part thereof), the WIFIA Debt Service Account, the Master Program, the Pledged Collateral or any fund or account of the District pledged to pay the Obligations.

(l) SAM Registration. The District shall obtain prior to the Effective Date (and provide such registration information to the WIFIA Lender) and maintain through each Final Disbursement Date an active registration status with the federal System for Award Management (www.SAM.gov) (or any successor system or registry).

(m) Unique Entity Identifier. The District shall obtain prior to the Effective Date (and provide to the WIFIA Lender) and maintain through each Final Maturity Date a Unique Entity Identifier.

(n) Immunity. To the fullest extent permitted by applicable law, the District agrees that it shall not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the District under this Agreement or any other WIFIA Loan Document to which the District is a party.

(o) Accounting and Audit Procedures.

(i) The District shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for all of the following: (A) Water Revenues, and Operation and Maintenance Costs, and, with respect to the Water System, capital expenses, depreciation, reserves, debt issued and outstanding and debt payments; and (B) Project-related costs, WIFIA Loan requisitions submitted, WIFIA Loan proceeds received, payments made by the District, as an agent of the Borrower pursuant to each WIFIA IPA, with regard to the Projects, and other sources of funding for the Projects (including amounts paid from such sources for Project costs so that audits may be performed to ensure compliance with and enforcement of this Agreement and the WIFIA Loan Agreements). The District shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the WIFIA Installment Payments, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts Outstanding.

(ii) The District shall have a single or program-specific audit conducted in accordance with 2 C.F.R. Part 200 Subpart F and 31 U.S.C. § 7502 from (and including) the first District Fiscal Year in which a disbursement is made under the initial WIFIA Loan Agreement and annually thereafter to the extent required by applicable law, except to the extent biennial audits are permitted for the District pursuant to 2 C.F.R. § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the District shall cooperate fully in the conduct of any periodic or compliance audits conducted by the WIFIA Lender, or designees thereof, pursuant to 40 C.F.R. Part 35, 31 U.S.C. § 7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the Master Program or the WIFIA Loans, to the WIFIA Lender, or the designee thereof, for any such project or programmatic audit.

(p) Access; Records.

(i) So long as any WIFIA Loan or any portion thereof shall remain outstanding and until five (5) years after such WIFIA Loan shall have been paid in full by the Borrower, the WIFIA Lender shall have the right, upon reasonable prior notice, to visit and inspect any portion of the relevant Project, to examine books of account and records of the District relating to such Project, to make copies and extracts therefrom at the District's expense, and to discuss the District's affairs, finances and accounts relating to such Project with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the District irrevocably authorizes its independent public accountants to discuss with the WIFIA Lender the affairs, finances and accounts of the District, whether or not any representative of the District is present, it being understood that nothing contained in this Section 17(p) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the WIFIA Lender may request. The District agrees to pay all out-of-pocket expenses incurred by the WIFIA Lender in connection with the WIFIA Lender's exercise of its rights under this Section 17(p) at any time when an Event of Default shall have occurred and be continuing.

(ii) The District shall maintain and retain all pertinent files relating to the Master Program and the WIFIA Loans, as may be necessary for the WIFIA Lender to facilitate an effective and accurate audit and performance evaluation of the Master Program, until five (5) years after the later of the date on which (A) all rights and duties of the District or the Borrower under this Agreement and under the WIFIA Loan Agreements and corresponding WIFIA Notes (including payments) have been fulfilled and any required audits have been performed and (B) any litigation relating to the Master Program, the WIFIA Loans, this Agreement or the WIFIA Loan Agreements is finally resolved or, if the WIFIA Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the WIFIA Lender and the District. The District shall provide to the WIFIA Lender in a timely manner all records and documentation relating to the Master Program that the WIFIA Lender may reasonably request from time to time.

(q) Compliance with Contracts. The District shall comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all contracts affecting or involving the Water System (including the Master Program), to the extent that the District is a party thereto.

(r) Protection of Security and Rights of the Borrower. The District shall preserve and protect the security and the rights of the Borrower and the WIFIA Lender to the WIFIA Installment Payments and the WIFIA Debt Service Account under each WIFIA IPA and shall warrant and defend such rights against all claims and demands of all persons.

(s) Further Assurances. The District will adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and of the WIFIA Loan Agreements and WIFIA IPAs and for the better assuring and confirming unto the WIFIA Lender the rights and benefits provided to it herein and in the WIFIA Loan Agreements and WIFIA IPAs.

Section 18. Negative Covenants of the District. The District covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower and the District under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to

the extent applicable) are irrevocably paid in full by the Borrower and the District in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower or the District, unless the WIFIA Lender waives compliance in writing:

(a) Indebtedness.

(i) The District shall not create, incur or suffer to exist (A) any Additional Senior Obligations (provided that Refunding Senior Obligations may be issued for the purpose of refunding any Senior Obligations then Outstanding so long as the issuance of such Refunding Senior Obligations shall not result in (1) an extension of the final maturity date of the Senior Obligations to be refunded or (2) an increase in annual debt service in any year by more than five percent (5%)); (B) any Obligations, all or a portion of the proceeds of which are or will be applied at any time to fund all or any portion of Total Project Costs of any Project, that are secured by a Lien on any assets or property of the District other than the Pledged Collateral; (C) any Obligations, all or a portion of the proceeds of which are or will be applied at any time to fund any purchase, construction, condemnation, acquisition or expansion of the Water System, that are secured by a Lien on the Pledged Collateral or payable from the Pledged Collateral except in either case, Parity Obligations, or obligations so secured on a basis subordinate to the Parity Obligations; or (D) any Senior Project Obligations. While an Event of Default relating to a Payment Default or a Bankruptcy Related Event has occurred and is continuing, the District shall not incur any indebtedness of any kind payable from, secured or supported by the Pledged Collateral without the prior written consent of the WIFIA Lender.

(b) Additional Parity Obligations. The District may incur Additional Parity Obligations in accordance with the terms of this Agreement; provided that:

(i) the Net Water Revenues for the last audited District Fiscal Year, or for any consecutive twelve (12) calendar month-period during the eighteen (18) calendar month-period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such District Fiscal Year or other twelve (12) month-period;

(ii) the Net Water Revenues for the last audited District Fiscal Year, or for any consecutive twelve (12) calendar month-period during the eighteen (18) calendar-month period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, including adjustments to give effect as of the first day of such District Fiscal Year or other twelve (12) month-period, to increases or decreases in rates and charges with respect, or applicable, to the Water System approved and in effect as of the date of calculation, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such District Fiscal Year or other twelve (12) month-period, plus the Debt Service which would have accrued on any Contracts executed or Bonds issued since the end of such District Fiscal Year or

other twelve (12) month-period, assuming that such Contracts had been executed or Bonds had been issued at the beginning of such District Fiscal Year or other twelve (12) month-period, plus the Debt Service which would have accrued had such proposed additional Contract been executed or proposed additional Bonds been issued at the beginning of such District Fiscal Year or other twelve (12) month-period; and

(iii) the estimated Net Water Revenues for the then current District Fiscal Year and for each District Fiscal Year thereafter, including (after giving effect to the completion of all such uncompleted improvements to the Water System) an allowance for estimated Net Water Revenues for each of such District Fiscal Years arising from any increase in the income, rents, fees, rates and charges estimated to be fixed and prescribed or received for the Water Service and which are economically feasible and reasonably considered necessary based on projected operations for a period of not to exceed five (5) years, as evidenced by a certificate of the Manager on file with the District, shall produce a sum equal to at least one hundred ten percent (110%) of the estimated Debt Service and one hundred percent (100%) of any Policy Costs for each of such District Fiscal Years, after giving effect to the execution of all Contracts and the issuance of all Bonds estimated to be required to be executed or issued to pay the costs of completing all uncompleted improvements to the Water System within such District Fiscal Years.

For the purpose of computing the amount of Net Water Revenues for any District Fiscal Year under the Additional Parity Obligations test described in Section 18(b) above, the amount of Water Revenues yielding Net Water Revenues may be increased by Budgeted Transfers (excluding amounts transferred from the Water Revenue Fund to the Rate Stabilization Fund) (measured as of the last day of the immediately preceding District Fiscal Year), such amount to be no greater than ten percent (10%) of Debt Service payable in the applicable District Fiscal Year.

(c) Notwithstanding the foregoing, Bonds issued or Contracts executed, on a parity basis with the WIFIA Installment Payments due under each WIFIA IPA, to refund Bonds or prepay Contracts may be delivered without satisfying the conditions set forth above if Debt Service in each District Fiscal Year after the District Fiscal Year in which such Bonds are issued or Contracts are executed is not greater than one hundred ten (110%) of the Debt Service which would have been payable in each such District Fiscal Year prior to the issuance of such Bonds or execution of such Contracts.

(d) No Lien Extinguishment or Adverse Amendments. The District shall not, and shall not permit any Person to, without the prior written consent of the WIFIA Lender, (i) extinguish the Rate Covenant, (ii) extinguish or impair the Liens on the Pledged Collateral granted pursuant to any WIFIA IPA, (iii) amend, modify, terminate, assign, replace or supplement, or permit a waiver of any provision of, any WIFIA IPA, (iv) amend, modify, replace or supplement any Related Document to which the District is a party (other than any WIFIA IPA) or permit a waiver of any provision thereof in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to result in a Material Adverse Effect, or (v) terminate or assign any Related Document to which the District is a party in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to have a Material Adverse Effect. The District shall not take or omit to take any action under any contract if the effect of such act or failure to act would in any manner impair or adversely affect the ability of the District to secure adequate Water Revenues to meet the requirements of the WIFIA IPAs.

(e) No Prohibited Liens. Except for Permitted Liens, the District shall not create, incur, assume or permit to exist any Lien on the Water System, the Projects, the Pledged Collateral, or the District's respective rights therein.

(f) Restricted Payments and Transfers. The District shall not permit Water Revenues or any funds in any other fund or account held by or on behalf of the District with respect to the Water System, to be paid or transferred or otherwise applied for purposes that would violate the terms of Section 5.2 (*Allocation of Water Revenues*) of the WIFIA IPAs.

(g) District Fiscal Year. The District shall not at any time adopt any fiscal year other than the District Fiscal Year, except with thirty (30) days' prior written notice to the WIFIA Lender.

(h) Hedging. The District shall not enter into any swap or hedging transaction that is speculative or creates extraordinary leverage or risk, without the prior written consent of the WIFIA Lender.

