Project Title: Alpine Springs Mobile Home Park ProjectProject Applicant: Palmdale Water District

Project Location - Specific:

Alpine Springs Mobile Home Park - 36223 Sierra Highway, Palmdale, CA 93550Project Location - City: Palmdale Project Location - County: Los Angeles

## Description of Nature, Purpose and Beneficiaries of Project:

The Project proposes to consolidate the Alpine Springs Mobile Home Park (ASMHP) into Palmdale Water District so they can receive an affordable and reliable water supply. Currently, ASMHP's well is out of production and they are relying on daily water deliveries. To remedy this, the Project components include: approximately 1,890 feet of 8-inch water main, one 2-inch master meter and backflow prevention device, a connection at North Asperm Street and Sierra Hills Lane, connections to a 20-inch transmission main across Sierra Highway on the northbound unpaved shoulder, connection to an onsite storage tank and distribution system, and installation of two fire hydrants along connection mains

Name of Public Agency Approving Project: Palmdale Water DistrictName of Person or Agency Carrying Out Project: Palmdale Water District

## Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Class 1 Existing Facilities, Class 3 New Construction or Conversion of Small Structures
- Statutory Exemptions. State code number: \_\_\_\_\_

## Reasons why project is exempt:

The Project is exempt because it involves the construction of small utility facilities, including a new water main, a master meter and backflow prevention device, two fire hydrants, one pressure-reducing valve, and associated valves and appurtenances, which qualify under the Class 3 exemption. The Project also includes the destruction and abandonment of the onsite well, which is covered under the Class 1 exemption.