(i) Against Sale or Other Disposition of Property. The District shall not sell, lease or otherwise dispose of the Water System or any part thereof essential to the proper operation of the Water System or to the maintenance of the Water Revenues, and shall not enter into any agreement or lease which impairs the operation of the Water System or any part thereof necessary to secure adequate Water Revenues to meet the requirements of each WIFIA IPA, or which would otherwise impair the rights of the Borrower under each WIFIA IPA or the operation of the Water System. Any real or personal property which has become nonoperative or which is not needed for the efficient and proper operation of the Water System, or any material or equipment which has become worn out, may be sold if (i) such sale will not reduce the Net Water Revenues below the requirements to be maintained under Section 17(a) (*Affirmative Covenants of the District – Rate Covenant*), (ii) such sale will not impair the ability of the District to pay the WIFIA Installment Payments, and (iii) if the proceeds of such sale are deposited in the Water Revenue Fund. Nothing herein shall restrict the ability of the District to sell any portion of the Water System if such portion is immediately repurchased by the District and if such arrangement cannot by its terms result in the purchaser of such portion of the Water System exercising any remedy which would deprive the District of or otherwise interfere with its right to own and operate such portion of the Water System.

(j) Against Competitive Facilities. The District shall not, to the extent permitted by law, acquire, construct, complete, maintain or operate and shall not, to the extent permitted by law and within the scope of its powers, permit any other public or private agency, corporation, district or political subdivision or any person whomsoever to acquire, construct, complete, maintain or operate within the District any facilities competitive with the Water System.

Section 19. Reporting Requirements of the Borrower.

(a) Annual Financial Statements. The Borrower shall deliver to the WIFIA Lender, as soon as available, and within one hundred eighty (180) days after the end of each Borrower Fiscal Year (provided that the failure of the Borrower to furnish the documents required by this Section 19(a) within such one hundred eighty (180)-day period shall not constitute a Default or an Event

of Default hereunder or under the WIFIA Loan Agreements so long as the Borrower furnishes to the WIFIA Lender such documents within ninety (90) days after the end of such period; provided further that the parties agree that delivering the documents required by this Section 19(a) within such additional ninety (90)-day period shall not, in and of itself, constitute a default under this Agreement or the WIFIA Loan Agreements, an event of acceleration under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a termination event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a modification of terms with respect to this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, or other similar event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes reflecting financial difficulties), a copy of the audited Borrower Financial Statements as of the end of such Borrower Fiscal Year, (i) setting forth in each case in comparative form the figures for the previous fiscal year, (ii) certified without qualification or exception, or qualification as to the scope of the audit, by an independent public accounting firm selected by the Borrower and (iii) which shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein (except for changes approved or required by the independent public accountants certifying such statements and disclosed therein); provided that the delivery of such audited Borrower Financial Statements can be accomplished through the posting of such document on EMMA under the WIFIA CUSIP Number.

(b) Notices.

(i) The Borrower shall, within fifteen (15) days after it learns of the occurrence, give the WIFIA Lender notice of any of the following events or receipt of any of the following notices, as applicable, setting forth details of such event (provided that the Borrower shall not be obligated to provide such notice to the WIFIA Lender if notice of such event has already been provided to the WIFIA Lender by the District):

(A) Defaults; Events of Default: any Default or Event of Default;

(B) Litigation: (1) the filing of any litigation, suit or action, or the commencement of any proceeding, against the Borrower before any arbitrator, Governmental Authority, alternative dispute resolution body, or other neutral third-party, or the receipt by the Borrower in writing of any threat of litigation, suit, action, or proceeding, or of any written claim against the Borrower that, in each case, could reasonably be expected to have a Borrower Material Adverse Effect, and any material changes in the status of such litigation, suit, action or claim, and (2) any judgments against the Borrower that could reasonably be expected to have a Borrower Material Adverse Effect, either individually or in the aggregate;

(C) Amendments: except as otherwise agreed by the WIFIA Lender in writing, copies of fully executed amendments, modifications, replacements or supplements to any Related Document to which the Borrower is a party within ten (10) days following execution thereof; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(D) Related Document Defaults: any material breach or default or event of default on the part of the Borrower or any other party under any Related Document to which

the Borrower is a party; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(E) 2 C.F.R. § 180.350 Notices: any notification required pursuant to 2 C.F.R. § 180.350, whether attributable to a failure by the Borrower to disclose information previously required to have been disclosed or due to the Borrower or any of the Borrower's principals meeting any of the criteria set forth in 2 C.F.R. § 180.335;

(F) Issuance of Indebtedness: copies of any final issuing instrument (together with any continuing disclosure documents, ordinances, official statement, certifications or cash flow projections in connection therewith), prepared in connection with the incurrence of any indebtedness; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(G) Postings on EMMA: the posting of any document of the Borrower on EMMA in accordance with the requirements of any continuing disclosure agreement or similar document relating to annual financial information and operating data and the reporting of significant events; provided that such notice can be accomplished through the posting of the relevant document on EMMA under the WIFIA CUSIP Number; and

(H) Other Adverse Events: the occurrence of any other event or condition that could reasonably be expected to result in a Material Adverse Effect.

(ii) Within thirty (30) calendar days after the Borrower learns of the occurrence of an event specified in clause (i) above (other than sub-clauses (C) (*Amendments*), (F) (*Issuance of Indebtedness*) or (G) (*Postings on EMMA*)), the Borrower's Authorized Representative shall provide a statement to the WIFIA Lender setting forth the actions the Borrower proposes to take with respect thereto; provided that the Borrower shall not be required to provide such information if and to the extent such information has been provided by the District. The Borrower shall also provide the WIFIA Lender with any further information reasonably requested by the WIFIA Lender from time to time concerning the matters described in clause (i) above.

(c) Requested Information. The Borrower shall, at any time while any WIFIA Loan remains outstanding, promptly deliver to the WIFIA Lender such additional information regarding the business, financial, legal or organizational affairs of the Borrower or the Borrower Revenues as the WIFIA Lender may from time to time reasonably request. The Borrower agrees that the delivery of any documents or information under and pursuant to this Agreement shall not be construed as compliance with, or affect in any manner, any obligations of the Borrower under any other contracts, agreements, decrees, Governmental Approvals, or other documents with EPA (other than the WIFIA Loan Documents) or the Government.

Section 20. Reporting Requirements of the District.

(a) Updated Financial Model/Plan. The District shall provide to the WIFIA Lender not later than one hundred eighty (180) days after the end of each District Fiscal Year, an Updated Financial Model/Plan. The Updated Financial Model/Plan shall reflect the District's reasonable expectations, using assumptions that the District believes to be reasonable, and include: (i) the District's capital improvement plan, major maintenance plan, projected rates and charges,

projected debt outstanding and annual debt service, projected Water Revenues, projected Borrower Revenues, and projected Operation and Maintenance Costs for a reasonable projection period consistent with the District's operating and financial planning and demonstrating that the District has developed and identified adequate revenues to implement a plan for operating, maintaining, and repairing the Water System (including the Master Program); (ii) evidence of compliance with the Rate Covenant for the most recent District Fiscal Year for which the District Financial Statements are available and the projected debt service coverage ratios (including projected Rate Covenant coverages) through the Forecast Period; and (iii) a written narrative identifying any material changes to the underlying assumptions from the previous Updated Financial Model/Plan.

(b) Annual Financial Statements. The District shall deliver to the WIFIA Lender, as soon as available, and within one hundred eighty (180) days after the end of each District Fiscal Year (provided that the failure of the District to furnish the documents required by this Section 20(b) within such one hundred eighty (180)-day period shall not constitute a Default or an Event of Default hereunder or under the WIFIA Loan Agreements so long as the District furnishes to the WIFIA Lender such documents within ninety (90) days after the end of such period; provided further that the parties agree that delivering the documents required by this Section 20(b) within such additional ninety (90)-day period shall not, in and of itself, constitute a default under this Agreement or the WIFIA Loan Agreements, an event of acceleration under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a termination event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a modification of terms with respect to this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, or other similar event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes reflecting financial difficulties), a copy of the audited District Financial Statements as of the end of such District Fiscal Year, (i) setting forth in each case in comparative form the figures for the previous fiscal year, (ii) certified without qualification or exception, or qualification as to the scope of the audit, by an independent public accounting firm selected by the District and (iii) which shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein (except for changes approved or required by the independent public accountants certifying such statements and disclosed therein); provided that the delivery of such audited District Financial Statements can be accomplished through the posting of such document on EMMA under the WIFIA CUSIP Number.

(c) Construction Reporting.

(i) Construction Monitoring. The WIFIA Lender shall have the right in its sole discretion to monitor (or direct its agents to monitor) the development of the Master Program, including environmental compliance, design/planning, completion and construction of the Projects. The District shall be responsible for administering design/planning and construction oversight of each Project in accordance with applicable federal, state and local governmental requirements. The District agrees to cooperate in good faith with the WIFIA Lender in the conduct of such monitoring by promptly providing the WIFIA Lender with any Construction Contracts (together with any related contracts, side letters or other understandings) and such reports, documentation or other information as shall be requested by the WIFIA Lender or its agents, including any independent engineer reports, documentation or information.

(ii) Construction Monitoring Report. During the period beginning from the first quarter following bid advertisement of the first Construction Contract entered into for each Project, through and until Substantial Completion of such Project, the District shall furnish to the WIFIA Lender, on a quarterly basis, a Construction Monitoring Report for such Project in substantially the form attached hereto as **Exhibit H** (*Form of Construction Monitoring Report*). Each Construction Monitoring Report shall be delivered to the WIFIA Lender within thirty (30) days of the end of each such quarter (or if such day is not a Business Day, on the next following Business Day). If the then-current projection for the Substantial Completion Date of any Project is a date later than the Projected Substantial Completion Date of such Project, the District shall provide in such Construction Monitoring Report a description in reasonable detail to the reasonable satisfaction of the WIFIA Lender of the reasons for such projected delay or difference. The Projected Substantial Completion Date for such Project shall automatically be adjusted to the new date specified by the District in such Construction Monitoring Report unless the WIFIA Lender objects to the adjustment in writing to the District within sixty (60) days following receipt of such Construction Monitoring Report on the basis that such report does not demonstrate the matters specified in this paragraph.

(iii) Quarterly Certification of Eligible Project Costs. With respect to any Project, if requested by the WIFIA Lender (on a basis not more frequently than quarterly), the District shall submit to the WIFIA Lender, concurrently with the delivery of the relevant Construction Monitoring Report, a certificate in the form of **Exhibit C** (*Form of Certification of Eligible Project Costs Documentation*), signed by the District's Authorized Representative and attaching Eligible Project Costs Documentation as applicable. If there are no applicable Eligible Project Costs for such quarter for such Project, the District may notify the WIFIA Lender by written confirmation of the same by email in accordance with Section 36 (*Notices*). Within sixty (60) days following the receipt of such certificate and accompanying Eligible Project Costs Documentation (if applicable), the WIFIA Lender shall notify the District confirming (A) which Eligible Project Costs set forth in the certification have been approved or denied (and, if denied, the reasons therefor) and (B) the cumulative amount of Eligible Project Costs that have been approved as of the date of such notice. Any such approved amounts of Eligible Project Costs shall then be deemed to be available for disbursement at such time as the District submits a Requisition in respect of such approved amounts in accordance with Section 4 (*Disbursement Conditions*).

(iv) Final Specifications. The District shall deliver to the WIFIA Lender, prior to bid advertisement for each Project (including each sub-project or component, if applicable), a copy of the final specifications relating to the development and construction of such Project (or such sub-project or component, as the case may be), demonstrating compliance with all applicable federal requirements, and including a summary of the scope of work thereunder. For the avoidance of doubt, no prior consent or approval by the WIFIA Lender shall be required for the District to proceed with such bid advertisement and the relevant procurement for the development and construction of such Project.

(d) Public Benefits Report. With respect to each Project, the District shall deliver to the WIFIA Lender a report, in the form of **Exhibit I** (*Form of Public Benefits Report*) (the "**Public Benefits Report**"), (i) prior to the applicable WIFIA Loan Agreement Effective Date, (ii) within ninety (90) days following the applicable Substantial Completion Date and (iii) within ninety (90) days following the fifth (5th) anniversary of such Substantial Completion Date. The District agrees

that information described under this Section 20(d) may be made publicly available by the WIFIA Lender at its discretion.

(e) Operations and Maintenance. The WIFIA Lender shall have the right, in its sole discretion, to monitor (or direct its agents to monitor) each Project's operations and, as the WIFIA Lender may request from time to time, to receive reporting on the operation and management of each Project, and copies of any contracts relating to the operation and maintenance of each Project. The District agrees to cooperate in good faith with the WIFIA Lender in the conduct of such monitoring by promptly providing the WIFIA Lender with such reports, documentation, or other information requested by the WIFIA Lender. The WIFIA Lender has the right, in its sole discretion, to retain such consultants or advisors, to carry out the provisions of this Section 20(e).

(f) Notices.

(i) The District shall, within fifteen (15) days after it learns of the occurrence, give the WIFIA Lender notice of any of the following events or receipt of any of the following notices, as applicable, setting forth details of such event (provided that the District shall not be obligated to provide such notice to the WIFIA Lender if notice of such event has already been provided to the WIFIA Lender by the Borrower):

(A) Substantial Completion: the occurrence of Substantial Completion of each Project, such notice to be provided in the form set forth in **Exhibit G** (*Form of Certificate of Substantial Completion*);

(B) Defaults; Events of Default: any Default or Event of Default;

(C) Litigation: (1) the filing of any litigation, suit or action, or the commencement of any proceeding, against the District before any arbitrator, Governmental Authority, alternative dispute resolution body, or other neutral third-party, or the receipt by the District in writing of any threat of litigation, suit, action, or proceeding, or of any written claim against the District that, in each case, could reasonably be expected to have a District Material Adverse Effect, and any material changes in the status of such litigation, suit, action or claim, and (2) any judgments against the District that could reasonably be expected to have a District Material Adverse Effect, either individually or in the aggregate;

⁷ **Note to Borrower:** Please provide preferred email address for the Borrower and District.

whether known, unknown, contingent or otherwise, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (a) the execution, delivery and performance of this Agreement or any of the other Related Documents, (b) the WIFIA Loans or the use of the proceeds thereof, or (c) the violation of any law, rule, regulation, order, decree, judgment or administrative decision relating to the environment, the preservation or reclamation of natural resources, the management, release or threatened release of any hazardous material or to health and safety matters; in each case arising out of or in direct relation to the Master Program; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, fines, penalties, costs or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In case any action or proceeding is brought against an Indemnitee by reason of any claim with respect to which such Indemnitee is entitled to indemnification hereunder, the Borrower and the District shall each be entitled, at its expense, to participate in the defense thereof; provided that such Indemnitee has the right to retain its own counsel, at the expense of the Borrower or the District, as applicable, and such participation by the Borrower and/or the District in the defense thereof shall not release the Borrower or the District of any liability that it may have to such Indemnitee. Any Indemnitee against whom any indemnity claim contemplated in this Section 37 is made shall be entitled, after consultation with the Borrower and the District and upon consultation with legal counsel wherein such Indemnitee is advised that such indemnity claim is meritorious, to compromise or settle any such indemnity claim. Any such compromise or settlement shall be binding upon the Borrower and the District for purposes of this Section 37. Nothing herein shall be construed as a waiver of any legal immunity that may be available to any Indemnitee. To the extent permitted by applicable law, none of the Borrower, the District, or the WIFIA Lender shall assert, and the Borrower, the District, and the WIFIA Lender each hereby waives, any claim against any Indemnitee, the Borrower, or the District, respectively, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any of the other Related Documents, the other transactions contemplated hereby and thereby, the WIFIA Loans or the use of the proceeds thereof; provided that nothing in this sentence shall limit the Borrower's or the District's indemnity obligations to the extent such damages are included in any third party claim in connection with which an Indemnitee is entitled to indemnification hereunder. All amounts due to any Indemnitee under this Section 37 shall be payable promptly upon demand therefor. The obligations of the Borrower and the District under this Section 37 shall survive the payment or prepayment in full of any WIFIA Note pursuant to Section 8 (*Payment of Principal and Interest*) or Section 9 (*Prepayment*), the enforcement of any provision of this Agreement or the other Related Documents, any amendments, waivers (other than amendments or waivers in writing with respect to this Section 37) or consents in respect hereof or thereof, any Event of Default, and any workout, restructuring or similar arrangement of the obligations of the Borrower or the District hereunder or thereunder.

BOARD MEMORANDUM

DATE: May 13, 2024

TO: BOARD OF DIRECTORS

FROM: Mr. Dennis Hoffmeyer, Finance Manager/CFO

VIA: Mr. Dennis D. LaMoreaux, General Manager

RE: ***CONSIDERATION AND POSSIBLE ACTION ON APPROVAL OF RESOLUTION NO. 24-6 BEING A RESOLUTION OF THE BOARD OF DIRECTORS OF THE PALMDALE WATER DISTRICT AUTHORIZING THE EXECUTION AND DELIVERY OF A WIFIA INSTALLMENT PURCHASE AGREEMENT, WIFIA LOAN AGREEMENT, AND WIFIA TERM SHEET AND CERTAIN OTHER DOCUMENTS AND AUTHORIZING CERTAIN ACTS IN CONNECTION THEREWITH. (FINANCE MANAGER HOFFMEYER)***

Recommendation:

Staff recommends that the District Board adopt Resolution No. 24-6 being a Resolution of the Board of Directors of the Palmdale Water District Authorizing the Execution and Delivery of a WIFIA Installment Purchase Agreement, WIFIA Loan Agreement and WIFIA Term Sheet and Certain Other Documents and Authorizing Certain Acts in Connection Therewith.

Alternative Options:

The Board can choose not to adopt these Resolutions and instruct staff to seek alternative financing methods to pay for the capital projects it would like to complete.

Impact of Taking No Action:

The impact from no action would result in the District's inability to enter into the WIFIA loans for financing the construction of the capital projects it intends to complete.

Background:

The District is pursuing multiple financing sources for the \$297 million Pure Water Antelope Valley project, including cash, grants, bond financing, and loans through the Water Infrastructure Finance and Innovation Act ("WIFIA") program. The District successfully sold and closed its 2024 Subordinate Bonds at the end of April to fund a portion of the Pure Water Antelope Valley project. Under a separate agenda item, the Board considered the adoption of a resolution approving a WIFIA Master Agreement to set the framework for the District to enter into additional future WIFIA Loans. This agenda item seeks authorization for District staff to enter into a 2024 WIFIA Loan under the previously approved WIFIA Master Agreement.

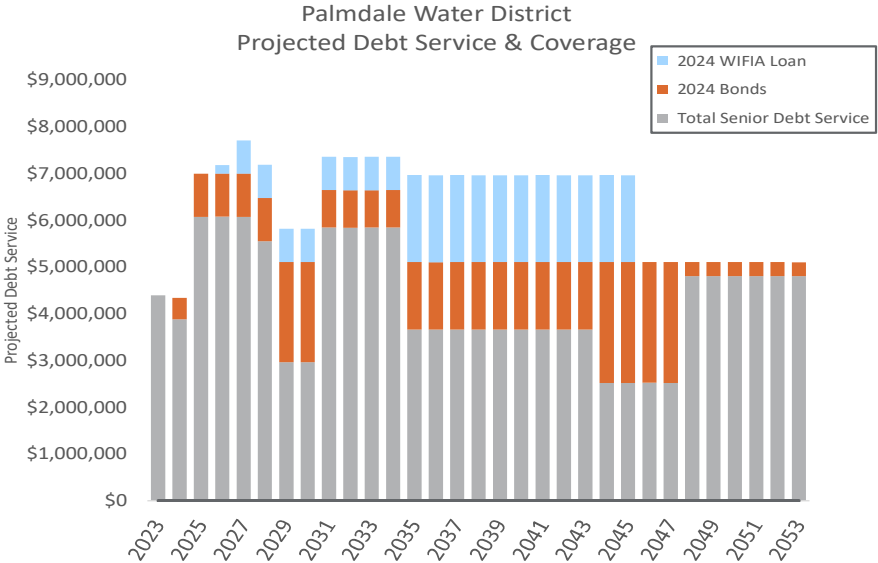

Because of the differences in timing between the Demonstration Facility and the larger Advanced Water Purification Facility and to better align with the EPA's funding practices for WIFIA Loans, the District has split the full Pure Water AV project into two, smaller projects: Project 1 is the construction of the Demonstration Facility, Well 37 design and project management, and

additional design and project management for the Advanced Water Purification Facility. Project 1 has a total estimated capital cost of \$27.8 million and will be funded from a combination of the bond proceeds from the 2024 Bonds and \$14,805,000 from the 2024 WIFIA Loan. The 2024 WIFIA Loan will provide the Federal share of Project 1. WIFIA Loans are limited to 49% of total eligible project costs, with the remainder coming from a combination of state grants, cash, and bonds.

Pure Water AV Project 2 is the construction of Well 37 and the Advanced Water Purification Facility. The funding plan for Project 2 includes WIFIA loan, bonds, grants, and cash contributions and Project 2 is expected to commence after the completion of Project 1, with the bond and WIFIA financing for Project 2 currently expected in 2026. The District has the option to enter additional WIFIA loans in the future to fund the Pure Water AV Project 2, so long as the total combined WIFIA Loan amount does not exceed the \$145,555,000 maximum for the WIFIA Master Agreement.

The proposed 2024 WIFIA Loan will be amortized over a period of 20 years and will be structured to “wrap around” the District’s outstanding senior lien debt and the 2024 Bonds. In the graph on the next page, the anticipated structure of the 2024 WIFIA Loan is shown in blue, while the current structure of the District’s outstanding senior lien debt (i.e., all other debt currently outstanding) is shown in grey and the only other outstanding subordinate lien debt (2024 Bonds) is shown in the orange series.

While each loan under the WIFIA Master Agreement will comply with the terms and conditions outlined therein, each individual WIFIA Loan is a separate and distinct WIFIA loan. The District entering into the 2024 WIFIA Loan for an amount up to \$14,805,000 does not obligate the District to enter into any subsequent WIFIA loans.

To minimize rate impact, the principal on the 2024 WIFIA Loan will be repaid from 2035 through 2045. An all-in interest rate of approximately 4.70% is expected, based on current WIFIA loan rates for a loan with a 20-year term (~17 year weighted average life), subject to change until anticipated WIFIA Loan closing in mid-June. Once the WIFIA loan closes, the interest rate will be fixed for the life of the loan (i.e., not a variable rate loan).

Annual debt service for the 2024 WIFIA Loan will vary due to the “wrap around” structure. Debt service is expected to be approximately \$715,000 per year through 2034, and then step up to \$1.85 million per year through 2045. Since the rate study and rate increases approved by the Board in 2019 provide sufficient revenue to support both the 2024 WIFIA Loan and the other outstanding debt, there will be minimal pressure to raise rates in the near term (other than inflationary water rate increases) in order to cover the outstanding debt or the 2024 WIFIA Loan. However given the size of the Project, the District will have to implement water rate increases in the next 5-year cycle (2025-2029) beyond typical inflationary increases in order to support the anticipated debt service on the future debt for the Pure Water AV Project 2. These future rate increases will support the debt service on future WIFIA Loans and matching bonds.

The WIFIA financing program has some key benefits when compared to the District’s other existing debt obligations.

First, WIFIA loans are draw-schedule loans. Even though the District is entering into a 2024 WIFIA Loan agreement for up to \$14,805,000, until the District draws money from the 2024 WIFIA Loan, the District will not accrue any interest. In this way, the WIFIA loan program functions similarly to a line of credit except that unlike some line of credit programs, the WIFIA program does not charge any fees for undrawn amounts. This draw-schedule feature is a key benefit when the timing of construction costs or duration of construction may be uncertain.

Second, the WIFIA program allows for a flexible amortization structure. The WIFIA financing for the District will be structured to have their biggest payments after a significant amount of the District’s existing obligations have been paid off. The ability to structure the WIFIA loans to “wrap around” the District’s existing debt results in a lower overall repayment and reduces future pressure on ratepayers. While the 2024 WIFIA Loan has a 20-year term, the District expects that the larger, future WIFIA Loan will have a term up to 35 years after substantial completion of the project. The 35-year term option for WIFIA loans allows the borrower to spread the costs of the asset over its useful life to ensure the long-term benefits of the Pure Water AV project are shared between the current ratepayers and ratepayers who continue to benefit from the project decades from now.

Third, the WIFIA program has flexible payment terms (extended final maturity and deferred payments). The District will not be required to make payments until the Demonstration Facility project is complete and interest that accrues on the WIFIA loan draws will be capitalized and amortized over the life of the loan.

Fourth, the WIFIA loans will have a fixed interest rate based on the U.S. Treasury rate for a comparable maturity of the same weighted average life. This enables the District to secure long-term debt at an interest rate similar to the Federal government. The interest rate on each loan will be fixed at closing of the loans and is a function of the average life of each loan. The WIFIA program offers a one-time interest rate reset to allow the District to reduce the WIFIA loan interest rate after closing should the market interest rates go down before the District draws from the WIFIA Loan.

Fifth, the WIFIA financing has very flexible prepayment terms and the Agency has the option to prepay all or a portion of the loans on any interest payment date following substantial completion of the projects.

The 2024 WIFIA Loan will be issued on a subordinate lien basis, meaning that debt service on the 2024 WIFIA Loan and other subordinate obligations, such as the 2024 Bonds, will be paid after the senior lien debt service is paid each year. Similar to the District's other outstanding debt, the 2024 WIFIA Loan requires that the District maintain net revenues equal to 110% of debt service in any given year. Additionally, in order for the District to enter into future debt, the District must comply with the subordinate lien additional bonds test (which is the same as the additional bonds test on the 2024A Bonds). The 2024 WIFIA Loan has slightly different reporting requirements from the District's outstanding debt, but the timing of that reporting aligns with the typical timing of the District's audit and is not expected to be burdensome.

The District's debt is secured by revenues net of operating and maintenance expenses and certain State Water Project related assessments. The District has the capacity, based on current and anticipated net revenues, to enter into the 2024 WIFIA Loan under the most recently completed five-year cycle of rate increases (2019-2024) and modest future inflationary rate increases. However, water rates will need to be adjusted as determined in the 2024 Water Rate Study to meet anticipated increases in future operating expenses and debt related to the Pure Water AV Project.

Note that for legal reasons, the District's joint powers authority formed in connection with the 2013A Bonds, the Palmdale Water District Public Financing Authority, needs to be involved in the transaction. The Installment Purchase Agreement securing the financing is technically a purchase by the District of the improvements to be funded by the proposed WIFIA Loan. Consequently, there needs to be both a purchaser (the District) and a seller (the Public Financing Authority).

Otherwise, the Public Financing Authority takes no active role in the financing since it assigns all of its rights to receive payments from the District over to the EPA as the WIFIA lender.

By adopting the attached resolutions, in combination, the District and Authority are taking the following steps:

1. Approval of the 2024 WIFIA Loan Agreement, this agreement will have the specific terms (interest rate, payment amounts, etc.) for the District's first WIFIA Loan. The final interest rate and payment amounts will depend on the market rates the day of closing.
2. Approval of the 2024 WIFIA Term Sheet, which summarizes and outlines the key terms for the 2024 WIFIA Loan.
3. Approval of the 2024 WIFIA Installment Purchase Agreement, wherein the District makes installment purchase payments (debt service payments) secured by a pledge of net revenues (after operating expenses) of the District. This Agreement is between the District and the Palmdale Water District Public Financing Authority.
4. Authorizing and directing the specified District staff to do any and all things and deliver any and all documents which they may deem necessary in order to carry out the terms of the resolutions.

Strategic Plan Initiative/Mission Statement:

This item is under Strategic Initiative No. 1 – Water Resource Reliability and Strategic Initiative No. 4 – Financial Health and Stability.

This item directly relates to the District's Mission Statement.

Budget:

The fixed expenses of the District for debt service on the 2024 WIFIA Loan will increase by approximately \$715,000 per year through 2034, stepping up to \$1.85 million per year for 2035-2045.

Issuance costs for the 2024 WIFIA Loan are typically paid outside of the financing and so these costs will come out of the District's budget in the near term. The current best estimate for these costs is approximately \$395,000. In the long-term, the District can seek reimbursement for these costs by drawing on the 2024 WIFIA Loan, at the District's discretion.

WHEREAS, all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in connection with the execution and delivery of this WIFIA Installment Purchase Agreement do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the parties hereto are now duly authorized to execute and enter into this WIFIA Installment Purchase Agreement.

NOW, THEREFORE, IN CONSIDERATION OF THESE PREMISES AND OF THE MUTUAL AGREEMENTS AND COVENANTS CONTAINED HEREIN AND FOR OTHER VALUABLE CONSIDERATION, THE PARTIES HERETO DO HEREBY AGREE AS FOLLOWS:

ARTICLE I

DEFINITIONS

Section 1.1 Definitions. Unless the context otherwise requires, the terms defined in this section shall for all purposes hereof and of any amendment hereof or supplement hereto and of any report or other document mentioned herein or therein have the meanings defined herein, the following definitions to be equally applicable to both the singular and plural forms of any of the terms defined herein. All capitalized terms used herein and not defined herein shall have the meanings ascribed thereto in the WIFIA Loan Agreement.

Acquisition Fund

The term “Acquisition Fund” means the fund by that name established by the District pursuant to Section 3.4.

Act

The term “Act” means the Marks-Roos Local Bond Pooling Act of 1985, commencing with Section 6584 of the California Government Code and all laws amendatory thereof or supplemental thereto.

Assumed Interest Rate

The term “Assumed Interest Rate” means the amount of interest calculated in accordance with the following provisions:

(A) Generally. Except as otherwise provided in subparagraph (B) below with respect to Variable Interest Rate Contracts, in subparagraph (C) below with respect to Contracts or Bonds with respect to which a Payment Agreement is in force, and in subparagraph (D) below with respect to Balloon Contracts, interest on any Contracts or Bonds shall be calculated based on the actual amount of interest that is payable under such Contracts or Bonds;

(B) Interest on Variable Interest Rate Contracts. Interest deemed to be payable on any Variable Interest Rate Contract for periods when the actual interest rate can be determined shall be the actual Variable Interest Rates and for periods when the actual interest rate cannot yet be determined shall be calculated on the assumption that the interest rate on such Variable Interest Rate Contract would be equal to (i) the average rate that accrued on such Variable Interest Rate Contract over the preceding 12 months, or (ii) if the Variable Interest Rate Contract has not been accruing interest at a variable rate for 12 months, the average interest rate that accrued on an outstanding Variable Interest Rate Contract of the District for which interest is computed on substantially the same basis during the preceding twelve month period, or (iii) if no such comparable Variable Interest Rate Contract was outstanding during the 12 months preceding the date of calculation, then (x) if the interest on such Variable Interest Rate Contract is excluded from gross income for purposes of

Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding 12 months, or, if that index is no longer published, a similar index selected by the District and acceptable to each credit enhancer providing credit enhancement for an outstanding Contracts or Bonds, or, if the District fails to select a replacement index, an interest rate equal to 80% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Variable Rate Interest Contract, or if there are no such Treasury Bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if interest on such Variable Interest Rate Contract is not excluded from gross income for purposes of Federal income taxation, 110% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Variable Rate Interest Contract, or if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

(C) Interest on Obligations with respect to which a Payment Agreement is in Force. Interest deemed to be payable on any Contracts or Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the District expected to be produced by the terms of such Contracts or Bonds and such Payment Agreement, including but not limited to the effects that (i) such Contracts or Bonds would, but for such Payment Agreement, be treated as an obligation bearing interest at a Variable Interest Rate instead shall be treated as an obligation bearing interest at a fixed interest rate, and (ii) such Contracts or Bonds would, but for such Payment Agreement, be treated as an obligation bearing interest at a fixed interest rate instead shall be treated as an obligation bearing interest at a Variable Interest Rate; and accordingly, the amount of interest deemed to be payable on any Contracts or Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in such Contracts or Bonds plus the Payment Agreement Payments minus the Payment Agreement Receipts, and for the purpose of calculating as nearly as practicable the Payment Agreement Receipts and the Payment Agreement Payments under such Contracts or Bonds, the following assumptions shall be made:

(1) District Obligated to Pay Net Variable Payments. If a Payment Agreement has been entered into by the District with respect to Contracts or Bonds resulting in the payment of a net variable interest rate with respect to such Contracts or Bonds and Payment Agreement by the District, the interest rate on such Contracts or Bonds for future periods when the actual interest rate cannot yet be determined shall be assumed (but only during the period the Payment Agreement is in effect) to be equal to the sum of (i) the fixed rate or rates stated in such Contracts or Bonds, minus (ii) the fixed rate paid by the Qualified Counterparty to the District, plus (iii) the lesser of (A) the interest rate cap, if any, provided by a Qualified Counterparty with respect to such Payment Agreement (but only during the period that such interest rate cap is in effect) and (B) the applicable Variable Interest Rate calculated in accordance with paragraph (B) above; and

(2) District Obligated to Pay Net Fixed Payments. If a Payment Agreement has been entered into by the District with respect to Contracts or Bonds resulting in the payment of a net fixed interest rate with respect to such Contracts or Bonds and Payment Agreement by the District, the interest on such Contracts or Bonds shall be included in the calculation of Payments (but only during the period the Payment Agreement is in effect) by including for each Fiscal Year or twelve (12) calendar month period an amount equal to the amount of interest payable at the fixed interest rate pursuant to such Payment Agreement;

(D) Interest on Balloon Contracts. If any outstanding Contracts or Bonds constitute Balloon Contracts (and such Contracts or Bonds do not constitute Short-Term Obligations excluded from the calculation of the Payments pursuant to clause (E), below) or if Contracts or Bonds proposed to be incurred would constitute Balloon Contracts (and such Contracts or Bonds would not constitute Short-Term Obligations excluded from the calculation of the Payments pursuant to clause (E), below), then such Balloon Contracts shall be treated as if the principal amount of such Contracts or Bonds were amortized from the date originally incurred in substantially equal installments of principal and interest over a term of 30 years (provided, however, that the full principal amount of such Balloon Contract shall be included in making such calculation if such principal amount is due within 90 days of the date such calculation is being made); and, if interest accrues under such Balloon Contract at other than a fixed rate, the interest rate used for such computation shall be (x) if the interest on such Contracts or Bonds is excluded from gross income for purposes of Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding 12 months, or if that index is no longer published, a similar index selected by the District and acceptable to each credit enhancer providing credit enhancement for outstanding Contracts or Bonds, or if the District fails to select a replacement index, an interest rate equal to 80% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Contracts or Bonds on the date incurred, or if there are no such United States Treasury bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if the interest on such Contracts or Bonds is not excluded from gross income for purposes of Federal income taxation, the rate equal to 110% of the yield for outstanding United States Treasury bonds having an equivalent maturity as the Balloon Contract, or, if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

WIFIA INSTALLMENT PAYMENTS

Section 4.1 Purchase Price.

(a) The Purchase Price to be paid by the District hereunder to the Authority is the sum of the principal amount of the District's obligations hereunder plus the interest to accrue on the unpaid balance of such principal amount from the date hereof over the term hereof, subject to prepayment as provided in Article VII.

(b) The principal amount of the installment payments to be made by the District hereunder is set forth in Exhibit A hereto.

(c) The interest to accrue on the unpaid balance of such principal amount shall be equal to the interest payable with respect to the principal portion of the WIFIA Loan as provided in the WIFIA Loan Agreement, and shall be paid by the District as and constitute interest paid on the principal amount of the District's obligations hereunder, as set forth in Exhibit A hereto.

(d) The Authority and the District acknowledge and agree that the WIFIA Installment Payments set forth in Exhibit A hereto are initially equal to the payments of principal and interest set forth on the WIFIA Loan Amortization Schedule in Exhibit A (*WIFIA Loan Amortization Schedule*) to the WIFIA Loan Agreement in all respects, other than with respect to the relevant payment dates. The Authority and the District agree that (i) upon any modification to Exhibit A (*WIFIA Loan Amortization Schedule*) to the WIFIA Loan Agreement, Exhibit A hereto shall be deemed modified mutatis mutandis, (ii) the District will provide to the Authority a revised Exhibit A which the Authority and the District agree will replace the then current Exhibit A (such replacement being a ministerial act and not an amendment or supplement to this WIFIA Installment Purchase Agreement), (iii) no modification to Exhibit A hereto shall otherwise be made without the consent of the Authority Lender, and (iv) the District's failure to provide or delay in providing the Authority with such revised Exhibit A shall not affect the modifications deemed to be made thereto or the obligation of the District to make the WIFIA Installment Payments as so modified.

Section 4.2 WIFIA Installment Payments. The District shall, subject to its rights of prepayment provided in Article VII, pay the Authority the Purchase Price in installment payments of interest and principal in the amounts and on the WIFIA Installment Payment Dates as set forth in Exhibit A hereto.

Each WIFIA Installment Payment shall be paid to the Authority in lawful money of the United States of America. In the event the District fails to make any of the payments required to be made by it under this section, such payment shall continue as an obligation of the District until such amount shall have been fully paid and the District agrees to pay the same with interest accruing thereon at the rate or rates of interest then applicable to the remaining unpaid principal balance of the WIFIA Installment Payments if paid in accordance with their terms.

The obligation of the District to make the WIFIA Installment Payments is absolute and unconditional, and until such time as all of the WIFIA Installment Payments have been paid in full (or provision for the payment thereof shall have been made pursuant to Article IX), the District will not discontinue or suspend any WIFIA Installment Payments required to be made by it under this

section when due, whether or not the Water System or any part thereof is operating or operable or has been completed, or its use is suspended, interfered with, reduced or curtailed or terminated in whole or in part, and whether or not the WIFIA Project has been completed, and such payments shall not be subject to reduction whether by offset or otherwise and shall not be conditional upon the performance or nonperformance by any party of any agreement for any cause whatsoever.

Section 4.3 Reserve Policy Draws. In the event that the District or the Authority fails to pay the entirety of a WIFIA Installment Payment to the Authority Lender when due, the Authority Lender shall have the option to draw on the Reserve Policy up to an amount equal to the outstanding amount of such WIFIA Installment Payment in accordance with the terms of the Reserve Policy Agreement. The District shall be obligated to reimburse the Authority Lender for any such draws, in the form of Policy Costs, in accordance with the terms of the Reserve Policy Agreement.

ARTICLE V

SECURITY

Section 5.1 Pledge of Water Revenues. All Water Revenues and all amounts on deposit in the Water Revenue Fund and the Rate Stabilization Fund are hereby irrevocably pledged to the payment of the WIFIA Installment Payments as provided herein, and the Water Revenues shall not be used for any other purpose while any of the WIFIA Installment Payments remain unpaid, other than as set forth herein; provided that out of the Water Revenues and amounts on deposit in the Water Revenue Fund there may be apportioned such sums for such purposes as are expressly permitted herein including the senior or parity claim of any Bonds or Contracts. This pledge, together with the pledge created by all other Contracts and Bonds, shall constitute a first lien on and security interest in the Water Revenues and the Water Revenue Fund and all amounts on deposit therein as permitted herein and subject to the application of Water Revenues in accordance with the terms hereof, which lien shall be (a) subordinate to the liens created by the Senior Obligations and (b) *pari passu* with the liens created by the other Subordinate Obligations.

The Acquisition Fund and all amounts that are on deposit in the Acquisition Fund and the WIFIA Debt Service Account and all amounts on deposit in the WIFIA Debt Service Account, are irrevocably pledged to the payment of the WIFIA Installment Payments. This pledge shall constitute a first and exclusive lien on the Acquisition Fund and the WIFIA Debt Service Account for the payments of the WIFIA Installment Payments.

Section 5.2 Allocation of Water Revenues. In order to carry out and effectuate the pledge and lien contained herein, the District agrees and covenants that all Water Revenues shall be received by the District in trust and shall be deposited when and as received in the “Water Revenue Fund” which fund the District has previously established and agrees and covenants to maintain and to hold separate and apart from other funds so long as any Installment Payments, Contracts or Bonds remain unpaid. Moneys in the Water Revenue Fund shall be used and applied by the District as provided in this WIFIA Installment Purchase Agreement.

The District shall, from the moneys in the Water Revenue Fund, pay all Operation and Maintenance Costs (including amounts reasonably required to be set aside in contingency reserves for Operation and Maintenance Costs, the payment of which is not then immediately required) as such Operation and Maintenance Costs become due and payable. All remaining moneys in the Water Revenue Fund shall be set aside by the District at the following times in the following respective

special funds in the following order of priority and all moneys in each of such funds shall be held in trust and shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section:

(a) Senior Obligations. On or before the payment of principal or interest is due with respect to any Senior Obligations, the District shall from moneys in the Water Revenue Fund, transfer to the applicable trustee or payee for deposit in the applicable payment fund, without preference or priority, and in the event of any insufficiency of such moneys ratably without discrimination or preference, payment on such Senior Obligations, in accordance with the provisions of such Senior Obligations.

(b) Senior Obligation Reserve Fund. On or before each payment date required pursuant to the provisions of any Contract or Bond that constitutes a Senior Obligation, or any resolution or indenture related thereto, the District shall, from the remaining moneys in the Water Revenue Fund, thereafter, without preference of priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, transfer to the applicable trustee for deposit to any reserve fund or account for such Bonds or Contracts the amount, if any, needed to increase the balance in such fund or account to the amount required to be deposited therein and to pay any Policy Costs then due.

(c) Subordinate Obligations. On or before each WIFIA Installment Payment Date, the District shall, from the moneys in the Water Revenue Fund, transfer to the WIFIA Debt Service Account a sum equal to the WIFIA Installment Payment coming due on such WIFIA Installment Payment Date. The District shall also, from the moneys in the Water Revenue Fund, transfer to the applicable trustee or payee for deposit in the applicable payment fund, without preference or priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, any other Debt Service or payments in accordance with the provisions of any Contract or Bond constituting a Subordinate Obligation, or any resolution or indenture relating thereto.

No deposit need be made in the WIFIA Debt Service Account as WIFIA Installment Payments if the amount in the WIFIA Debt Service Account is at least equal to the amount of the WIFIA Installment Payment due and payable on the next succeeding WIFIA Installment Payment Date.

(d) Subordinate Obligation Reserve Fund. On or before each payment date required pursuant to the provisions of any Contract or Bond constituting a Subordinate Obligation, or any resolution or indenture related thereto, the District shall, from the remaining moneys in the Water Revenue Fund, thereafter, without preference of priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, transfer to the applicable trustee or appropriate party for deposit to any reserve fund or account for such Bonds or Contracts, including the WIFIA Reserve Fund, the amount, if any, needed to increase the balance in such fund or account to the amount required to be deposited therein and to pay any Policy Costs then due

(e) Surplus. On the last day of each month, moneys on deposit in the Water Revenue Fund not required to make any of the payments required above may be expended by the District at any time for any purpose permitted by law, including but not limited to the deposit of amounts in the Rate Stabilization Fund in accordance with Section 5.5.

Section 5.3 Additional Senior Obligations for Refunding Purposes Only. From the date hereof, the District will not execute any Contract or issue any Bonds, as the case may be, payable from Net Water Revenues on a basis that is senior to the claim thereon of the Series 2024A Installment Payments due under the Installment Purchase Agreement other than for the purpose of refunding existing or future Senior Obligations. Such additional Senior Obligations may only be issued if: (i) they mature or terminate no later than the Bonds or Contract being refunded, and (ii) Debt Service in each Fiscal Year after the Fiscal Year in which such Bonds are issued or Contracts executed is not greater than 105% of the Debt Service which would have been payable in each such Fiscal Year prior to the issuance of such Bonds or execution of such Contracts.

Section 5.4 Additional Subordinate Obligations. The District may at any time execute any Contract or issue any Bonds, as the case may be, payable from Net Water Revenues on a parity with the WIFIA Installment Payments due hereunder; provided:

(a) The Net Water Revenues for the last audited Fiscal Year of the District, or for any consecutive twelve calendar month period during the eighteen calendar month period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such Fiscal Year or other twelve month period;

(b) The Net Water Revenues for the last audited Fiscal Year of the District, or for any consecutive twelve calendar month period during the eighteen calendar month period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, including adjustments to give effect as of the first day of such Fiscal Year or other twelve month period, to increases or decreases in rates and charges with respect, or applicable, to the Water System approved and in effect as of the date of calculation, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such Fiscal Year or other twelve month period, plus the Debt Service which would have accrued on any Contracts executed or Bonds issued since the end of such Fiscal Year or other twelve month period, assuming that such Contracts had been executed or Bonds had been issued at the beginning of such Fiscal Year or other twelve month period, plus the Debt Service which would have accrued had such proposed additional Contract been executed or proposed additional Bonds been issued at the beginning of such Fiscal Year or other twelve month period; and

(c) The estimated Net Water Revenues for the then current Fiscal Year and for each Fiscal Year thereafter, including (after giving effect to the completion of all such uncompleted improvements to the Water System) an allowance for estimated Net Water Revenues for each of such Fiscal Years arising from any increase in the income, rents, fees, rates and charges estimated to be fixed and prescribed or received for the Water Service and which are economically feasible and reasonably considered necessary based on projected operations for a period of not to exceed five years, as evidenced by a certificate of the Manager on file with the District, shall produce a sum equal to at least one hundred ten percent (110%) of the estimated Debt Service and one hundred percent (100%) of any estimated Policy Costs for each of such Fiscal Years, after giving effect to the

execution of all Contracts and the issuance of all Bonds estimated to be required to be executed or issued to pay the costs of completing all uncompleted improvements to the Water System within such Fiscal Years.

(d) For purposes of this Section 5.4, the amount of Water Revenues yielding Net Water Revenues may be increased by Budgeted Transfers (measured as of the last day of the immediately preceding Fiscal Year), such amount to be no greater than ten percent (10%) of Debt Service payable in the applicable Fiscal Year.

Notwithstanding the foregoing, Bonds issued or Contracts executed, on a parity basis with the WIFIA Installment Payments due hereunder, to refund Bonds or prepay Contracts may be delivered without satisfying the conditions set forth above if Debt Service in each Fiscal Year after the Fiscal Year in which such Bonds are issued or Contracts executed is not greater than 110% of the Debt Service which would have been payable in each such Fiscal Year prior to the issuance of such Bonds or execution of such Contracts.

Section 5.5 Investments. All moneys held by the District in the Water Revenue Fund, the Acquisition Fund, the WIFIA Debt Service Account and the Rate Stabilization Fund shall be invested in Permitted Investments and the investment earnings thereon shall remain on deposit in such fund, except as otherwise provided herein. All investment earnings on amounts in the Rate Stabilization Fund shall be transferred to the Water Revenue Fund upon receipt thereof.

Section 5.6 Rate Stabilization Fund. The District has previously established a special fund designated as the “Rate Stabilization Fund” to be held by the District in trust and the District agrees and covenants to maintain and to hold such fund separate and apart from other funds so long as any Contracts or Bonds remain unpaid. Money transferred by the District from the Water Revenue Fund to the Rate Stabilization Fund in accordance with Section 5.2(d) shall be held in the Rate Stabilization Fund and applied in accordance with the terms hereof.

The District may withdraw all or any portion of the amounts on deposit in the Rate Stabilization Fund and transfer such amounts to the Water Revenue Fund for application in accordance with Section 5.2 hereof or, in the event that all or a portion of the WIFIA Installment Payments are discharged in accordance with Article IX hereof, transfer all or any portion of such amounts for application in accordance with said Article.

Section 5.7 WIFIA Debt Service Account. The District, as agent of the Authority, shall establish, maintain and hold in trust a separate general ledger account within the District’s debt service group of funds/accounts, which account shall be designated as the “WIFIA Debt Service Account” and as of the Effective Date is numbered [_____]. Such account number may change as the District designates from time to time provided that the District must promptly notify the Authority Lender in writing of any such change. Moneys in the WIFIA Debt Service Account shall be held by the District in trust and applied to the payment of the WIFIA Installment Payments hereunder in accordance with Section 8(a)(i) and Section 17(i) of the WIFIA Master Agreement. Any investment earnings thereon shall be transferred by the District to the Water Revenue Fund no later than the last day of the District’s Fiscal Year.

ARTICLE VI

COVENANTS OF THE DISTRICT

Section 6.1 Compliance with WIFIA Installment Purchase Agreement, WIFIA Loan Agreement and Ancillary Agreements. The District will punctually pay the WIFIA Installment Payments in strict conformity with the terms hereof, and will faithfully observe and perform all the agreements, conditions, covenants and terms contained herein required to be observed and performed by it, and will not terminate this WIFIA Installment Purchase Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the WIFIA Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State of California or any political subdivision of either or any failure of the Authority to observe or perform any agreement, condition, covenant or term contained herein required to be observed and performed by it, whether express or implied, or any duty, liability or obligation arising out of or connected herewith or the insolvency, or deemed insolvency, or bankruptcy or liquidation of the Authority or any force majeure, including acts of God, tempest, storm, earthquake, war, rebellion, riot, civil disorder, acts of public enemies, blockade or embargo, strikes, industrial disputes, lock outs, lack of transportation facilities, fire, explosion, or acts or regulations of governmental authorities.

The District will faithfully observe and perform all the agreements, conditions, covenants and terms contained in the WIFIA Loan Agreement required to be observed and performed by it, and it is expressly understood and agreed by and among the parties to this WIFIA Installment Purchase Agreement that, subject to Section 10.6 hereunder, each of the agreements, conditions, covenants and terms contained in this WIFIA Installment Purchase Agreement is an essential and material term of the purchase of and payment for the WIFIA-Financed Portion of the WIFIA Project by the District pursuant to, and in accordance with, and as authorized under the Law.

The District will faithfully observe and perform all the agreements, conditions, covenants and terms required to be observed and performed by it pursuant to the WIFIA Loan Agreement and all other outstanding Contracts and Bonds as such may from time to time be executed or issued, as the case may be; provided that nothing herein shall obligate the District to pay the principal of or interest with respect to the WIFIA Loan or the WIFIA Note, which obligation is solely the responsibility of the Authority as borrower under the WIFIA Loan Agreement.

Section 6.2 Against Encumbrances. The District will not make any pledge of or place any lien on Water Revenues or the moneys in the Water Revenue Fund or the Rate Stabilization Fund except as provided herein and subject to the restrictions agreed to by the District in the WIFIA Loan Agreement. In addition, the District may at any time, or from time to time, issue Bonds or incur Contracts for any lawful purpose which are payable from and secured by a pledge of and lien on Water Revenues or any moneys in the Water Revenue Fund or the Rate Stabilization Fund as may from time to time be deposited therein (as provided in Section 5.2) on a senior or parity basis with the pledge and lien securing this WIFIA Installment Purchase Agreement in accordance with Sections 5.3 and 5.4 hereof and the WIFIA Loan Agreement. The District will not make any pledge of or place a lien on the Acquisition Fund (including the moneys on deposit therein) or the WIFIA Debt Service Account (including the moneys on deposit therein) except as set forth in the WIFIA Master Agreement.

Section 6.3 Against Sale or Other Disposition of Property. The District will not enter into any agreement or lease which materially impairs the operation of the Water System or any part thereof necessary to secure adequate Water Revenues for the payment of the WIFIA Installment Payments, or which would otherwise materially impair the rights of the Authority hereunder or the operation of the Water System. Any real or personal property which has become nonoperative or which is not needed for the efficient and proper operation of the Water System, or any material or equipment which has become worn out, may be sold if such sale will not materially impair the ability of the District to pay the WIFIA Installment Payments and if the proceeds of such sale are deposited in the Water Revenue Fund.

Nothing herein shall restrict the ability of the District to sell any portion of the Water System if such portion is immediately repurchased by the District and if such arrangement cannot by its terms result in the purchaser of such portion of the Water System exercising any remedy which would deprive the District of or otherwise interfere with its right to own and operate such portion of the Water System.

Section 6.4 Against Competitive Facilities. The District will not, to the extent permitted by law, acquire, construct, maintain or operate and will not, to the extent permitted by law and within the scope of its powers, permit any other public or private agency, corporation, district or political subdivision or any person whomsoever to acquire, construct, maintain or operate within the District any potable water system competitive with the Water System.

Section 6.5 Maintenance and Operation of the Water System. The District will maintain and preserve the Water System in good repair and working order at all times and will operate the Water System in an efficient and economical manner and will pay all Operation and Maintenance Costs as they become due and payable.

Section 6.6 Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien on the Water Revenues or the funds or accounts created hereunder or under the WIFIA Master Agreement or on any funds in the hands of the District pledged to pay the WIFIA Installment Payments or which might impair the security of the WIFIA Installment Payments.

Section 6.7 Compliance with Contracts. The District will comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all contracts for the use of the Water System and all other contracts affecting or involving the Water System, to the extent that the District is a party thereto.

Section 6.8 Insurance.

(a) The District will procure and maintain or cause to be procured and maintained insurance on the Water System with responsible insurers in such amounts and against such risks (including accident to or destruction of the Water System) as are usually covered in connection with facilities similar to the Water System so long as such insurance is available from reputable insurance companies at reasonable rates.

In the event of any damage to or destruction of the Water System caused by the perils covered by such insurance, the Net Proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the Water System. The District shall begin such

reconstruction, repair or replacement promptly after such damage or destruction shall occur, and shall continue and properly complete such reconstruction, repair or replacement as expeditiously as possible, and shall pay out of such Net Proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the Water System shall be free and clear of all claims and liens.

If such Net Proceeds exceed the costs of such reconstruction, repair or replacement portion of the Water System, and/or the cost of the construction of additions, betterments, extensions or improvements to the Water System, then the excess Net Proceeds may, at the option of the District, be applied in part to the prepayment of WIFIA Installment Payments as provided in Section 7.1 and in part to such other fund or account as may be appropriate and used for the retirement of Bonds and Contracts in the same proportion which the aggregate unpaid principal balance of WIFIA Installment Payments then bears to the aggregate unpaid principal amount of such Bonds and Contracts. If such Net Proceeds are sufficient to enable the District to retire the entire obligation evidenced hereby prior to the final due date of the WIFIA Installment Payments as well as the entire obligations evidenced by Bonds and Contracts then remaining unpaid prior to their final respective due dates, the District may elect not to reconstruct, repair or replace the damaged or destroyed portion of the Water System, and/or not to construct other additions, betterments, extensions or improvements to the Water System; and thereupon such Net Proceeds shall be applied to the prepayment of WIFIA Installment Payments as provided in Section 7.1 and to the retirement of such Bonds and Contracts.

(b) The District will procure and maintain such other insurance which it shall deem advisable or necessary to protect its interests and the interests of the Authority, which insurance shall afford protection in such amounts and against such risks as are usually covered in connection with municipal retail water systems similar to the Water System.

(c) Any insurance required to be maintained by paragraph (a) above and, if the District determines to procure and maintain insurance pursuant to paragraph (b) above, such insurance, may be maintained under a self-insurance program so long as such self-insurance is maintained in the amounts and manner usually maintained in connection with municipal retail water systems similar to the Water System and is, in the opinion of an accredited actuary, actuarially sound.

All policies of insurance required to be maintained herein shall provide that the Authority or its assignee shall be given thirty (30) days' written notice of any intended cancellation thereof or reduction of coverage provided thereby.

Section 6.9 Accounting Records; Financial Statements and Other Reports.

(a) The District will keep appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the District, which records shall be available for inspection by the Authority, including agents and assignees of and lenders to the authority (including the Authority Lender) at reasonable hours and under reasonable conditions.

(b) The District will prepare and file with the Authority or its assignee annually within two hundred seventy (270) days after the close of each Fiscal Year (commencing with the Fiscal Year ending December 31, 2023) financial statements of the District for the preceding Fiscal Year prepared in accordance with generally accepted accounting principles, together with the report of a certified public accountant thereon.

(c) As long as there are any outstanding financial obligations of the District (in excess of \$100,000), the District will notify the Authority or its assignee within ten (10) days following the date of any event that has the potential to have a material impact on the financial condition of the District.

Section 6.10 Protection of Security and Rights of the Authority. The District will preserve and protect the security hereof and the rights of the Authority and the Authority Lender to the WIFIA Installment Payments hereunder and will warrant and defend such rights against all claims and demands of all persons.

Section 6.11 Payment of Taxes and Compliance with Governmental Regulations. The District will pay and discharge all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon the Water System, or any part thereof or upon the Water Revenues or amounts on deposit in the Water Revenue Fund, the Acquisition Fund, the Rate Stabilization Fund or the WIFIA Debt Service Account when the same shall become due. The District will duly observe and conform with all valid regulations and requirements of any governmental authority relative to the operation of the Water System, or any part thereof, but the District shall not be required to comply with any regulations or requirements so long as the validity or application thereof shall be contested in good faith.

Section 6.12 Amount of Rates and Charges.

(a) The District, to the fullest extent permitted by law, shall fix, prescribe and collect Water Revenues for Water Service which will be at least sufficient to yield during each Fiscal Year Net Water Revenues equal to one hundred ten percent (110%) of Debt Service and one hundred percent (100%) of Policy Costs. The District may make adjustments from time to time in such Water Revenues and may make such classification thereof as it deems necessary, but shall not reduce the Water Revenues then in effect unless the Net Water Revenues from such reduced Water Revenues will at all times be sufficient to meet the requirements of this section.

(b) For avoidance of doubt, the failure of Net Water Revenues to meet the thresholds set forth in clause (a) of this section at the end of a Fiscal Year shall not constitute a default or an Event of Default so long as the District has complied with in clause (a) of this section at the commencement of the immediately succeeding Fiscal Year.

Section 6.13 Collection of Rates and Charges. The District will have in effect at all times by-laws, rules and regulations requiring each customer to pay the rates and charges applicable to the Water Service and providing for the billing thereof and for a due date and a delinquency date for each bill.

Section 6.14 Eminent Domain Proceeds. If all or any part of the Water System shall be taken by eminent domain proceedings, the Net Proceeds thereof shall be applied as follows:

(a) If (1) the District files with the Authority and the Authority Lender a certificate showing (i) the estimated loss of annual Net Water Revenues, if any, suffered or to be suffered by the District by reason of such eminent domain proceedings, (ii) a general description of the additions, betterments, extensions or improvements to the Water System proposed to be acquired and constructed by the District from such Net Proceeds, and (iii) an estimate of the additional annual Net Water Revenues to be derived from such additions, betterments, extensions or improvements,

and (2) the District, on the basis of such certificate filed with the Authority and the Authority Lender, determines that the estimated additional annual Net Water Revenues will sufficiently offset the estimated loss of annual Net Water Revenues resulting from such eminent domain proceedings so that the ability of the District to meet its obligations hereunder will not be substantially impaired (which determination shall be final and conclusive), then the District shall promptly proceed with the acquisition and construction of such additions, betterments, extensions or improvements substantially in accordance with such certificate and such Net Proceeds shall be applied for the payment of the costs of such acquisition and construction, and any balance of such Net Proceeds not required by the District for such purpose shall be held by the District and shall be treated as Water Revenues.

(b) If the foregoing conditions are not met, then such Net Proceeds shall be applied by the District in part to the prepayment of WIFIA Installment Payments as provided in Section 7.1 and in part to such other fund or account as may be appropriate and used for the retirement of Bonds and Contracts in the same proportion which the aggregate unpaid principal components of the WIFIA Installment Payments then bears to the aggregate unpaid principal amount of such Bonds and Contracts.

Section 6.15 Further Assurances. The District will adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and for the better assuring and confirming unto the Authority and the Authority Lender of the rights and benefits provided to the Authority and the Authority Lender herein.

Section 6.16 Enforcement of Contracts. So long as and WIFIA Installment Payments are outstanding, the District will not voluntarily consent to or permit any rescission of, nor will it consent to any amendment to or otherwise take any action under or in connection with any contracts previously or hereafter entered into which contracts provide for water to be supplied to the District which will reduce the supply of water thereunder (except as provided therein) if such rescission or amendment would in any manner impair or adversely affect the ability of the District to pay the WIFIA Installment Payments.

Section 6.17 Superior Additional Obligations. The District shall not execute any Contracts or issue any Bonds, as the case may be, that are payable from or secured by a pledge of and lien on Water Revenues and any money in the Water Revenue Fund superior to the pledge securing the WIFIA Installment Payments.

Section 6.18 Payments in Connection with the State Water Supply Contract. The District shall apply to the payments due for any Fiscal Year under that certain Water Supply Contract, by and between the District and the State of California Department of Water Resources, as amended, all amounts the District collects through the levy and collection of the Burns-Porter Assessments.

ARTICLE VII

PREPAYMENT OF WIFIA INSTALLMENT PAYMENTS

Section 7.1 Prepayment.

(a) The District may or shall, as the case may be, prepay from the Net Proceeds as provided in Sections 6.8 and 6.14 herein on any date all or any part of the unpaid WIFIA Installment Payments or the WIFIA Loan Agreement in whole, or in part, on any date in the order of payment as directed by the District, at a prepayment price equal to the sum of the principal components prepaid plus accrued interest thereon to the date of prepayment. Any such prepayment shall occur substantially concurrently with the prepayment of the WIFIA Loan by the Authority pursuant to the terms of Section 9(a) of the WIFIA Master Agreement.

(b) The District shall prepay the WIFIA Installment Payments on the same dates as the Authority makes optional prepayments of the WIFIA Loan in accordance with the WIFIA Loan Agreement and shall not optionally prepay the WIFIA Installment Payments at any other time; provided, however, that any such prepayment shall be in a minimum principal amount of \$250,000 or any integral multiple of \$1.00 in excess thereof.

Notwithstanding any such prepayment, the District shall not be relieved of its obligations hereunder, including its obligations under Article IV, until the Purchase Price shall have been fully paid (or provision for payment thereof shall have been provided to the written satisfaction of the Authority).

Section 7.2 Method of Prepayment. Before making any prepayment pursuant to Section 7.1, the District shall, within five (5) days following the event permitting the exercise of such right to prepay or creating such obligation to prepay or a determination to prepay, give written notice to the Authority and the Authority Lender describing such event and specifying the date on which the prepayment will be paid, which date shall be not less than ten (10) nor more than thirty (30) days from the date such notice is given.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF THE AUTHORITY

Section 8.1 Events of Default and Acceleration of Maturities. If one or more of the following Events of Default shall happen, that is to say --

(1) if default shall be made by the District in the due and punctual payment of any WIFIA Installment Payment or any Contract or Bond when and as the same shall become due and payable;

(2) if default shall be made by the District in the performance of any of the agreements or covenants required herein or in connection with any Contract or Bond to be performed by it, and such default shall have continued for a period of sixty (60) days after the District shall have been given notice in writing of such default by the Authority;

(3) if the District shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the District seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the District or of the whole or any substantial part of its property;

(4) if payment of the principal of any Contract or Bond is accelerated in accordance with its terms; or

(5) if an “Event of Default” (as defined in the WIFIA Master Agreement) under the WIFIA Loan Agreement or the WIFIA Master Agreement shall have occurred;

then the Authority shall immediately notify the Authority Lender of an Event of Default and follow any written directions of the Authority Lender, which may include a direction to declare the entire principal amount of the unpaid WIFIA Installment Payments and the accrued interest thereon to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything contained herein to the contrary notwithstanding; provided that the unpaid Purchase Price shall automatically become due and payable without the action of the Authority or any other person if the unpaid principal amount of the WIFIA Loan shall have become immediately due and payable. Notwithstanding anything to the contrary set forth herein, the Authority shall not have the right to (i) declare the unpaid Purchase Price immediately due and payable or (ii) exercise any other rights or remedies hereunder following the occurrence of an Event of Default in each case without the prior written direction of the Authority Lender. This section, however, is subject to the condition that if at any time after the entire principal amount of the unpaid WIFIA Installment Payments and the accrued interest thereon shall have been so declared due and payable, but before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the District shall deposit with the Authority an amount that is sufficient to pay the unpaid principal amount of the WIFIA Installment Payments referred to in clause (1) above due prior to such declaration and the accrued interest thereon, with interest on such overdue installments, at the rate or rates applicable to the remaining unpaid principal balance of the WIFIA Installment Payments if paid in accordance with their terms, and the reasonable expenses of the Authority, and any and all other defaults known to the Authority (other than in the payment of the entire principal amount of the unpaid WIFIA Installment Payments and the accrued interest thereon due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Authority or provision deemed by the Authority to be adequate shall have been made therefor, then and in every such case the Authority, with the prior written consent of the Authority Lender, may rescind and annul such declaration and its consequences by written notice to the District; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Section 8.2 Application of Funds Upon Acceleration. Upon the date of the declaration of (or automatic, as applicable) acceleration as provided in Section 8.1, all Water Revenues thereafter received by the District shall be applied in the following order --

First, to the payment of the fees, costs and expenses of the trustee with respect to any Bonds or Contracts, in carrying out the provisions of this article, including reasonable compensation to its

accountants and counsel and any outstanding fees and expenses of such trustee, and then to the payment of the fees, costs and expenses of the Authority, the Authority Lender, any agents and assignees of each of the foregoing as the case may be, if any, in carrying out the provisions of this article, including reasonable compensation to its accountants and counsel;

Second, to the payment of the Operation and Maintenance Costs;

Third, to the payment of Senior Obligations in accordance with the terms thereof; and

Fourth, to the payment, without preference or priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, of the entire principal amount of the unpaid WIFIA Installment Payments and the unpaid principal amount of all Subordinate Obligations and the accrued interest thereon, with interest on the overdue installments at the rate or rates of interest applicable to the WIFIA Installment Payments and such Subordinate Obligations if paid in accordance with their respective terms; and

Fifth, to the payment of any obligations secured by Water Revenues on a basis that is subordinate to the Subordinate Obligations in accordance with the terms thereof.

Section 8.3 Other Remedies of the Authority. Upon the occurrence of an Event of Default, the Authority shall have the right (but only following the prior written direction of the Authority Lender):

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the District or any director, officer or employee thereof, and to compel the District or any such director, officer or employee to perform and carry out its or his duties under the Law and the agreements and covenants required to be performed by it or him contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Authority;

(c) by suit in equity upon the happening of an Event of Default to require the District and its directors, officers and employees to account as the trustee of an express trust;

(d) to apply the Default Rate to the unpaid balance of the Purchase Price; or

(e) suspend or terminate all of its obligations hereunder with respect to the allocation of any undisbursed amount of the WIFIA Loan.

Notwithstanding anything contained herein, other than as expressly provided herein, the Authority shall have no security interest in or mortgage on the WIFIA Project, the Water System or other assets of the District and no default hereunder shall result in the loss of the WIFIA Project, the Water System, or other assets of the District.

Section 8.4 Remedies of the Authority Lender. Upon the occurrence of an Event of Default, the Authority Lender, as assignee of the Authority pursuant to the WIFIA Master Agreement, shall be entitled and empowered to institute any actions or proceedings at law or in equity against the District for the collection of any sums due to the Authority from the District and unpaid hereunder, and may prosecute any such judgment or final decree against the District and collect in the manner provided by law the moneys adjudged or decreed to be payable, may take such

other actions at law or in equity as may appear necessary or desirable to collect all amounts payable by the District to the Authority under this WIFIA Installment Purchase Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the District under this WIFIA Installment Purchase Agreement. Notwithstanding anything herein to the contrary, the Authority Lender shall not have the authority to accelerate payments under any other Bonds or Contracts.

Section 8.5 Non-Waiver. Nothing in this article or in any other provision hereof shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the WIFIA Installment Payments to the Authority at the respective due dates or upon prepayment from the Net Water Revenues, the Water Revenue Fund, the Rate Stabilization Fund and the other funds herein pledged for such payment, or shall affect or impair the right of the Authority or the Authority Lender, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein.

A waiver of any default or breach of duty or contract by the Authority or the Authority Lender shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Authority or the Authority Lender to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Authority or the Authority Lender by the Law or by this article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Authority or the Authority Lender, as applicable.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned or determined adversely to the Authority, the District and the Authority shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

Section 8.6 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

PALMDALE WATER DISTRICT PUBLIC FINANCING AUTHORITY, a joint powers authority duly organized and existing under the laws of the State of California (the “**Borrower**”), for value received, hereby promises to pay to the order of the **UNITED STATES ENVIRONMENTAL PROTECTION AGENCY**, acting by and through the Administrator of the United States Environmental Protection Agency, or its assigns (the “**WIFIA Lender**”), the lesser of (x) the Maximum Principal Amount set forth above and (y) the aggregate unpaid principal amount of all disbursements (the “**Disbursements**”) made by the WIFIA Lender (such lesser amount, together with any interest that is capitalized and added to principal in accordance with the provisions of the WIFIA Loan Agreement (as defined below), being hereinafter referred to as the “**Outstanding Principal Sum**”), together with accrued and unpaid interest (including, if applicable, interest at the Default Rate, as defined in the WIFIA Loan Agreement) on the Outstanding Principal Sum and all fees, costs and other amounts payable in connection therewith, all as more fully described in the WIFIA Loan Agreement. The principal hereof shall be payable in the manner and at the place provided in the WIFIA Loan Agreement in accordance with Exhibit A (*WIFIA Loan Amortization Schedule*) to the WIFIA Loan Agreement, as revised from time to time in accordance with the WIFIA Loan Agreement and that certain WIFIA Master Agreement, dated as of _____, 2024, by and among the Borrower, the District and the WIFIA Lender (the “**WIFIA Master Agreement**”), until paid in full (which Exhibit A, as modified from time to time in accordance with the terms of the WIFIA Loan Agreement and the WIFIA Master Agreement, is incorporated in and is a part of this WIFIA Note). The WIFIA Lender is hereby authorized to modify the WIFIA Loan Amortization Schedule included in Exhibit A to the WIFIA Loan Agreement from time to time in accordance with the terms of the WIFIA Master Agreement and the WIFIA Loan Agreement to reflect the amount of each disbursement made thereunder and the date and amount of principal or interest paid by the Borrower thereunder. This WIFIA Note may be prepaid at the option of the Borrower in whole or in part (and, if in part, the principal installments and amounts thereof to be prepaid are to be determined in accordance with the WIFIA Loan Agreement; provided such prepayments shall be in principal amounts of at least \$250,000 or any integral multiple of \$1 in excess thereof), from time to time, but not more than annually, without penalty or premium, by paying to the WIFIA Lender all or part of the principal amount of the WIFIA Note in accordance with the WIFIA Loan Agreement.

This WIFIA Note shall be subject to mandatory prepayment on the terms and conditions set forth in the WIFIA Master Agreement and the WIFIA Loan Agreement.

Payment of the obligations of the Borrower under this WIFIA Note is secured pursuant to the WIFIA Master Agreement and the WIFIA Loan Agreement.

GOOD FAITH ESTIMATES PURSUANT TO GOVERNMENT CODE SECTION 5852.1

The good faith estimates set forth herein are provided with respect to the 2024 WIFIA Loan and the 2024 WIFIA Loan Agreement in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Palmdale Water District Public Financing Authority (the “Authority”) by NHA Associates, Inc., the Authority’s municipal advisor in connection with the execution of the 2024 WIFIA Loan Agreement (the “Municipal Advisor”).

Principal Amount. The Municipal Advisor has informed the Authority that, based on the Authority’s financing plan and current market conditions, its good faith estimate of the aggregate amount of the 2024 WIFIA Loan is expected to be \$15,857,459 (reflecting a draw of \$14,805,000 and capitalized interest of \$1,052,459).

True Interest Cost of the 2024 WIFIA Loan. The Municipal Advisor has informed the Authority that based on the expected interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the true interest cost of the 2024 WIFIA Loan, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the amount received by the Authority under the 2024 WIFIA Loan, is 4.72%.

Finance Charge of the 2024 WIFIA Installment Purchase Agreement. The Municipal Advisor has informed the Authority that, assuming that the 2024 WIFIA Installment Purchase Agreement is executed, their good faith estimate of the finance charge for the 2024 WIFIA Installment Purchase Agreement, which means the sum of all fees and charges paid to third parties (or costs associated with the 2024 WIFIA Installment Purchase Agreement), is \$395,000.

Amount of Proceeds to be Received. The Municipal Advisor has informed the Authority that based on estimated interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the amount of proceeds expected to be received by the Authority under the 2024 WIFIA Loan, less the finance charge of the 2024 WIFIA Loan, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the 2024 WIFIA Loan, is \$14,805,000.

Total Payment Amount. The Municipal Advisor has informed the Authority that based on interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the total payment amount, which means the sum total of all payments the Authority will make to make payments under the 2024 WIFIA Loan, plus the finance charge for the 2024 WIFIA Loan, as described above, not paid with the proceeds of the 2024 WIFIA Loan, calculated to the final maturity of the 2024 WIFIA Loan, is \$27,054,016 which excludes any reserves funded with proceeds of the 2024 WIFIA Loan (which may offset such total payment amount).

The foregoing estimates constitute good faith estimates are based on information provided in the draft 2024 WIFIA Loan at the time of preparation of such estimates. The actual principal amount of the 2024 WIFIA Loan issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the entering into the 2024 WIFIA Loan being different than the date assumed for purposes of such estimates, (b) the actual principal amount of 2024 WIFIA Loan sold being different from the principal amount, (c) the actual amortization of the 2024 WIFIA Loan being different than the amortization assumed for purposes of such estimates, (d) the actual interest rates at the time of execution of the 2024 WIFIA Loan being different than those estimated for purposes of such estimates, (e) other market conditions, (f) alterations in the Authority’s financing plan, or a combination of such factors. The actual date of execution of the 2024 WIFIA Loan and the actual principal amount of the 2024 WIFIA Loan will be determined by the Authority based on the timing of the need for proceeds of the 2024 WIFIA

Loan and other factors. Factors such as the final payment schedule, any changes to the interest rate and timing of the execution of the 2024 WIFIA Loan may be affected by factors beyond the control of the Authority, or the Municipal Advisor.
